wondering at similarities across the board Here he focuses on Little People and giants animals and were creatures and the odd helpful or threatening ways imputed to our earthly companions including dogs and cats bats and spiders and the stories people have told each other about them since time immemorial His Name Is One Jeff A. Benner,2003 When we read an English translation of the Bible we define the words within it according to our modern vocabulary allowing our culture and language to influence how we read and interpret the Bible The Bible was written by ancient Hebrews whose culture and language was very different from our own and must be read and interpreted through their eyes When we define the names of God using our culture and language we lose the Hebraic meanings behind the original Hebrew names of God Consequently the true nature and character of God is hidden behind the veil of time and culture By understanding the various names of God through the vocabulary and language of the ancient Hebrews the nature and character of God is revealed to us in a new light The prophet Zechariah described the character of God with the words sh mo ehhad translated as His Name is One Zechariah 14 9 This phrase beautifully describes the character of God from a Hebraic perspective that is lost to us through translation and unfamiliarity with ancient Hebrew culture **Where I Stand-Back to the Basics of the Word** Teresa M. The Truth Behind Truths Volume I Cedric Boswell,2013 Who are the Jews and Israelites of the Bible and why do they matter The Bible records their early history and offers a guide to identifying them today but more is needed to truly understand their significance In The Truth behind Truths author Cedric Boswell shares the history of the Jews as revealed in the Bible He asks pertinent questions not often seen in typical histories and provides Scriptures in support of his answers Beginning with Adam Boswell relates different stories of Jews in the Bible and how they are truly the chosen people of God Boswell argues that those who currently call themselves Jews do not fit the historic evidence in their looks or how they were dispersed from Israel He discusses skin pigmentation and explains that many of the early Jewish people were black and not white He then explores the subject of God s elect the genealogy of the Jews and the tribes of Israel In the last section Boswell tackles the heavy yet crucial subject of redemption An unorthodox and intriguing study The Truth behind Truths seeks to open your eyes to new questions and new perspectives on the Jews of the Bible

For the Potential Christian Miranda L. Turner,2021-01-22 In a world plagued by death evil and disease there is good news If your life is darkened by depression grief or fear there is hope Hope is found in a life surrendered to Jesus Christ He comforts us in times of trouble and makes a way for us in times of need He is a friend to the friendless and a mender of broken hearts Jesus desires a love relationship with each of us That s why there s a longing in us that yearns for something we can t put our finger on That longing is for God The creation needs fellowship with its Creator and vice versa But many don t understand the basic aspects of the Christian life and some don t believe they can live up to the expectations This causes them to keep God at a distance and reject his gift of salvation But not knowing the truth has eternal consequences For the Potential Christian explains the basics of Christianity in simple easy to understand language Whether you re seeking God or you re a new believer this book will start you on the path to an eternal lifelong relationship with our Creator
