The Psychology of Selling and Persuasion Leonard Moore, 2020-10-25 Learn the Real Techniques to Close the Sale Every Time using Principles of Psychology and Persuasion. What makes people buy something? Humans have been trying to answer this one question for centuries. The truth is that while sales may be about math, the process of selling something relies heavily on psychology and understanding human behavior. You've probably already heard of countless magic techniques that are supposed to make people buy whatever you're selling, as if you had a magic wand in your hand. I'm sorry, there's nothing like that. However, after decades of research, science has identified certain responses and behaviors that are hard-wired into our brains and that can actually help you close the sale every single time. If you want to learn the real techniques to sell the ones based on psychology that actually work, this book is for you. In this guide, you won't find magic wands. Instead, you'll discover the principles of persuasion and consumer psychology, you'll learn working selling strategies and negotiating techniques designed to help you sell more and delight your customers after the sale. This guide will give you a series of actionable steps you can follow from understanding your

prospects to answering their objections effectively and ultimately getting the sale Whether you are a sales professional a business owner who wants to increase revenue or someone looking to build a successful sales system this book will help you

Inside The Psychology of Selling and Persuasion discover The real techniques to close the sale every time without using magic wands The 4 most common objections you ll receive and how to reply in the right way What makes people buy and how to leverage this knowledge to sell more 4 ways to craft your sales presentations so that people want to buy from you How to set and reach your sales goals using a powerful planning method Why if you want to sell effectively you shouldn t be selling and what you should be doing instead The 1 framework to handle customer s objections and reply effectively An example of a highly effective sales script from the first contact to after the sale 7 principles of persuasion you can use to craft a great sales pitch and close the deal Why closing the sale isn t actually the end of the sales process many people don t know this A step by step method to build sales scripts that work You can apply these techniques even if you ve never sold anything before Selling isn t some kind of talent that some people are just born with It is a skill you can learn and practice in many areas of your life

always offer their potential customers something up front What BluBlocker sunglasses can teach any good salesperson today The easiest way to use fear to your advantage to rack up the sales The details of the Inoculation Effect and why you should care about it Why sometimes the most surprising and effective thing you can tell potential customers is the truth Simple and effective ways to generate customer recommendations from scratch The best type of social proof to use for your products or services and how to get more of it Reliable ways to become an authority in your chosen niche and the reasons why you d want to Top body language mistakes to avoid at all costs And more So what are you waiting for Stop waiting for something to come along and change your sales output take control of your financial future buy this book today *Next Level Persuasion* Dan Storey,2014-06-01 Next Level Persuasion teaches sales people how to succeed in the changing sales economy Consumers don t want to be sold to by salespeople that are only interested in making a quick commission Instead they want to build relationships with sales people that will be able to help them solve their problems now and in the future Next Level Persuasion teaches how to build and maintain selling relationships to guarantee both immediate as well as long term success in sales **SALES TRAINING: The art of selling to intelligent people** ,2015-11-21 How will this book benefit you Sales people often think If I m hard working and honest with my customers why do I need a better understanding of things like neuroscience the psychology of trust and reverse psychology The answer is simple there are some truly amazing sales people who go the extra mile to collect their customers at the airport entertain them at restaurants tell funny jokes on LinkedIn and then after doing all these things to impress customers they find out that the customer bought from their competitor who did not do any of these things to impress them Sometimes the customer can even perceive dedicated sales consultants as being desperate causing them to lose the deal Other sales people still attempt to use mental strategies to persuade their customers to buy their products or services and by doing so they seem to forget that resistance to persuasion is a common reaction in all human beings This results in salespeople failing to close straightforward sales that should have been very easy to close This is precisely why salespeople need a deeper understanding of how customers think whom they trust and why they decide to buy Appreciating these concepts will give you a real edge as a salesperson you will gain the confidence and proficiency to take your sales performance to the highest level All the techniques found in this book focus on smarter sales not harder sales Hopefully by the end of this book you will have understood that sales success does not depend on your desire to sell or on how hard you try Rather it depends on your ability to understand the mechanisms that underlie the buying process You will learn to be a smarter salesperson who is confident and relaxed and can dextrously use a handful of strategies leading to success What this book is NOT about Now let s be clear about something some people think that this book is about the dark side of sales However this is not the case Au contraire if you are stuck in a pattern where you are currently using questionable sales techniques that are making good money but is bad for your reputation you re about to learn new methods that are more effective and will give you an excellent reputation instead The methods described in this book are insightful

rather than dubious Who is this book for There are three groups of people who will benefit tremendously from reading this book Firstly if you already work in sales and perform well but somehow find that over time your reputation is suffering in the process Secondly if you are totally new to sales and would like to get it right from the start with this book you can learn to master the psychology of selling so that you never struggle in this profession Thirdly if you work in sales have a good reputation but you need to increase your conversion rate to see better performance this book will allow you to fine tune your selling approach Cautionary notes The tactics explained in this book are best used when selling a credible product or service to the right prospect Please don't abuse these tactics to try and manipulate buyers into spending their money on inferior products that they will regret buying After all it is your responsibility to preserve your long term reputation as a sales professional

