A CRITICAL ANALYSIS  
WILLIAM BUTLER YEATS

# Yeats The Autobiographer A Dialogue Of Self And Soul

**Jianjun Gao**

## **Yeats The Autobiographer A Dialogue Of Self And Soul:**

The Oxford Handbook of W.B. Yeats Lauren Arrington, Matthew Campbell, 2023-05-30 The forty two chapters in this book consider Yeats's early toil his practical and esoteric concerns as his career developed his friends and enemies and how he was and is understood This Handbook brings together critics and writers who have considered what Yeats wrote and how he wrote moving between texts and their contexts in ways that will lead the reader through Yeats's multiple selves as poet playwright public figure and mystic It assembles a variety of views and adds to a sense of dialogue the antinomian or deliberately divided way of thinking that Yeats relished and encouraged This volume puts that sense of a living dialogue in tune both with the history of criticism on Yeats and also with contemporary critical and ethical debates not shirking the complexities of Yeats's more uncomfortable political positions or personal life It provides one basis from which future Yeats scholarship can continue to participate in the fascination of all the contributors here in the satisfying difficulty of this great writer

Critical Companion to William Butler Yeats David A. Ross, 2014-05-14 Examines the life and writings of William Butler Yeats including a biographical sketch detailed synopses of his works social and historical influences and more

Yeats Annual No 6 Warwick Gould, 2016-07-27 This research level publication for current thought and documentation upon the life and work of Yeats focuses on Yeats at work on various manuscripts and on his tours of America Two of his poems are published from manuscript for the first time

After Ontology William D. Melaney, 2001-04-19 Offers a reconsideration of modernism in both philosophy and literature

English Literature in Transition, 1880-1920, 1983

**Achieving Autobiographical Form** Nicholas Meihuizen, 2016-01-27 In *Achieving Autobiographical Form* Nicholas Meihuizen argues that significant autobiographies achieve significant forms peculiar to themselves alone Form he argues is not accidental or merely functional The author arrives at a form through a careful negotiation between the self's immersion in its world and its ability to distance itself from this world The quality of the resultant self scrutiny enables the author to transform everyday reflex into the act of attention that results in formal achievement a uniquely crafted structure Meihuizen's book helps demonstrate how each piece of autobiographical writing under consideration in it works by Yeats Conrad Martin Amis Frank Kermode Andrew Motion Roy Campbell Richard Murphy and J M Coetzee discovers a unique form

Memoirs [of] W. B. Yeats: Autobiography [and] First Draft Journal William Butler Yeats, 1972 1st draft of Autobiography written 1915 1916 Journal written 1908 1930

A History of Irish Autobiography Liam Harte, 2018-03-01 A History of Irish Autobiography is the first ever critical survey of autobiographical self representation in Ireland from its recoverable beginnings to the twenty first century The book draws on a wealth of original scholarship by leading experts to provide an authoritative examination of autobiographical writing in the English and Irish languages Beginning with a comprehensive overview of autobiography theory and criticism in Ireland the History guides the reader through seventeen centuries of Irish achievement in autobiography a category that incorporates diverse literary forms from religious tracts and travelogues to

letters diaries and online journals This ambitious book is rich in insight Chapters are structured around key subgenres themes texts and practitioners each featuring a guide to recommended further reading The volume s extensive coverage is complemented by a detailed chronology of Irish autobiography from the fifth century to the contemporary era the first of its kind to be published **The Culture of Autobiography** Robert Folkenflik,1993 Focusing primarily on the period from the eighteenth century to the present this interdisciplinary volume takes a fresh look at the institutions and practices of autobiography and self portraiture in Europe the United States and other cultures **Rhyme and Meaning in the Poetry of Yeats** Marjorie Perloff,2019-03-18 No detailed description available for Rhyme and Meaning in the Poetry of Yeats

