State-Owned Entities and Human Rights Mihaela Maria Barnes, 2021-12-02 Examines the fundamental role played by international law in the regulation of State owned entities from a human rights perspective

From Corporate Social Responsibility to Corporate Social Liability Anna Aseeva, 2021-05-20 This book provides a critical socio legal study that brings together the latest scholarly advances on corporate social responsibility and at the same time addresses the pressing issue of corporate liability for harmful acts across the supply and production chains Corporations have seldom been held responsible and virtually never liable for the acts of their subsidiaries and subcontractors Actors as different as workers investors individual consumers and shareholder activists claim that corporations should accept greater responsibility for communities and environments affected by their activities The book argues that a global value chain's head corporations remain immune to any liability because of the economically dependent legally independent relationships between core corporations and their periphery suppliers and subcontractors To tackle this problem globally the author acknowledges that we as a society need to reduce the economic dependence as described above which is far too excessive by ensuring a level playing field both economically and socially More concretely she argues that in order to realise transnational corporate liability we as lawyers need to find a way or ways to establish legally effective relationships between head corporations and their economically dependent entities Readers of this book will be able to export the concept of corporate social liability developed in the context of value chains and apply it to other contexts involving corporate activities where they need to tackle unrestrained corporate freedom and make global businesses responsible and socially useful

Latin American Economic Outlook 2018

Rethinking Institutions for Development OECD, CAF Development Bank of Latin America, Economic Commission for Latin America and the Caribbean, 2018-04-09 The Latin American Economic Outlook 2018 Rethinking Institutions for Development focuses on how institutions can underpin the foundations of a long period of sustained and inclusive growth and increased well being The report begins with an overview of the main macroeconomic challenges Handbook on China and Globalization Huiyao Wang, Lu Miao, 2019 An excellent guide for understanding the trends challenges and opportunities facing China through globalization this Handbook answers the pertinent questions regarding the globalization process and China s influence on the world **Business Under Crisis Volume I** Demetris Vrontis, Alkis Thrassou, Yaakov Weber, S. M. Riad Shams, Evangelos Tsoukatos, Leonidas Efthymiou, 2022-01-21 This book examines businesses under crisis conditions through a composition of contextual accounts The Editors argue that crises are transformative evolutionary and even revolutionary in the development of organizations industries and markets Moreover crises reform the context in which organizations operate including customers and their behaviour As such they need to be viewed as conduits to change accelerators of evolution and catalysts of innovation in organizations Emphasising the importance of context and its complexities the book argues that for crisis as a concept and notion context is crucial to any understanding of the meaning that should or could be attached to it Drawing on different types of changes and crises that substantially affect business including economic technological political and environmental chapters Bringing together scientific research and case studies on contextual transformations the book provides a balanced selection of works across business disciplines including management strategy marketing and finance as well as geographic regions market types and industries The book examines the context of crises its indicators and triggers and encompasses topics such as Artificial Intelligence e mobility changes in consumption patterns militancy and the impact of pandemics **The Handbook of Global Trade Policy** Andreas Klasen, 2023-01-04 Provides a state of the art overview of international trade policy research The Handbook of Global Trade Policy offers readers a comprehensive resource for the study of international trade policy governance and financing This timely and authoritative work presents contributions from a team of prominent experts that assess the policy implications of recent academic research on the subject Discussions of contemporary research in fields such as economics international business international relations law and global politics help readers develop an expansive interdisciplinary knowledge of 21st century foreign trade Accessible for students yet relevant for practitioners and researchers this book expertly guides readers through essential literature in the field while highlighting new connections between social science research and global policy making Authoritative chapters address new realities of the global trade environment global governance and international institutions multilateral trade agreements regional trade in developing countries value chains in the Pacific Rim and more Designed to provide a well rounded survey of the subject this book covers financing trade such as export credit arrangements in developing economies export insurance markets climate finance and recent initiatives of the World Trade Organization

