publishers And then there s Anthony Cheetham Richard Dawkins In November 1966 by way of Mexico City Eton College Balliol College Oxford and a Norwegian raspberry farm Anthony Cheetham entered the doors of a publishing company for the first time to begin work as a junior editor Fifty eight years later he could look back on a career in which he had shaped the landscape of post war British publishing to a significant degree having established such prominent and notably successful companies as Century Orion Quercus and Head of Zeus and launched imprints from Abacus in 1973 to Zephyr in 2017 that continue to flourish in the third decade of the twenty first century Starting with Homer s Odyssey and ending with works by the evolutionary biologist Richard Dawkins and the German historian Ernst Kantorowicz Anthony Cheetham has selected fifty books as mileposts with which to map the course of his long and productive career Many of these are titles that he himself published Dune The Thorn Birds A Suitable Boy Meetings with Remarkable Trees The Girl with the Dragon Tattoo some are books he wished he had published Stephen Hawking s A Brief History of Time others are simply masterworks that left an indelible mark on him The Lord of the Rings War and Peace A Life in Fifty Books is an affectionate and revelatory account of a publishing life remarkable for its longevity its entrepreneurial energy and for the breadth and catholicity of its output which runs the gamut of seriousness from academically distinguished works of history science and philosophy to Confessions

of a Window Cleaner Full of encounters with remarkable individuals as well as extraordinary books and embellished with beautiful photographs of book jackets from the 1950s to the present day A Life in Fifty Books is an engagingly written survey of an industry which in its author's well chosen words offers its practitioners a passport to roam across the entire spectrum of human experience endeavour and belief

The Short Story Andrew Kahn, 2021-12-09 What defines a modern short story is much more than a question of length Despite the efforts of early pioneers like Edgar Allan Poe the genre was originally synonymous with the anecdote or tale and seen more as entertainment than art However it has become far more than that and this Very Short Introduction considers afresh the form's ongoing innovations in plot construction capacity for psychological insight and ability to offer intensely concentrated perceptions This book charts the rise of the short story from its original appearance in magazines and newspapers largely in the United States and Great Britain For much of the nineteenth century tales were written for the press and the form's history is marked by engagement with popular fiction From the later nineteenth century the short story earned a reputation for its skillful use of plot design and character study distinct from the novel After the First World War it found outlets in high brow publications and single author collections as well as anthologies were regularly published Exploring the form's techniques and themes Andrew Kahn considers the continuity and variation in key structures and techniques such as the beginning the creation of voice the ironic turn or plot twist and how writers manage endings Throughout he draws on examples from an international and flourishing corpus of work with close analysis of classic and lesser known stories by American Canadian Irish Australian Russian and French masters such as James Baldwin Grace Paley Alice Munro Elizabeth Taylor William Trevor Helen Garner Chekhov and Guy de Maupassant Very Short Introductions Brilliant Sharp Inspiring ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable

 human survival adventure and exploration chosen by Levison Wood We are always captivated by tales of courage and bravery
 of world firsts and death defying experiences In this anthology explorer and bestselling author Levison Wood has gathered
 100 of the most fascinating accounts of human endurance throughout history From the heroism of Antarctic explorers to
 pioneering women in the Middle East from record breaking athletes to survivors of war and torture this wide ranging
 collection embraces both classics of the genre as well as new and neglected voices The extracts are organised around a
 range of themes you will find those who sought out new frontiers or who purposely tested their physical limits in full
 knowledge of the dangers or risks they might face but also those who endured persecution and suffering or were thrust into
 life or death situations yet defied the odds to survive Endurance is packed full of you couldn't make it up true stories and
 adventure fiction classics from the high seas to the poles from inhospitable jungles and deserts to the unknown realms of
 space through physical and mental despair to euphoric highs Yet all of these extraordinary stories celebrate the enduring
 nature of the human spirit and show the mental and physical determination it sometimes takes to achieve one's aims This
 varied and compelling collection will take you on an adventure around the world but also on an emotional journey exploring
 what it means to be human Includes extracts about and by Ernest Shackleton Robert Falcon Scott Sir Edmund Hillary

 Delaney, 2025-03-28 This original new study explores the recent flowering of short fiction in Ireland analysing the production
 dissemination and reception of the short form in the twenty first century and reading contemporary short stories in their
 many configurations and guises This volume covers twenty five years of Irish writing beginning in late 1997 with the
 establishment of the innovative literary periodical The Stinging Fly and concludes in 2022 The book is structured in five parts
 with each part focusing on a particular mode of publication periodicals single author volumes short story cycles edited
 anthologies and small or independent presses Each part includes a series of case studies while also engaging with a diverse
 range of short story criticism and theory both comparative and Irish centered Anthologisation and Irish Short Fiction brings
 different writers at distinct stages of their careers into conversation and This volume aims to illuminate the contemporaneous
 value of this body of work its innovative and varied use and the diversity of its practice Particular attention is also shown to
 the fluidity of the short form to its capacity to disrupt and arrest and to its progressive writerly potential **Secondary**

