

RULING THE VOID

THE HOLLOWING-OUT OF
WESTERN DEMOCRACY

PETER MAIR

Ruling The Void The Hollowing Of Western Democracy

KJ Lindholm-Leary

Ruling The Void The Hollowing Of Western Democracy:

Ruling the Void Peter Mair, 2023-01-17 A classic account of democracy's crisis of legitimacy The age of party democracy has passed argues Peter Mair in *Ruling the Void* The major parties have become so disconnected from society that they no longer seem capable of sustaining democracy in its present form First published in 2013 *Ruling the Void* presciently observed that the widening gap between citizens and their political leaders posed a crisis of legitimacy for the governing class and was fuelling populist mobilizations against it Europe's political elites had remodelled themselves as a homogeneous professional class withdrawing into state institutions that offer relative stability in a world of fickle voters Meanwhile non democratic agencies and practices proliferated not least among them the European Union itself Mair weighs the impact of these changes and offers an authoritative assessment of the prospects for popular political representation today not only in the varied democracies of Britain and the EU but throughout the developed world With a new Introduction by Chris Bickerton author of *The European Union A Citizen's Guide*

Am Ende der gewohnten Ordnung Sophie Porschlegel, 2023-11-02 Wer die Welt gestalten will muss ber Macht sprechen Aufruf f r ein neues Politikverst ndnis Klima Krise Krieg Rechtspopulismus es ist anstrengend geworden sich mit Politik zu besch ftigen Die politischen Herausforderungen auf nationaler und internationaler Ebene sind so zahlreich dass konstruktive L sungen aus dem Blick geraten Denn auf die Aggressionen Russlands und Chinas findet der Westen keine langfristigen Antworten die Klima Krise versch rft sich und die alte internationale Ordnung insgesamt weist immer mehr Risse auf Um L sungen f r die multiplen Krisen zu finden so Politikwissenschaftlerin Sophie Porschlegel braucht es vor allen anderen Dingen eines ein neues Verst ndnis von Macht Nur mit klarem Blick da f r was Macht ist was sie leistet wer sie hat und wann sie gef hrlich wird kann die Zukunft gestaltet werden Mut zur Gestaltung erfordert Macht aber wieso tut Deutschland sich so schwer ber Macht zu sprechen Warum treten Rechtspopulisten auf als starke M nner denen die Verteidiger innen der liberalen Ordnung scheinbar machtlos ausgesetzt sind Wie k nnen demokratisch legitimierte Staaten autokratischen Regimen machtvoll gegen bertreten ohne sich selbst zu verleugnen Um die Schw chen der derzeitigen Macht Strukturen anzugehen bedarf es eines radikalen Umdenkens so Porschlegel die als politische Analystin in Br ssel seit Jahren eine gefragte Expertin zum Thema internationale Ordnungen und Macht Politik ist Sie analysiert wie wir in Deutschland Europa und global zu einem demokratischeren Macht Verst ndnis gelangen das Handlungsoptionen offenh lt Denn nur mit einem neuen Blick auf politische und gesellschaftliche Macht k nnen wir die Probleme der n chsten Jahrzehnte l sen Und ein demokratisches Gemeinwesen verteidigen das Menschlichkeit und Respekt in den Mittelpunkt r ckt

Demokratie und Krise Wolfgang Merkel, 2014-11-25 Es gibt kaum einen Begriff in den Politik und Sozialwissenschaften der so h ufig benutzt wird wie der Begriff Krise Krise des Sozialstaats Krise der politischen Parteien Krise des Parlaments Eurokrise Krise im Mittleren Osten Krise der Diktaturen und schon immer auch Krise der Demokratie Steckt die Demokratie tats chlich in der Krise oder ist dieses verbreitete Urteil eine Erfindung von Theoretikern und Medien

Die Beiträge dieses Buchs untersuchen den gegenwärtigen Zustand der etablierten Demokratien auf der Grundlage eines gemeinsamen Demokratieverständnisses. Dem Leser wird aus drei theoretischen Perspektiven ein empirisch gehaltvoller Blick auf die zentralen Ebenen der Demokratie in der OECD-Welt geöffnet: der Partizipation der Repräsentation und des Regierens. Die Krisenphänomene sind vielschichtig und variieren von Institution zu Institution, von Politikbereich zu Politikbereich und von Land zu Land. Von einer allgemeinen oder gar existenziellen Krise kann nicht die Rede sein. Dennoch gibt es keinen Grund zur Entwarnung. Die Legitimationsachsen der Demokratie verschieben sich. Die Demokratie steht vor großen Herausforderungen.

