The Facts on Spirit Guides John Ankerberg, John Weldon, 2011-04-20 How to avoid the seduction of the spirit world demonic powers Thousands of people are communicating with the spirit world in a search for spiritual guidance in their lives The spirit guides they're contacting claim to speak with absolute certainty about the nature of God and the purpose of life What is the true story behind these spirit beings Are they good spirits as declared or are they the demons spoken of in the Bible This book reveals the demonic powers behind these spirit guides and provides much needed help for recognizing this perilous deception

Century of Insight Derry Macdiarmid, 2018-03-08 Century of Insight is the story of the discovery of the unconscious mind based on the author's teaching of psychotherapy throughout his career Beginning with the ideas of Freud and Jung it is a journey that describes through case histories explanation and humour how successive ideas have created a body of knowledge that the author calls the Psychodynamic Enlightenment of the 20th century Whilst essentially it is a story of the 20th century it includes a backdrop from tribal societies and also ideas from 19th century Europe including existentialism In Part I the ideas of Freud Jung and Adler are explained their points of difference and then how they disagreed so violently that they had to break with each other Their individual theories and their personal conflict are understood from the story of their personalities and background Why could Freud not tolerate the expansive Jung and why did Jung clash so badly with his father

Sharing the Journey Judith A. Goren, 2004-09 Author Judith A Goren PhD invites us into her office and shows us the daily considerations of psychotherapy from her perspective as a humanistic psychologist in private practice Sharing the Journey focuses on her own experience over many years Its chapters offer advice and helpful information to the next generation of new practitioners Written without technical jargon and with honesty and humor this collection of short essays will be particularly useful for students interns and new therapists in counseling social work and psychology Their teachers mentors supervisors and clients will also want to read it Some of the topics covered include establishing ground rules with clients the business side of private practice working with adults abused as children principles of effective listening self care for the therapist Dr Goren's essays illuminate timeless issues shared by all psychotherapists
