Revising Prose Richard A. Lanham, 2000 As its title implies this book deals with revising not with original composition Revising Prose enables students to work on their own at steady detailed revision Stressing the importance of the single sentence The Paramedic Method of revision provides students with an easily learned method of revision to combat the obscurities of meaning that plague The Official Style and demonstrates how to revise this stilted dense prose into plain English This text has been used with success at every level of higher education in all disciplines wherever extensive writing is required An accompanying 30 minute Revising Prose Video as well as a Set of Interactive Revision Exercises are available from Rhetorica Inc for an additional fee

Fragments of Rationality Lester Faigley, 2014-07-12 In an insightful assessment of the study and teaching of writing against the larger theoretical political and technological upheavals of the past thirty years Fragments of Rationality questions why composition studies has been less affected by postmodern theory than other humanities and social science disciplines

The Chicago Guide to Writing About Numbers Jane E. Miller, 2015-04-09 For students scientists journalists and others a comprehensive guide to communicating data clearly and effectively Acclaimed by scientists journalists faculty and students The Chicago Guide to Writing about Numbers has helped thousands communicate data clearly and effectively It offers a much needed bridge between good quantitative analysis and clear expository writing using straightforward principles and efficient prose With this new edition Jane Miller draws on a decade of additional experience and research expanding her advice on reaching everyday audiences and further integrating non print formats Miller an experienced teacher of research methods statistics and research writing opens by introducing a set of basic principles for writing about numbers then presents a toolkit of techniques that can be applied to prose tables charts and presentations She emphasizes flexibility showing how different approaches work for different kinds of data and different types of audiences The second edition adds a chapter on writing

about numbers for lay audiences explaining how to avoid overwhelming readers with jargon and technical issues Also new is an appendix comparing the contents and formats of speeches research posters and papers to teach writers how to create all three types of communication without starting each from scratch An expanded companion website includes new multimedia resources such as slide shows and podcasts that illustrate the concepts and techniques along with an updated study guide of problem sets and suggested course extensions This continues to be the only book that brings together all the tasks that go into writing about numbers integrating advice on finding data calculating statistics organizing ideas designing tables and charts and writing prose all in one volume Field tested with students and professionals alike this is the go to guide for everyone who writes or speaks about numbers **Composition and Literature** Winifred Bryan Horner, 1983

Expressing Theology Jonathan Roach, Grisel Dominguez, 2015-07-14 Have you ever picked up a volume of theology read the first page and decided you would rather scrub the bathroom floor than read another page Theology does not need to be abstract dull boring tedious dense inconsequential trivial remote immaterial or unimportant Theology should not leave readers feeling bewildered and lost Expressing Theology challenges writers of theology to craft engaging compelling and beautiful prose that grabs readers attention and makes reading a pleasure Expressing Theology provides writers of theology academics aspiring and published with perspectives and writing techniques to write theology that readers want to read

Denken und Reden Gabriele Schega, Roland Forster, 2021-01-15 Denken und Reden Rhetorik im F cher Dialog spiegelt die interdisziplinären und vielfältigen Facetten der Rhetorik Neben Einblicken in die politische Rhetorik Wirtschaftsrhetorik und Medienrhetorik diskutieren die Autorinnen und Autoren philologische ästhetische und philosophische Fragestellungen Im Mittelpunkt stehen dabei die verschiedenen Tätigkeitsfelder und Interessensgebiete der Sprechwissenschaft und benachbarter Disziplinen von der Antike bis zur Gegenwart Entstanden ist dieser Band im Krisenjahr 2020 einem Jahr welches viele Diskurse ausgelöst hat Die aus den Krisen resultierenden Konflikte haben wieder gezeigt wie wichtig für ihre Bewältigung und Lösung eben jene rhetorischen Kompetenzen sind die hier in einigen Texten explizit angesprochen in anderen gestreift werden Der Band ist Prof Dr Norbert Gutenberg zum 70 Geburtstag gewidmet **Physical Eloquence**

and the Biology of Writing Robert Ochsner, 1990-01-01 As a statement about literacy this book recommends an approach to teaching writing that stresses the neurological foundations of written English mastered almost like a foreign language Physical eloquence refers to neurological processes of hand eye and ear that every writer must control in order to generate and simultaneously to interpret a written text Biology of writing refers to innate or otherwise untaught abilities that all people have for acquiring prose and which are not enhanced by formal learning Ochsner promotes a realistic writing curriculum that stresses subconscious processes in the biology of the writing process rather than planned rehearsed and formally practiced activities for learning to write He concludes that successful literacy instruction depends on a teacher's willingness to take into account the supremacy of popular culture and the ascendancy of its spoken idiom **Vernacular**

Eloquence Peter Elbow, 2012-01-13 Since the publication of his groundbreaking books *Writing Without Teachers* and *Writing with Power* Peter Elbow has revolutionized how people think about writing Now in *Vernacular Eloquence* he makes a vital new contribution to both practice and theory The core idea is simple we can enlist virtues from the language activity most people find easiest speaking for the language activity most people find hardest writing Speech with its spontaneity naturalness of expression and fluidity of thought has many overlooked linguistic and rhetorical merits Through several easy to employ techniques writers can marshal this wisdom of the tongue to produce stronger clearer more natural writing This simple idea it turns out has deep repercussions Our culture of literacy Elbow argues functions as though it were a plot against the spoken voice the human body vernacular language and those without privilege making it harder than necessary to write with comfort or power Giving speech a central role in writing overturns many empty preconceptions It causes readers to think critically about the relationship between speech writing and our notion of literacy Developing the political implications behind Elbow's previous books *Vernacular Eloquence* makes a compelling case that strengthening writing and democratizing it go hand in hand