Kritische Theorie der Politik Ulf Bohmann, Paul Sörensen, 2019-10-27. Die Kritische Theorie prägt eine ganze Epoche des akademischen Denkens und strahlt bis in öffentliche Debatten aus. Ihr gesellschaftstheoretischer Anspruch weist über den geschichtlichen Entstehungskontext hinaus und so geht von ihr nach wie vor eine große Anziehungskraft aus. Doch im Felde der Politik klafft im Zentrum der historischen Frankfurter Schule eine Theorieleücke. Dieser Band fragt, was das für die Gegenwart bedeutet. Ist eine Kritische Theorie der Politik heute noch möglich? Woran kann sie anknüpfen? Wo muss sie sich neu erfinden? Was sind ihre Antworten auf die Fragen unserer Zeit? Der Band versammelt Beiträge einschlägiger Expertinnen und Experten wie Amy Allen, Wendy Brown, Hauke Brunkhorst, Rainer Forst, Nancy Fraser, Raymond Geuss, Oliver Marchart, Hartmut Rosa und Martin Saar und bietet ein reichhaltiges Panorama aktueller theoretischer Entwurfe, Streitfragen sowie Konstellationen.

Die Geburt der Freiheit aus dem Geist des Sozialismus Grace Blakeley, 2025-04-12. Eine beeindruckende Abrechnung mit der kapitalistischen Logik des freien Markts. Naomi Klein: Grace Blakeley erfindet Kapitalismuskritik neu. Theoretisch fundiert, erfrischend klug und mit umfassender Recherche zeigt sie, dass kapitalistische Strukturen Freiheit nicht fördern, sondern bedrohen. Die Krisen dieser Welt sind keine Ausnahmen, sondern logische Folge des real existierenden Kapitalismus. Nur wenn die Macht von Großkonzernen und der Finanzwelt eingehegt wird, kann die Politik der Alternativlosigkeit überwunden und die Demokratie gerettet werden. Eindringlich führt Grace Blakeley vor, dass das Gerede vom freien Markt eine Nebelkerze ist, die die Reichen und Mächtigen schützt und Bürger entmündigt. Denn der Kapitalismus braucht Planwirtschaft, erzeugt Monopole und zerstört so die Grundlagen unserer Demokratie: Subventionen, Steuer Deals, Hinterzimmer Absprachen und im Notfall die Rettung durch den Staat. Große Konzerne nahezu unverwundbar, eine global öffentlich subventionierte Plutokratie ohne demokratische Kontrolle. Erst durch eine Mitbestimmung im Geiste des Sozialismus kann ein Gesellschaftssystem entstehen, in dem Freiheit wieder etwas bedeutet.

Der Verlust politischer Gleichheit Armin Schäfer, 2015-01-08. Bundestagswahlen, Landtagswahlen, Kommunalwahlen, Europawahlen: seit Jahren sinkt die Wahlbeteiligung in Deutschland. Doch was steht hinter diesem Trend und was bedeutet er für die Demokratie? Armin Schäfer beantwortet diese Frage umfassend und zeigt, dass wachsende soziale Ungleichheit zu einer Verringerung der Wahlbeteiligung führt. Sozial benachteiligte Gruppen bleiben in großer Zahl der Wahlurne fern. Die Unterschiede in der Wahlbeteiligung waren in der Geschichte der Bundesrepublik nie so groß wie heute.

