What Ted Did Frances J. Armstrong, 2017-03-13 WHAT TED DID The Story of America s Most Prolific Serial Killer Ted Bundy Picture in your mind a serial killer Think of someone who has reached the depths of human evil who has not only committed murder but has done it over and over again What if this thing that walked among us was indistinguishable from a normal person They had no lazy eyes or menacing size no awkwardness about them In fact what if this person were handsome Instead of some basement dwelling monster living on rats this was a man that had good skin and hair who had a reassuring and calm voice and a face that seemed friendly This is not a science fiction story nor the story of a chameleon or shapeshifter Such evil once walked among humanity undetected even as he committed his awful crimes His name was Ted Bundy This book explores his life and crimes Harrowing honest and a gripping read 5 stars Ted Bundy Tom King, 2017-07-28 If you want a view into the mind of a serial killer and America s most notorious at that then Ted Bundy The Crimes Of America s Most Notorious Serial Killer is for you As you look back at Bundy s childhood after digesting what he did to his unknown number of female victims then behaviors such as playing with knives and placing them around his sleeping aunt take on a new meaning Which was more influential in contributing to his killing behavior between the deception about his parentage and his letdown when Stephanie Brooks dumped him when the two were dating in college Can we know anything meaningful or significant from a man whose testimony to various people through the years consists as much of contradiction as it does statements of fact By all accounts it is hard to point to or single out any one specific episode in his life that would have sent him out on a murderous course at the beginning of his adult life Bundy s story is full of disguise deception evasion and a bizarre quest for control on all levels where others were concerned This compelling account sheds light on the details of the life of the man whose sequence of killings provided the blueprint for investigating mass murderers Scroll to the top of the page and click Add To Cart to read more about this extraordinary chapter of history **Ted Bundy** United States.