A Thousand Golden Cities: 2500 Years of Writing from Afghanistan and its People Justin Marozzi, 2023-11-16 In the Western mind Afghanistan has come to mean many things in recent decades most of them bad Partly thanks to the relentless media coverage of the War on Terror it has become synonymous above all with war and terrorism from the Taliban to Al Qaeda and the so called Islamic State crushing levels of poverty and immiseration In ways which would have been familiar to both Herodotus in the fourth century BC and Ibn Khaldun in the fourteenth AD it has also come to represent the latest testing ground for imperial hubris and overexpansion another tomb in the graveyard of empires This is an extraordinarily reductive and one dimensional portrait of a nation Afghanistan is and always has been vastly more interesting than that Its long and tumultuous history at the centre of the world at the heart of cultural exchanges between East and West encompasses high culture low politics domestic dynasties international adventures Great Power rivalry and a completely compelling vein of skulduggery This anthology will celebrate this rich engrossing heritage with a captivating blend of history and geography religion and culture politics and poetry drama and memoir home grown fiction and the self serving literature of invaders It will celebrate Afghan voices as much as those of foreigners who for better or worse have been bewitched by this staggeringly beautiful mountain kingdom

at his parents home on the outskirts of Canterbury where family and friends are assembling for the bank holiday weekend His crippled mother has been discharged from a nursing home his brother drives down from London with wife and child But as the guests converge John s father dies Today follows the numb implications of sudden death the surprise the shock the deep fissures in a family exposed through grief But there is also laughter fraud and theft the continuation of life all viewed through the eyes of Lilian Hallowes John s father s secretary never quite at the centre of things but always observing the still point in a turning world Today is a remarkable debut an investigation of bereavement family and Englishness beautiful in its understatement and profound in its psychological acuity A Midsummer Night's Dream: Shakespeare's Syzygy of Meaning

, *That Glimpse Of Truth* David Miller,2014 **Coups and Revolutions** Amy Austin Holmes,2019 In 2011 Egypt witnessed more protests than any other country in the world the beginning of a revolutionary process that would unfold in three waves of revolution followed by two waves of counterrevolution In addition to providing new and unprecedented empirical data the book makes two theoretical contributions First a new framework is presented for analyzing the state apparatus in Egypt that is based on four pillars of regime support which can either prop up or press upon whoever is in power the Egyptian military the business elite the United States and the multi headed opposition Secondly the book brings together the literature on bottom up revolutionary movements and top down military coups and introduces the concept of a coup from below in contrast to the revolution from above that took place under Gamal Abdel Nasser **Fighting for Your Marriage While Separated** Linda W. Rooks,2019-02-25 When your marriage falls apart where can you turn for hope and help Linda Rooks an experienced guide for marriages in crisis provides biblical wisdom real life stories and practical help for husbands and wives who desire restoration in their marriages Even if your spouse has turned away there is hope *The Peculiarity of Literature* Jeffrey DeShell,1997 If literature is to survive as literature it must be freed from its subjugation to other disciplines other concerns and other projects If Poe s fiction is to survive in any meaningful way it must be liberated from the critical tradition that sees nothing in it but confirmation of its own theories **Democracy as Fetish** Ralph Cintron,2019-12-10 Democracy has long been fetishized Consequently how we speak about democracy and what we expect from democratic governance are at odds with practice With unflinching resolve this book probes the theory of democracy and how the left and right are fascinated by it In this innovative multidisciplinary study Ralph Cintron provides sustained analysis of our political discourse He shows not only how the rhetoric of democracy produces strong desires for social order global wealth and justice but also how these desires cannot be satisfied Throughout his discussion Cintron includes ethnographic research from fieldwork conducted over the course of twenty years in the Latino neighborhoods of Chicago where he observes both citizens and the undocumented looking to democracy to fulfill their highest aspirations Politicians hand out favors to the elite developers strong arm aldermen and the disenfranchised have little redress The problem Cintron argues is that the conditions required to put democracy into practice territory a bordered nation state citizens property are constituted

by inequality and violence because there is no inclusivity that does not also exclude Drawing on ethnography economics political theory and rhetorical analysis Cintron makes his case with tremendous analytic rigor This challenge to reassess the discourses on democracy and to consider democratic politics as always compromised by oligarchy will be of particular interest to political and rhetorical theorists