Aktuelle Reformmaßnahmen nehmen die Partizipationsmöglichkeiten ausweiten verringern entgegen optimistischen Erwartungen die Beteiligungslücke nicht sondern vergrößern sie sogar Internationale Gerechtigkeit und institutionelle Verantwortung Julian Nida-Rümelin, Detlef Daniels, Nicole Wloka, 2019-05-06 Die Globalisierung in ökonomischer und politischer sowie in kultureller und sozialer Hinsicht rückt das Thema internationale Gerechtigkeit immer stärker in den Fokus Letztlich geht es um die Frage moralischen Handelns auf globaler Ebene um eine globale Praxis die prinzipiell für alle gerecht ist

Ausgangspunkt der Debatte ist dabei die Frage nach der Verallgemeinerbarkeit grundlegender Prinzipien sozialer Gerechtigkeit die zumindest innerhalb demokratischer Nationalstaaten gelten Inwieweit kann der Anwendungsbereich innerstaatlicher Prinzipien sozialer Gerechtigkeit global ausgedehnt werden Bestehen auf globaler Ebene andere gegebenenfalls schwächere Beziehungen moralischer Verantwortung die entsprechend andere Prinzipien globaler sozialer Gerechtigkeit fordern **Die demokratische Regression** Armin Schäfer, Michael Zürn, 2021-03-07 In der Debatte um den Aufstieg national autoritärer Parteien dominieren zwei Ansätze ein ökonomischer der wachsende Ungleichheit infolge der Globalisierung in den Mittelpunkt stellt und ein kultureller der gesellschaftliche Liberalisierungsprozesse in den Blick nimmt Beide Erklärungen kritisieren Armin Schäfer und Michael Zürn seien seltsam politikfrei Daher fragen sie nach den genuin politischen Ursachen dieser Entwicklung Wie haben sich die Parteien wie hat sich ihr Verhältnis zu den Bürgern verändert Was geschieht wenn Politik sich als ausführendes Organ von Sachzwängen präsentiert Wer die autoritären Bewegungen stoppen möchte so die Autoren muss am politischen Prozess selbst ansetzen und Willy Brandts Formel Mehr Demokratie wagen neu denken **Perspektiven sozialer Demokratie in der Postdemokratie** Oliver Eberl, David

Salomon, 2016-11-09 Der Band untersucht die Perspektiven sozialer Demokratie in der Postdemokratie anhand zweier Leitfragen Stellt Postdemokratie wirklich eine stabile Ordnung dar oder doch nur einen Zwischenzustand zu einer autoritären Überwindung der politischen Demokratie Welche demokratischen Formen der Überwindung von Postdemokratie können zugleich als Verwirklichung sozialer Demokratie begriffen werden Untersucht werden in diesem Zusammenhang sowohl Modelle die helfen das Postdemokratietheorem zu spezifizieren als auch die Bedeutung von Formen der Transnationalisierung für die postdemokratische Tendenz und Varianten einer sozialen Demokratie globale soziale Rechte Europäische Integration

Die Legitimität direkter Demokratie Wolfgang Merkel, Claudia Ritz, 2017-01-09 Das sinkende Vertrauen der Bürger in ihre politischen Repräsentanten und die Entfremdung von den etablierten Parteien haben in den letzten Jahren zu einer Intensivierung der wissenschaftlichen Debatte um mehr direkte Demokratie geführt Dieser Band fasst zentrale Argumente dieses Diskurses zusammen und untersucht anhand von theoretischen Reflexionen und empirischen Fallstudien die Legitimität direkter Demokratie Es wird kritisch hinterfragt ob Volksabstimmungen dazu in der Lage sind zentrale Herausforderungen zeitgenössischer Demokratie erfolgreich zu bewältigen Demokratie, Diktatur, Gerechtigkeit

Aurel Croissant, Sascha Kneip, Alexander Petring, 2017-01-19 Der begriffliche Dreiklang Demokratie Diktatur und

Gerechtigkeit benennt zentrale miteinander verknüpfte politikwissenschaftliche und gesellschaftspolitische Themen des 20. und 21. Jahrhunderts. Der Band bietet aus normativer, theoretischer und empirischer Perspektive innovative Fragestellungen und Erkenntnisse zu den unterschiedlichen Facetten dieser Trias. Die Beiträge widmen sich u.a. der Konzeptualisierung und Messung von Demokratie, den Herausforderungen an junge und alte Demokratien, der Konzeptualisierung, Performanz und Persistenz von Diktaturen sowie Konzepten, Grundfragen und Herausforderungen der Gerechtigkeit in Nord und Süd.

