McMillam, 2011-12-05 The hajj the fifth pillar of Islam is a religious duty to be performed once in a lifetime by all Muslims who are able The Prophet Muhammad set out the rituals of hajj when he led what became known as the Farewell Hajj in 10 AH 632AD This set the seal on Muhammad s career as the founder of a religion and the leader of a political entity based on that religion The convergence of the Prophet with the politician infuses the hajj with political as well as religious significance For the caliphs who led the Islamic community after Muhammad s death leadership of the hajj became a position of enormous political relevance as it presented them with an unrivalled opportunity to proclaim their pious credentials and reinforce their political legitimacy Exhaustively researched The Meaning of Mecca is the first study to analyse the leadership of the hajj in the formative and medieval periods and to assess the political subtext of Islam s most high profile religious ritual

Reinventing Jihād Kenneth A. Goudie, 2019-07-29 In Reinventing Jih d Kenneth A Goudie provides a detailed examination of the development of jih d ideology from the Conquest of Jerusalem to the end of the Ayy bids c 492 1099 647 1249 By analysing the writings of three scholars Ab al asan al Sulam d 500 1106 Ibn As kir d 571 1176 and Izz al D n al Sulam d 660 1262 Reinventing Jih d demonstrates that the discourse on jih d was much broader than previously thought and that authors interwove a range of different understandings of jih d in their attempts to encourage jih d against the Franks More importantly Reinventing Jihad demonstrates that whilst the practice of jih d did not begin in earnest until the middle of the twelfth century the same cannot be said about jih d ideology interest in jih d ideology

The Quṣṣās of Early Islam Lyall R. Armstrong, 2016-10-11 The Islamic q preacher storyteller has been viewed most commonly as a teller of stories

primarily religious in nature and often unreliable Building on material of over a hundred years from the rise of Islam through the end of the Umayyad period this book offers the most comprehensive study of the early Islamic period to date By constructing profiles of these preachers storytellers and examining statements attributed to them it argues that they were not merely storytellers but were in fact a complex group with diverse religious interests The book demonstrates how the style and conduct of their teaching sessions distinguished them from other teachers and preachers and also explores their relationship with early religious political movements as well as with the Umayyad administration **“An Inspired Man”**, 2024-02-19 This volume is dedicated to Professor Joshua Blau of blessed memory The articles included therein written by his students and fellows all deal with the Judeo Arabic language and its associated culture Among them are articles dealing with language lexicography cross cultural relations biblical translation prayer law and poetics The wide scope of material in this volume attests to the richness and breadth of Judeo Arabic as well as to the expansive range of fields studied by Professor Blau himself Studies on the Life of Muhammad and the Dawn of Islam Michael Lecker, 2023-10-31 This volume includes 20 articles published between 1994 and 2020 on the subject of Muhammad and the history of early Islam covered in five sections Arabia on the Eve of Islam Muhammad at Medina Muhammad and the Jews Muhammad ibn Isma'il and the Syrians and studies on early Islamic literature The book focuses on a variety of historical questions from the presumed Ghassanid Byzantine involvement in the hijra to Muhammad's treaties with the main Jewish tribes of Yathrib Medina Predilection for detail especially in the realms of genealogy and geography is a salient characteristic of Lecker's research which in recent years has been increasingly based on digitized text repositories Many of the articles deal with the social and economic environment of early Islam which is vital for the study of Muhammad's biography They are conceived of as building blocks in a future critical biography of the Arabian prophet Studies on the Life of Muhammad and the Dawn of Islam will appeal to those interested in the history of pre and early Islam with an emphasis on Muhammad's life and his relations with the Jews of Arabia *Prophet Muhammad and His Life of Compassion* Reşit Haylamaz, 2021-01-12 The Messenger of God is for Muslims in every aspect of his life an unfailing guide that we need to follow meticulously He was sent to the world as a Messenger for all who would live and breathe on earth until the Last Day and led a full life with the potential to solve every possible problem His days of Prophethood are akin to compressed files with each page that is opened new windows and doors are opened and new alternative solutions presented which are commensurate with our intention and clarity of vision Byzantine Papers Elizabeth Jeffreys, Michael Jeffreys, Ann Moffatt, 1981-01-01 Proceedings of the First Australian Byzantine Studies Conference Canberra 17-19 May 1978 edited by Elizabeth and Michael Jeffreys and Ann Moffatt
