**Take Your Glory Lord** Mary Garnett,2022-07 The Story of William Duma a humble Zulu pastor who so depended on the Lord that his ministry was filled with God s miraculous power The author worked in South Africa and learned of the healing ministry of William Duma at the Umgeni Road Baptist Church in a low income area of Durban Struck by his humility she was led to write his story a work completed a short time after he died in Durban in 1977 Originally published in 1979 in South Africa reprinted in Australia in 1992 and in the UK in 2000

*"Take Your Glory Lord"* Mary Garnett,1979

*Why I Am Still Surprised by the Power of the Spirit* Jack S. Deere,2020-04-07 In his classic *Surprised by the Power of the Spirit* Jack Deere looked at the reason why many Christians including himself at the time struggle to believe in miraculous gifts and he provided a groundbreaking biblical defense of the Holy Spirit s speaking and healing activities today In *Why I Am Still Surprised by the Power of the Spirit* the former Dallas Seminary professor revisits his earlier subject matter with fresh insight and even stronger conviction the Scriptures teach that God is healing and speaking today just as he did 2 000 years ago Having almost entirely rewritten *Surprised by the Power of the Spirit* this new edition comes at a time when the theological landscape has dramatically changed and most evangelicals do believe in all the gifts of the Spirit But many of us are still unsure how to understand those gifts and there is much confusion today on what it means to be filled with the Spirit This book is for those familiar with Deere s work and for newcomers alike In it he Explains the nature of spiritual gifts defining each of them Offers sound advice on discovering and using spiritual gifts in church Tells documented stories of modern miracles and encounters with demonic powers Examines the New Testament use of the phrase filled with the Spirit to show why and how God still fills his servants with the Holy Spirit Introduces the newest literature defending and explaining the gifts of the Spirit With the care of a scholar and the passion of personal experience this new edition builds upon the legacy of *Surprised by the Power of the Spirit* and the profound impact it s had among Christians of many traditions

*Surprised by the Power of the Spirit* Zondervan,2010-08-10 What caused a former Dallas Seminary professor to believe that the miraculous gifts of the Holy Spirit are being given today What convinced someone skeptical about miracles that God still speaks and heals A dramatic change took place in Jack Deere s life when he took a fresh look at the Scriptures He discovered that his cherished arguments against miraculous gifts were based more on prejudice and a lack of personal experience than on the Bible As soon as Deere became a seeker instead of a skeptic the Holy Spirit revealed himself in new and surprising ways In *Surprised by the Power of the Spirit* Jack Deere provides a strong biblical defense for the Spirit s speaking and healing ministries today He also describes several reliable cases of people who were miraculously healed or who heard God speak in an unmistakable way Finally he gives sound advice for using spiritual gifts in the church Written in

popular style with the care of a scholar but the passion of personal experience this book is a vital resource for people on both sides of the debate about miraculous gifts

**Vinculum Amoris** David Williams,2004-05 Christianity is not just a set of moral commands It is not just belonging to a church It is not just remembering its founder of long ago It is all of these but far more it is a vital relationship with a living and loving God And it is the Holy Spirit third Person of the God head who makes this happen Vinculum amoris is Latin for bond of love which describes the essential activity of the Spirit Because the Spirit links us to God he saves us guides and empowers us He enlivens our worship such as in baptism and the Lord s Supper He stimulates our praying and gives gifts to deepen the quality of our lives and service to God Because he links us to God we are linked to each other in a deeper way Enriching yes And the more that we understand how the Spirit does it the deeper this enriching will be The author s prayer is that this book will do just that for God s people and for his Church *Sanctus* David T Williams,2010-12-06 Even a cursory glance at the moral state of society and regrettably often including the Church shows a remarkable lack of holiness Yet God commanded us to be holy as he is holy Is not the lack of holiness at the root of much of the weakness of today s church This in depth study of sanctification centres on what God Father Son and Holy Spirit has done to make us holy and what the Christian response should be It understands sanctification as both demanded by and dependent upon justification an ongoing process coupled with distinct events of grace Christ has died for us to enable forgiveness sanctification is the development of the life of Christ in us A feature of the book is its provision of several illustrations of the path of Christian sanctification

**Inside Out** David Henderson,2016-11-02 This book is written for my sons and is a patchwork of my thoughts prayers journal entries and emails These emails etc were written to family friends and the youth group students I have had the privilege of getting to know and love for the past 25 years Some of the questions I get are about creation evolution the deity of Christ the end times as well as personal issues such as sexual purity and how to live a holy life Part of the book is also about the journey God has brought me through in my personal life My hope is that however God uses this book that it pleases and glorifies Him

Keener,2011-11-01 Christianity Today 2013 Book Award Winner Winner of The Foundation for Pentecostal Scholarship s 2012 Award of Excellence 2011 Book of the Year Christianbook com s Academic Blog Most modern prejudice against biblical miracle reports depends on David Hume s argument that uniform human experience precluded miracles Yet current research shows that human experience is far from uniform In fact hundreds of millions of people today claim to have experienced miracles New Testament scholar Craig Keener argues that it is time to rethink Hume s argument in light of the contemporary evidence available to us This wide ranging and meticulously researched two volume study presents the most thorough current defense of the credibility of the miracle reports in the Gospels and Acts Drawing on claims from a range of global cultures and taking a multidisciplinary approach to the topic Keener suggests that many miracle accounts throughout history and from contemporary times are best explained as genuine divine acts lending credence to the biblical miracle reports *The Man in*
