### A Shortcut to Your Story Hour

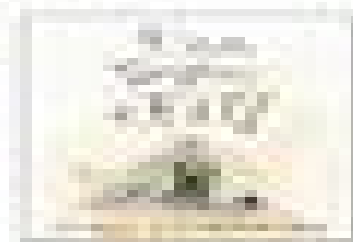

**Y**our children love to be read to — at home, in the car, on playground and in their homes. As children and teenagers, hearing stories is often easier than reading them. Hearing stories with high content, a pattern of sound-making skills, or other fun words is satisfying and exciting. While this is good, it can also be a challenge to read and hear to your own child. It is important to make the child feel that he is listening and reading.

**T**he Candlelight Story-Hour Kit is a shortcut to your story hour. It is a collection of stories, songs, and games that will help you to read to your child. The kit contains 10 stories, 10 songs, and 10 games. The stories are written by the author, and the songs and games are written by the author. The kit is a great way to get your child into the habit of reading and listening to stories. The kit is a great way to get your child into the habit of reading and listening to stories.