Regional Investment Pioneers in South Asia Sanjay Kathuria,Ravindra A. Yatawara,Xiao'ou Zhu,2021-12-17 Regional economic engagement within South Asia may gain increasing importance owing to several factors that are currently in play including strategies to diversify global value chains and locate such value chains nearer home These developments offer South Asia a chance to enhance its low levels of regional economic engagement and capitalize on significant unrealized development opportunities This report shows that examining intraregional investment and knowledge connectivity enhances our understanding of the low levels of intraregional trade and limited regional value chains in South Asia Creating a new and unique data set for South Asian investment it provides a detailed and nuanced understanding of the drivers of outward investment both regional and global for South Asian firms Regional Investment Pioneers in South Asia provides key considerations for policy makers in South Asia which remain particularly relevant in the aftermath of the pandemic This report follows on and is complementary to the earlier World Bank report A Glass Half Full the Promise of Regional Trade in South Asia *International Business in the Information and Digital Age* Rob van Tulder,Alain Verbeke,Lucia Piscitello,2018-11-16 The information and digital age is shaped by a small number of multinational enterprises from a limited number of countries This volume covers the latest insight from the International Business discipline on prevailing trends in business model evolution It also discusses critical issues of regulation in the new information and digital space

Schiedsgerichtsbarkeit und Investitionsschutzrecht im Hinblick auf die Transatlantische Handels- und Investitionspartnerschaft (TTIP) David Dörken,2015-07-29 Examensarbeit aus dem Jahr 2015 im Fachbereich Jura Europarecht Völkerrecht Internationales Privatrecht Note 15 Punkte Universität Münster Veranstaltung Seminar Verfassungsrechtliche Grundlagen der Sozial und Wirtschaftsordnung der Bundesrepublik Deutschland Sprache Deutsch Abstract Mit der geplanten Transatlantischen Handels und Investitionspartnerschaft Transatlantic Trade and Investment Partnership TTIP zwischen den USA und der Europäischen Union soll die größte Freihandelszone der Welt geschaffen werden Befürworter versprechen sich Wirtschaftswachstum und die Schaffung von Arbeitsplätzen Gegner kritisieren neben geringeren Hygiene und Umweltstandards vor allem die Investitionsschutzbestimmungen Im Rahmen derer wird ausländischen Unternehmen die Möglichkeit eingeräumt Staaten vor Schiedsgerichten zu verklagen Kritiker üben Besorgnis über die Errichtung von angeblichen Geheimgerichten und bevorstehende Klagewellen ausländischer Investoren Durch das Aussprechen von Schadensersatzsummen in Milliardenhöhe auf Grund von politischen Maßnahmen werden schließlich

verheerende Folgen für den Rechtsstaat befürchtet. Als warnendes Beispiel dient der aktuelle Fall des Energiekonzerns Vattenfall. Dieser ist auf Grundlage des Energie Charta Abkommens vor ein Schiedsgericht gezogen, da die Bundesrepublik Deutschland durch den Atomausstieg deren Gewinnerwartung geschmälert hatte und verlangt nun 4,7 Mrd. Euro Schadensersatz. Der Arbeit konzentriert sich auf die wesentlichen juristischen Fragestellungen im Zusammenhang mit einer Investitionsschiedsgerichtsbarkeit im Rahmen des TTIP. Es wird die Entwicklung der Schiedsgerichtsbarkeit nachgezeichnet und auf die Frage eingegangen, ob im Rahmen von TTIP überhaupt eine schiedsgerichtliche Streitbeilegung zwischen einem Investor und einem Staat ein sogenanntes Investor State Settlement Dispute (ISDS) möglich ist. Nachfolgend wird die Praxis und Besonderheiten der Schiedsgerichte im ISDS untersucht sowie spezielle Probleme im Zusammenhang mit dem Europa und Verfassungsrecht abschließend bezieht der Autor Stellung und nennt mögliche Perspektiven.

Internationale Individualkläger Patricia Wiater, 2020-10-27 Patricia Wiater behandelt den Status nichtstaatlicher Akteure im Völker und Europarecht anhand der prozessualen Autonomisierung natürlicher und juristischer Personen. Sie zieht das Wirtschaftsvölkerrecht als Referenzgebiet für eine umfassende rechtsvergleichende und historische Detailanalyse der Klagemacht internationaler Individualkläger heran. Neben der EU betrachtet sie afrikanische und amerikanische Systeme regionaler Wirtschaftsintegration und behandelt das Standing von natürlichen und juristischen Personen im Seevölkerrecht und im internationalen Investitionsschutz. Eine Kernerkenntnis ihrer Studie besteht darin, dass Individualkläger in höchst heterogener Masse mit Funktionen ausgestattet werden, die sich Staaten traditionell selbst vorbehalten hatten. Dagegen lässt sich eine weitgehende Kohärenz in der Spruchpraxis der betrachteten Gerichte ausfindig machen. Systemübergreifend werden Individualklagerechte über reine Rechtsschutzbelange hinaus auf eine Kontrolle staatlicher Legalität erstreckt. Die Autorin weist rechtstheoretische Wege auf, wie sich das derart entfaltete Rechtsprinzip einer umfassenden Parteifähigkeit des Individualklägers auch jenseits des Staatenkonsenses als tradierte Legitimationsbasis rechtfertigen lässt.