Gleichheit in einer ungleichen Welt Corinne Michaela Flick, 2023-03-22 Politische, ökonomische und philosophische Aspekte zur Debatte von Gleichheit, Ungleichheit, Ungleichheit und Verschiedenheit sind Grundmerkmale des Menschseins. Wir wollen und brauchen ein großes Maß an Gleichheit als Fundament unseres gesellschaftlichen Zusammenlebens und als Ausdruck von Gerechtigkeit. Unter dem Thema Gleichheit in einer ungleichen Welt werden Aspekte wie Chancen und Ergebnisgleichheit, die Rolle des Wettbewerbs sowie die Frage, wie sich gesellschaftliche Forderungen und staatliche Eingriffe im Namen der Gleichheit mit individueller Freiheit vereinbaren lassen, diskutiert. Im Hintergrund steht dabei immer das Prinzip, dass Gleiches gleich und Ungleiches ungleich zu behandeln ist. Den Begriff Gleichheit neu zu fokussieren ist heute wichtiger denn je, denn die Welt sieht sich mit globalen Bedrohungen konfrontiert, die das Potenzial haben, bestehende Ungleichheiten massiv zu verschärfen. Mit Beiträgen u.a. von Marietta Auer, Paul Collier, Gabriel Felbermayr, Raji Jayaraman, Kai A. Konrad, Jörn Leonhard, Mathias Risse, Claudia Wiesner, Jonathan Wolff. *On Parties, Party Systems and Democracy* Peter Mair, 2014-09-01 This collection brings together some of the most significant and influential work by leading comparativist Peter Mair 1951-2011. The selection ranges from considerations on the relevance of concept formation to the study of party systems and party organisations and from reflections on the democratic legitimacy of the European Union to the future of party democracy. Including frequently cited papers alongside lesser known work, the writings collected in this volume attest to the broad scope and depth of Mair's insights into comparative party politics and the changing realities of party government. As such, they form an important and enduring contribution to the study of politics and a fitting tribute to an inspirational and much missed figure in the global political science community. Edited and introduced by Ingrid van Biezen with an intellectual portrait of Peter Mair by Stefano Bartolini and Hans Daalder. **The Modern British Party System** Paul Webb, Tim Bale, 2021-09-28 The new edition of this successful book provides a comprehensive and up-to-date overview and account of the changing nature of party politics in Britain today. Webb and Bale draw on models of comparative politics in conducting a wealth of new empirical analysis to map and explain the ways in which the party system has evolved and the parties have adapted to a changing political environment. Themes covered include the nature and extent of party competition, the internal life and organizational development of parties, the varieties of party system found across the UK and the roles played by parties within the wider political system. The book also addresses the crisis of popular legitimacy confronting the parties as well as assessing the scope for potential reform. While parties remain central to the functioning of Britain's

democracy public disaffection with them is as high as it has ever been reform of the system of representation and party funding is warranted but there are unlikely to be any panaceas **Advanced Introduction to Party Systems** Paul Webb,2024-02-12 Paul Webb s Advanced Introduction to Party Systems expertly draws upon major theories and concepts existing literature and cutting edge empirical evidence to present an authoritative contribution to the field of party systems Webb rigorously explores the different types of party systems that exist the role of socio political cleavages and electoral systems in shaping them their evolution over time and their significance for government and the wider functioning of democracy **Party Politics and Democracy in Europe** Ferdinand Muller-Rommel,Fernando Casal Bértoa,2015-08-11

