World Religions And Cults Counterfeits Of Christianity Volume 1:

World Religions and Cults Volume 1 Bodie Hodge, Roger Patterson, 2015-08-13 Religions in today's culture seem to be multiplying. Have you ever wondered why certain religions believe and practice what they do? Or how they view the Bible? This volume delves into these and other engaging questions such as: How can a Christian witness to people in these religions? Do these other religions believe in creation and a Creator? How do we deal with these religions from a biblical authority perspective? Many religions and cults discussed in this first volume openly affirm that the Bible is true but then something gets in their way. And there is a common factor every time man's fallible opinions in one way or another the Bible gets demoted, reinterpreted or completely ignored. Man's ideas are used to throw the Bible's clear teaching out the window while false teachings are promoted. This book is a must for laymen, church leaders, teachers and students to understand the trends in our culture and around the world where certain religions dominate, helping you discern truth and guard your faith. When you understand a religion's origins and teachings you are in a better position to know how to proclaim the gospel of Jesus Christ as you take the good news to those in false religions. [World Religions and Cults Volume 1](#) Ken Ham, 2015-08-13

This eye-opening first volume presents a clear and thorough analysis of counterfeit religions like Mormonism, Islam, Deism, Jehovah's Witnesses, Zoroastrianism and many more. **World Religions and Cults Volume 3** Bodie Hodge, Roger Patterson, 2016-11-30 This final book in the series focuses on the atheistic or humanistic type of religions. It would be one of the most valuable for the church in the Western World where anti-god and pro-evolution religions are beginning to explode for it was written to refute those religions and show how they fail. Unlike most books on world religions, this title dives into the secular humanistic religions. The book starts with God's Word as the absolute authority. In doing so, God becomes our guide to refute false religions. Humanistic religions are all around us and we need to be able to spot their tenets and oppose them instead of allowing them to subtly infiltrate our Christianity and undermine us from within. We need to know how to refute these humanistic religions. We need to know how to effectively present the gospel to people who have been deceived by humanistic religions. **World Religions & Cults Volume 2** Bodie Hodge, Roger Patterson, 2016-05-02 Religions of the Far East like Hinduism, Buddhism and New Age have been gaining a foothold in the Western world. We even see witchcraft on the rise and paganism infiltrating the minds of the next generation even in Christian homes. Why is that? How can a Christian respond? We already know how the one true God has responded and in this title you will learn how a Christian can effectively witness for Christ. How to refute these false religions. What it truly is that these religions teach and why. The Christ follower should be set at ease knowing that all other gods are false as the all-knowing God of Scripture has revealed that He is the only God. Therefore, this volume dives into these styles of religions and looks at their origins and their basic tenets as well as why they fall so short. Understanding the basic tenets of these religions helps the Bible believer see the flaws in these philosophies. In this way, one can better discern how to be an effective witness for Jesus Christ while standing on the authority

of the Bible World Religions and Cults Volume 2 Bodie Hodge,2016-05-01 Recognize and refute the Far East false religions What do these religions teach and why How can a Christian be an effective witness for Jesus Christ when presented with ideas that are so different from a biblical perspective How can these religions be refuted and biblical authority be the standard This eye opening second volume deals with many Eastern religions like Hinduism Taoism New Age Sikhism Confucianism Shinto and Buddhism as well as other pagan based systems like Witchcraft Voodoo and Greek mythology and many more This volume dives into these styles of religions and looks at their origins and their basic tenets as well as why they fall so short Understanding the basic tenets of these religions helps the Bible believer see the flaws in these philosophies and discern how to be an effective witness for Jesus Christ while standing on the authority of the Bible **The Museum of the Bible** Cavan Concannon,Jill Hicks-Keeton,2019-06-21 Bringing together nationally and internationally known scholars The Museum of the Bible A Critical Introduction analyzes the Museum of the Bible in Washington D C from a variety of perspectives and disciplinary positions including biblical studies history archaeology Judaic studies and religion and public life The Museum of the Bible is poised to wield unparalleled influence on the national popular imagination of the Bible s contents history and uses through time This volume provides critical tools by which a broad public of scholars and students alike can assess the Museum of the Bible s presentation of its vast collection and wrestle with the thorny interpretive issues and complex histories that are at risk of being obscured when private funds put a major museum near the National Mall

King Solomon's Empire: The Rise, Fall, and Modern-Day Influence of an Iron-Age Ruler

Archie W. N. Roy PhD, Margaret P. Roy, 2022-10-18 King Solomon is known as the wisest and richest man to have ever lived but who was this man really? Even though we read his words in the Bible, this man who was the son of the man after God's own heart remains a mystery to this day. Even his death is veiled in conspiracy theories. How could a man who was granted his greatest wish by God Himself be so enamored with the pleasures of this world, hungry for sex, power, and more wealth? In King Solomon's Empire, Archie and Margaret Roy take an in-depth look into the life of the wise king and the kingdom he led. Through this study, the reader will come to understand the time in which King Solomon ruled, enter into the temple that he built for his God, and follow his path to a life of striving after wind. While the mystery still remains unsolved, perhaps the reader will come to learn some lessons from the man and avoid some of the pitfalls in their own life as there is truly nothing new under the sun.