World Investment Report 2007 Transnational Corporations, Extractive Industries and Development United Nations, 2008

Global Political Economy Theodore H. Cohn, Anil Hira, 2025-05-05 Global Political Economy places the study of IPE in broad theoretical context, equally emphasizing theory and practice to provide a framework for analyzing current events and long term developments in the global economy. Andy Hira updates this essential book and the related instructor and student resources to cover recent global developments and shifts in scholarship. New and updated for the Ninth Edition. Provides an economics primer on how markets, interest and exchange rates work, comparative advantage and monetary and fiscal policy and material on getting a job in political economy. Includes the basic tenets of realism. Expands coverage on China, including on bipolarity, U.S. relations, security, economic tradeoffs, Taiwan, the Belt and Road Initiative and the failure of TPP. Discusses Russia's invasion of Ukraine and builds on the material on sanctions. Investigates the effects of the pandemic, including post pandemic inflation. Explores critical approaches to IR and different theoretical perspectives and gives more weight to the

Global South including postcolonialism and intersectionality Focuses more on climate change and the environment technological advances and migration Adds material on club goods cryptocurrencies labor rights global tax and offshoring socially responsible investment corporate social responsibility the Beijing Model the proposed global minimum tax ASEAN and the African Continental Free Trade Agreement Updates the tables figures graphics references and supplementary readings throughout Provides updated instructor resources including a Test Bank PowerPoint slides Exercises and an Instructor's Manual and a new student website with practice quizzes flashcards lecture videos and links to extensive additional resources including videos podcasts readings and data sources to support learning and engagement Praised for its authoritative coverage Global Political Economy is essential reading for both introductory and advanced IPE courses

interested in or already doing business in Korea

Global Trends of Modernization in Budgeting and Finance

Ushakov, Denis, 2018-11-30 Traditional financial markets are the most important lever of social and economic impact that can effectively regulate markets industries national economies and international economic interactions and form global and deeply integrated economic systems Due to the global spread of financial instability and waves of financial crises the problems of researching effective financial instruments to ensure national competitiveness becomes highly significant Global Trends of Modernization in Budgeting and Finance is a pivotal reference source that provides vital research on the impacts of financial globalization in the context of economic digitalization and national financial markets While highlighting topics such as entrepreneurship international business and socio economic development this publication explores modern conditions of rapid technological progress and financial market integration as well as the methods of increasing regional intergovernmental organization efficiency This book is ideally designed for policymakers financial analysts researchers academicians graduate level students business professionals entrepreneurs scholars and managers seeking current research on new challenges and developments in national financial markets

The Oxford Handbook of Industrial Hubs and Economic Development Arkebe Oqubay, Justin Yifu Lin, 2020 This Handbook illustrates the diverse and complex nature of industrial hubs and shows how industrial hubs promote industrialization economic structural transformation and economic catch up

Guide on incentives for responsible investment in agriculture and food systems Bulman, A., Cordes, K.Y., Mehranvar, L., Merrill, E., Fiedler, Y., 2021-05-14 Increased investment in agriculture and food systems from both the private and public sectors is critical to enhance food security and nutrition reduce poverty and adapt to climate change To generate sustainable benefits this investment must be responsible What role should investment incentives play in encouraging such investment This Guide helps to answer that question Specifically the Guide provides policymakers and government technical staff with guidance on how investment incentives can be used and how they should not be used to enhance responsible investment in agriculture and food systems The Guide provides an overview of responsible investment in agriculture and food systems examines common types of incentives offers general considerations on how incentives can be used and discusses how to plan for design monitor and evaluate investment incentives for responsible investment in agriculture and food systems

Global Business in Local Culture Philipp Aerni, 2018-12-08 This book examines the impact of multinational enterprises MNEs on local economies and presents selected case studies of MNEs operating in low income countries By balancing external social and environmental costs against its corresponding benefits the book demonstrates that MNEs can have a positive net impact on local development if they build up social capital by embedding themselves in local economies and engaging responsibly with local stakeholders By doing so MNEs contribute to inclusive growth a central pillar of the UN Sustainable Development Goals In this context the book challenges popular narratives in civil society and academia that frame foreign direct investment FDI merely as a threat to human rights and sustainable development Moreover it offers

practical guidance for globally operating businesses seeking to establish progressive Corporate Social Responsibility CSR strategies of their own
