Fugitive Saints Katie Walker Grimes, 2017-04-01 How should the Catholic church remember the sins of its saints This question proves particularly urgent in the case of those saints who were canonized due to their relation to black slavery Today many of their racial virtues seem like racial vices In this way the church celebrates Peter Claver a seventeenth century Spanish missionary to Colombia as the saint of the slave trade and extols Mart n de Porres as the patron saint of mixed race people But in truth their sainthoods have upheld anti blackness much more than they have undermined it Habituated by anti blackness the church has struggled to perceive racial holiness accurately In the ongoing cause to canonize Pierre Toussaint a Haitian born former slave the church continues to enact these

bad racial habits This book proposes black fugitivity as both a historical practice and an interpretive principle to be a strategy by which the church can build new hagiographical habits Rather than searching inside itself for racial heroes the church should learn to celebrate those black fugitives who sought refuge outside of it **Dying and the Virtues** Matthew Levering, 2018-01-23 In this rich book Matthew Levering explores nine key virtues that we need to die and live well love hope faith penitence gratitude solidarity humility surrender and courage Retrieving and engaging a variety of biblical theological historical and medical resources Levering journeys through the various stages and challenges of the dying process beginning with the fear of annihilation and continuing through repentance and gratitude suffering and hope before arriving finally at the courage needed to say goodbye to one's familiar world Grounded in careful readings of Scripture the theological tradition and contemporary culture *Dying and the Virtues* comprehensively and beautifully shows how these nine virtues effectively unite us with God the One who alone can conquer death Fioretti - The Little Flowers of Pope Francis Andrea Tornielli, 2014-06-17 Tornielli the foremost Vatican insider journalist offers here inspiring stories incidents encounters and excerpts from the writings and talks of Pope Francis through his first year as Pope These add up to a powerful witness by Pope Francis of heartwarming stories of the Gospel in action and reflect on various spiritual and social themes important to the Pope including mercy forgiveness charity prayer justice Eucharist Our Lady and much more His little gestures and big ones the minor or major choices that he has made each day his ability to meet everyone and to speak to everyone his simple way of being himself have made Francis not only credible but above all close The Pope is perceived by many many people throughout the world as one of us It is enough to watch him embrace the sick the suffering the children to see why that is so The title echoes the Little Flowers of Saint Francis the famous collection of stories about the beloved Francis of Assisi whose name the Pope adopted for himself This work offers a wonderful collection of insightful fragments from various aspects of the life of the Pope in his first year that will help the reader become better acquainted with the immensely popular Bishop of Rome who came from the end of the earth *Reveal the Gift* Lisa Cotter, 2022-03-01 Have you ever wondered if you are doing this whole womanhood thing right Lisa Cotter sure did Coming of age in a world that told her women should be like men she often found herself confused and frustrated with the concept of femininity That was until she encountered St John Paul II's writings on the feminine genius In *Reveal the Gift* Living the Feminine Genius Lisa uncovers a transformational vision of a woman's purpose meaning and gifts which might not be exactly what you expect Learn from saints and other heroic women how to Live authentic Catholic womanhood Embrace life from your unique gifts Practically impact your family church and world through your feminine genius In an age where the terms woman and femininity have seemingly become arbitrary Lisa engages with the wisdom of the Church to find the authentic and beautiful meaning of what it means to be woman Sharing the examples of some stellar female saints to expound on St John Paul II's feminine genius Lisa helps women of all ages know their true dignity and worth and finally delight and rest in being a woman Jackie Francois Angel Ascension
