Managing VUCA Through Integrative Self-Management Sharda S. Nandram,Puneet K. Bindlish,2017-05-06 In this book experts discuss whether volatility uncertainty complexity and ambiguity VUCA represent a challenge or a business opportunity More intense debates on global climate change increased turbulence in financial quarters increased job insecurity and high levels of stress at the workplace are attracting attention in the context of organization behavior and entrepreneurship Fear and confusion have become part and parcel of business often undermining trust cooperation and inspiration As a response a new way of organizing self management has emerged The book combines practical wisdom from East and West to develop integrative self management theory and practice provides direction to support an integrative mind set integrative organization and integrative leadership and presents VUCA as an opportunity and necessity for development and growth rather than a threat

Unseeing Empire Bakirathi Mani,2020-10-26 In *Unseeing Empire* Bakirathi Mani examines how empire continues to haunt South Asian American visual cultures Weaving close readings of fine art together with archival research and ethnographic fieldwork at museums and galleries across South Asia and North America Mani outlines the visual and affective relationships between South Asian diasporic artists their photographic work and their viewers She notes that the desire for South Asian Americans to see visual representations of themselves is rooted in the use of photography as a form of colonial documentation and surveillance She examines fine art photography by South Asian diasporic artists who employ aesthetic strategies such as duplication and alteration that run counter to viewers demands for greater visibility These works fail to deliver on viewers desires to see themselves producing instead feelings of alienation estrangement and loss These feelings Mani contends allow viewers to question their own visibility as South Asian Americans in U S public culture and to reflect on their desires to be represented

Writing, Retelling, and Critically Reading Children's and Young Adult Tales Bernard Montoneri,2025-06-24 This edited collection traces the evolution of writing retelling and critically reading children s and young adult tales over decades of cultural social and technological changes Global contributions cover the increasingly diverse narratives found in children s literature including how contemporary authors challenge traditional gender roles found in fairy tales through modern increasingly prevalent retellings Chapters also consider the psychological impact of storytelling on children and how narratives can provide children with frameworks for understanding their emotions and experiences