Dinosaurs, Dragons, and the Bible Bodie Hodge, 2023-05-09 Dinosaurs, Dragons, and the Bible is a one of a kind Christian apologetic resource sure to captivate families, scientists, historians, and theologians. Using the Bible as the absolute authority, Bodie Hodge of Answers in Genesis, the Creation Museum, and the Ark Encounter provides answers to the most asked questions about these amazing creatures. As Christians, we must not ignore what the Scriptures say about dinosaurs and dragons and accept the secular world's wisdom. This ProBible handbook offers fascinating answers based on fossil footprints, soft tissue, biblical references to dragons, serpents, and leviathans, and much more. Go beyond the Hollywood version of these magnificent creatures to discover the truth of these icons of Creation and testaments of God's power in the Genesis Flood. Designed for almost all ages, the book answers questions such as: How Did Huge Dinosaurs Fit on the Ark? Are Dinosaurs and Dragons the Same Thing? How Do I Use the Bible as the Framework to Look at Dinosaurs? Were Dinosaurs on Noah's Ark and Did Any Go Extinct Before the Flood? Are Dinosaur Fossils in the Cretaceous, Jurassic, and Triassic Rock Millions of Years Old or from the Flood? Why Don't We Find the Word Dinosaur in the Bible? Are There Any Human and Dinosaur Fossils Buried Together? Dinosaurs are nearly synonymous with evolution in the minds of much of the world. Studying these answers will help Christian families, church leaders, scientists, and theologians develop greater faith in the infallibility of God's Word and His role as Creator. A Note from the author Bodie Hodge: I want to encourage parents and churches to be able to respond biblically to the secular attacks, war on our children. So as any good General would do in times of war, we need to study our opponent and know exactly what the secular side is teaching our children. Then get equipped.

with solid biblical answers from our highest commanding officer God and His Word to defend our children against the attacks Then teach this knowledge diligently and apologetically to the next generation like parents and churches are supposed to do e g Ephesians 6 4 11 2 Timothy 3 16 17 *Major Cults and False World Religions* Steve Urick,2011-03 Cults and false religions are dangerous They preach a false gospel and lead people into a false spirituality Their victims are kept blinded from the true gospel of Christ while they are held in bondage to whatever false belief system and legalistic practices they must maintain Major Cults and False World Religions reveals several key characteristics that make them unbiblical It also exposes several major false cults and religions that have the majority of the world s population deceived and headed for Hell This book is the result of thirty one years of evangelism work studying comparative religions and apologetic research and debate It will equip you with a basic understanding of what each group believes and how to clearly discern and refute many of their unscriptural teachings and attacks *Practical Christian Living* Steve Urick,2011-11-30 Christians face many issues after they have been saved by God s grace Knowing God loving Him and people living holy lives questions about sex dating marriage divorce and the role of civil government and the local church are just a few Practical Christian Living discusses these life topics and teaches Christians how to deal with overcoming sin It also gives advice on how to live under God ordained authority Whether you are an old or new believer this popular book will equip you with a basic understanding of God s plan and help you grow in grace and knowledge of Christ in order to live a life that is wise fruitful and pleasing to God It will also help you to do the work of discipling others **Ex Auditu - Volume 12** Klyne Snodgrass,2004-06-23 Ex Auditu began as the journal incorporating the papers of the Fredrick Neumann Symposium of Princeton Theological Seminary After the first four volumes the journal began publishing the papers from the North Park Symposium on the Theological Interpretation of Scripture The intent from the first has been to provide a forum for doing interdisciplinary theology from a biblical perspective for the benefit of the Church Each annual publication focuses on a topic crucial to the life of today s Church Additionally each issue contains an annotated bibliography and a sermon which makes it a practical guide for pastors EDITOR Dr Stephen Chester Associate Professor of New Testament North Park Theological Seminary EDITOR EMERITUS Dr Klyne R Snodgrass Paul W Brandel Professor of New Testament Studies at North Park Theological Seminary ASSOCIATE EDITOR Dr D Christopher Spinks Acquisitions Editor at Wipf and Stock Publishers EDITORIAL BOARD Terence E Fretheim Luther Seminary St Paul MN Richard B Hays Duke Divinity School Durham NC Jon R Stock Wipf and Stock Publishers Eugene OR Miroslav Volf Yale Divinity School New Haven CT John Wipf Wipf and Stock Publishers Eugene OR SUBSCRIPTION INFORMATION Individuals U S A and all other countries in U S funds 20 00 Students 12 00 Institutions 30 in the U S and 40 for international shipments in U S funds To subscribe Send pertinent information to Wipf and Stock Publishers at orders wipfandstock com and indicate your preferred method of payment Back issues are available through Wipf and Stock Publishers Symposium on the Theological Interpretation of Scripture at North Park DETAILS For more
