younger brother Soon Molin s chronicles of the past unfold but their time grows shorter An evil long thought dead has returned to Sanctuary s streets eager to write more history with blood The originator of the popular Thieves World novels the first shared world fantasy environment has returned to a world where vice and decadence coexist with heroism and self sacrifice in a heady blend of atmosphere and adventure that should appeal to fans of the original series as well as newcomers Highly recommended Library Journal Although this is primarily an adventure story and a pretty good one at that it is also a richer and more detailed novel the book is both more ambitious and more rewarding than most similar fantasy adventures as well as providing a nostalgic return to the Thieves World Science Fiction Chronicle
