The Traveling Economist Todd A. Knoop, 2017-03-09 This fascinating book introduces travelers of the body or the mind to a few simple economic concepts that will help them to think differently and more deeply about the differences between the people and the places they visit during their journeys The principles and mechanics of economics are firmly rooted in everything around us in our home country as well as in every nation and culture around the world Having a basic grasp of economics can help all travelers to think more carefully about why things work differently in different places Armed with this knowledge readers will be equipped to better appreciate and learn from the beauty and complexity of the world around us The Traveling Economist Using Economics to Think about What Makes Us All So Different and the Same illustrates important economic concepts that every traveler and world citizen should understand Employing clear jargon free explanations and illustrated with real life examples Knoop uniquely focuses on the interplay between travel and economics He uses our shared travel experiences to illustrate exactly how economic thinking supplies such a powerful framework for understanding the world around us More than simply explaining economics through travel experiences this book enables adventurers who desperately want to avoid being tourists i e people who travel to see what they know is there to become explorers those who learn each and every day from what they witness

Travel and Ethics Corinne Fowler, Charles Forsdick, Ludmilla Kostova, 2013-12-13 Despite the recent increase in scholarly activity regarding travel writing and the accompanying proliferation of publications relating to the form its ethical dimensions have yet to be theorized with sufficient rigour Drawing from the disciplines of anthropology linguistics literary studies and modern languages the contributors in this volume apply themselves to a number of key theoretical questions pertaining to travel writing and ethics ranging from travel as commoditization to encounters with minority languages under threat Taken collectively the essays assess key critical legacies from parallel disciplines to the debate so far such as anthropological theory and postcolonial criticism Also considered and of equal significance are the ethical implications of the form s parallel genres of writing such as ethnography and journalism As some of the contributors argue innovations in these genres have important implications for the act of theorizing travel writing itself and the mode and spirit in which it continues to be conducted In the light of such innovations how might ethical theory maintain its critical edge

The Global Politics of Contemporary Travel Writing Debbie Lisle, 2006-11-02 This book brings the serious world of politics to the superficial world of contemporary travel writing

Walking Cities: London Jasper Joseph-Lester, Simon King, Amy Blier-Carruthers, Roberto Bottazzi, 2020-05-12 Walking Cities London second edition brings together a new

interdisciplinary field of artists writers architects musicians human geographers and philosophers to consider how a city walk informs and triggers new processes of making thinking researching and communicating In particular the book examines how the city contains narratives knowledge and contested materialities that are best accessed through the act of walking The varied contributions take the form of short stories illustrated essays personal reflections and accounts of walks both real and fictional While artist and RCA tutor Rut Blees Luxemburg and philosopher Jean Luc Nancy recount a nocturnal journey from Shoreditch to the City of London architect Peter St John of the practice Caruso St John offers a detailed and personal reflection on the Holloway Road and architect and author Douglas Murphy examines what he calls London s more politically charged locations in his account of a solitary walk through an area of South London Ultimately Walking Cities London seeks to understand the wider significance of changing geographies to generate critical questions and creative perspectives for navigating the social and political impact of rapid urban change Lieber allein als gar keine Freunde Anja