This edited collection in honour of the late political scientist Peter Mair contains original chapters that are directly linked to his theoretical and or methodological ideas and approaches Peter Mair demonstrated that political parties have traditionally been central actors in European politics and an essential focus of comparative European political science Though the nature of political parties and the manner in which they operate has been subject to significant change in recent decades parties remain a crucial factor in the working of European liberal democracies This volume analyses recent developments and current challenges that European parties party systems and democracy face The volume will be of key interest to students and scholars of comparative politics democracy studies political parties and European politics and European Union studies

The Success and Failure of Right-Wing Populist Parties in the Benelux Countries Léonie de Jonge,2021-06-14 This book focuses on the varied support for the populist radical right in the Benelux countries Belgium the Netherlands and Luxembourg Despite many common characteristics right wing populist parties have historically been more successful in the Netherlands and Flanders than in Luxembourg and Wallonia This book argues that the variation in the success of right wing populist parties depends to a large extent on the way in which they are perceived and received in a given polity In the Netherlands and Flanders mainstream parties and the media have contributed to politicising issues pertaining to immigration and national identity thereby tilling the field for the populist radical right In Luxembourg and Wallonia mainstream parties and the media have resolutely limited the opportunities for right wing populist challengers to influence the public debate This volume will be of interest to practitioners as well as students and scholars of party politics the media the populist radical right and the Benelux region *Democracy and the Cartelization of Political Parties* Richard S. Katz,Peter Mair,2018-07-11

Political parties have long been recognized as essential institutions of democratic governance Both the organization of parties and their relationships with citizens the state and each other have evolved since the rise of liberal democracy in the 19th and early 20th centuries Going into the 21st century it appears that parties losing popular support putting both parties and potentially democracy in peril This book traces the evolution of parties from the model of the mass party through the catch all party model to argue that by the late 20th century the principal governing parties and and their allied smaller parties collectively the political mainstream were effectively forming a cartel in which the form of competition might remain

and indeed even appear to intensify while its substance was increasingly hollowed out The spoils of office were increasingly shared rather than restricted to the temporary winners contentious policy questions were kept off the political agenda and competition shifted from large questions of policy to minor questions of managerial competence To support this cartel the internal arrangements of parties changed to privilege the party in public office over the party on the ground The unintended consequence has been to stimulate the rise of extra cartel challengers to these cozy arrangements in the form of anti party system parties and populist oppositions on the left but especially on the right Comparative Politics is a series for researchers teachers and students of political science that deals with contemporary government and politics Global in scope books in the series are characterised by a stress on comparative analysis and strong methodological rigour The series is published in association with the European Consortium for Political Research For more information visit www.ecprnet.eu The series is edited by Emilie van Haute Professor of Political Science Universit libre de Bruxelles Ferdinand M ller Rommel Director of the Center for the Study of Democracy Leuphana University and Susan Scarrow John and Rebecca Moores Professor of Political Science University of Houston

Constituent Power Matilda Arvidsson, 2020-08-18 With a strong focus on constitutional law this book examines the legal and political power of the people in constitutional democracies

Comparative European Politics Rory Costello, Neil Robinson, 2020 This essential guide to comparative European politics provides the broadest range of coverage on Europe illustrated via the widest range of examples applied to contemporary events

Ruling The Void The Hollowing Of Western Democracy Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Ruling The Void The Hollowing Of Western Democracy PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Ruling The Void The Hollowing Of Western Democracy PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to

knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Ruling The Void The Hollowing Of Western Democracy free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Ruling The Void The Hollowing Of Western Democracy Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Ruling The Void The Hollowing Of Western Democracy is one of the best book in our library for free trial. We provide copy of Ruling The Void The Hollowing Of Western Democracy in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Ruling The Void The Hollowing Of Western Democracy. Where to download Ruling The Void The Hollowing Of Western Democracy online for free? Are you looking for Ruling The Void The Hollowing Of Western Democracy PDF? This is definitely going to save you time and cash in something you should think about.