**The Science of Fiction and the Fiction of Science** Frank McConnell,2009-02-12 A member of the Pulitzer Prize jury the late Frank McConnell helped science fiction gain standing as serious literature His 16 essays herein were first presented as papers at the prestigious Eaton Conferences Initially believing that science fiction is primarily one of many forms of storytelling McConnell gradually recognized science fiction as a modern expression of Gnosticism rejecting bodily concerns for an emphasis on spirituality **The Reception of W. B. Yeats in Europe** K. P. S. Jochum,2006-10-06 A pioneering scholarly collection of essays outlining W B Yeats reception and influence in Europe *Yeats's Poetic Codes* Nicholas Grene,2008-06-12 Nicholas Grene explores Yeats s poetic codes of practice the key words and habits of speech that shape the reading experience of his poetry Where previous studies have sought to decode his work expounding its symbolic meanings by references to Yeats s occult beliefs philosophical ideas or political ideology the focus here is on his poetic technique its typical forms and their implications for the understanding of the poems Grene is concerned with the distinctive stylistic signatures of the Collected Poems the use of dates and place names within individual poems the handling of demonstratives and of grammatical tense and mood certain nodal Yeatsian words dream bitter sweet and images birds and beasts dialogue and monologue as the voices of his dramatic lyrics The aim throughout is to illustrate the shifting and unstable movement between lived reality and transcendental thought in Yeats the embodied quality of his poetry between a phenomenal world of sight and an imagined world of vision W. B. Yeats K. P. S. Jochum,1990 This bibliography is the second revised edition of a book first published in 1978 under a somewhat different title Apart from correcting mistakes the second edition extends the coverage of material until 1986 and includes many items from 1987 and 1988 It also adds numerous items that should have been included in the first edition but had somehow escaped my notice **The Road of Danger, Guilt, and Shame** Carol Efrati,2002 The commentaries of other critics are taken into account but the author also presents her own explications based on her close reading and wide knowledge of literature **BOOK JACKET** *Mirrors of Our Playing* Thomas R. Whitaker,1999 Examines the major paradigms that have influenced modern English speaking theater **Editing Yeats's Poems** Richard J Finneran,1989-12-11 This study is a companion to the revised edition of W B Yeats The Poems A New Edition Professor Finneran outlines the complex problems facing an editor of Yeats s poetry and explains the solutions adopted in the new text

Manuscript materials are drawn on extensively including some which have recently come to light in the Scribner Archives at the University of Texas and at Princeton University Compared with the first edition of this volume Editing Yeats's Poems 1983 there is an additional chapter on the order of the poems as well as new information on the Scribner Edition and other revisions throughout

Power, Plain English, and the Rise of Modern Poetry David Rosen, 2008-10-01 DIV In this engaging book David Rosen offers a radically new account of Modern poetry and revises our understanding of its relation to Romanticism British poets from Wordsworth to Auden attempted to present themselves simultaneously as persons of power and as moral voices in their communities The modern lyric derives its characteristic complexities psychological ethical formal from the extraordinary difficulty of this effort The low register of our language a register of short concrete native words arranged in simple syntax is deeply implicated in this story Rosen shows how the peculiar reputation of plain English for truthfulness is employed by Modern poets to conceal the rift between their probably irreconcilable ambitions for themselves With a deep appreciation for poetic accomplishment and a wonderful iconoclasm Rosen sheds new light on the innovative as well as the self-deceptive aspects of Modern poetry This book alters our understanding of the history of poetry in the English language div

**The Paths of Poetry** Louis Untermeyer, 2000-06 Louis Untermeyer the American poet perhaps most familiar with the lives and works of the great writers in the English language tells of the touching humorous and dramatic incidents which have made up the lives and contributed to the poetic genius of each of twenty-five poets from Chaucer to Frost These are the unacknowledged legislators music makers movers and shakers poets who have influenced our ideas affected our emotions and enriched our language The chapters not only tell the stories of their lives but also relate their lives to their poems and reveal how and why they wrote the way they did This work aims to show what the poets meant to the development of literature and most of all what they mean to us