This is one of those rare books that I wish wouldn't get published. This gem will become the new sales bible. Dr. Joe Vitale, author of *Hypnotic Writing* and *There's A Customer Born Every Minute*. Read it and sell more. It's just that simple. Roger Dawson, author of *Secrets of Power Negotiating*. Puts you light years ahead of your competition. Read it before your competition does. Dr. Tony Alessandra, author of *The Platinum Rule for Sales Mastery*. Gives you an almost unfair advantage, yet it's all perfectly legal. Richard Baysan, author of *Words That Sell*. Take all of the text books ever written about persuasion, influence, marketing, and salesmanship. Strip away the nonsense. What do you get? *BrainScripts*. It's a mistake not to read this book. Mark Joyner, founder and CEO of Simpleology. Can you imagine the power in your sales presentation when you understand your prospects better than they know themselves? Patricia Fripp, CSP, CPAE, Sales Presentation Skills Expert. It's like looking into a crystal ball of human behavior. Thomas A. Freese, author of *Secrets of Question Based Selling*. The material in *BrainScripts* is so powerful it should require a license for use. Art Sobczak, author of *Smart Calling: Eliminate the Fear, Failure, and Rejection from Cold Calling*. *BrainScripts* shows in detail how beliefs become established, how they affect behavior, and most importantly, how business owners can ethically tap into them to help their companies grow and prosper. Robert Dilts, Founder, NLP University. *BrainScripts* gives you actual scripts to help get your sales message across without setting off your prospects. What's the catch? Alarm! Tom Big Al Schreiter, author of *How To Get Instant Trust, Belief, Influence, and Rapport*. *BrainScripts* is the definitive advantage in sales strategy. Read it and win, or pray your competitors do not. MJ DeMarco, author of *The Millionaire Fastlane*. *BrainScripts* takes sales psychology to a new level. Drew's practical and easy-to-use tips will also take you to the next level. Kerry Johnson, MBA, Ph.D., America's Sales Psychologist. *BrainScripts* brings you face-to-face with the prospect's intimate evaluation procedures so you can turn them into sales motivations and close the deal. Ren Gnam, author of *Ren Gnam's Direct Mail Workshop*. Drew Eric Whitman has swung open the vault to generating buyers en masse. *BrainScripts* just might be the best investment of your business life and selling career. Spike Humer, author of *The 10 Day Turnaround*.

Did you know people make decisions emotionally and then use facts to justify their decisions? Did you know that the subconscious mind is what actually makes the decisions, even before the conscious mind gets involved? Scary but true. And unfortunately, salespeople who approach their customers using reason and logic have poor conversion rates. While salespeople who know that their job is to emotionally influence their customer on the subconscious level will get a sale almost every single time. Well, what if you knew how to sell on the subconscious level? What if you knew the tactics and techniques that allowed you to penetrate through your customer's conscious faculty and reach them on a deep and influential level? What if you knew exactly how to produce the emotional reaction that would cause them to buy? What if you knew how to read your customer's body language so well that you could lead them to the decision you wanted with ease? All of this is possible and more when you use NLP to sell. Fair warning: Some of these tactics are a little sneaky and Machiavellian, but

sometimes you have to help your customer break out of their comfort zone and take advantage of your product or service And knowing these techniques will also help you to become a better listener and more in touch with your customer s needs This book contains 5 bestsellers that will help you master people analysis social influence persuasion and manipulation NLP Sales Psychology Playbook Your Secret Weapon for Transforming Your Sales Process and Doubling Your Conversion Rates with Proven NLP Tactics NLP Persuasive Language Hacks Instant Social Influence with Subliminal Thought Control and Neuro Linguistic Programming Analyze People Master Cold Reading and Psychoanalysis for Instant Social Leverage NLP Dark Psychology and Manipulation Advanced Techniques to Influence and Control with NLP and Covert Hypnosis NLP Frame Control Using the Mindset of Power to Get What You Want in Relationships Business Life Here s just a few of the things you will learn in this book 7 powerful NLP hacks to instantly supercharge your selling today The most effective body language hacks to build rapport with your customers fast How to use Modal Operators to move customers beyond their limitations How to use embedded commands to powerfully influence your customer to make a decision How to use Future Pacing to make your product irresistible How to use Hypnotic fractionation to get the sale And much much more So what are you waiting for Pick up a copy of Sales Selling with NLP and Psychology and learn how to increase your persuasive and selling skills today Click the BUY NOW button at the top of this page
