## **The Attributes Of God:**

The Attributes of God William Wilson, 1835      **The Attributes of God** Arthur Walkington Pink, 1961      **THE ATTRIBUTES OF GOD** Arthur W. Pink, 2021-11-11 If you want to get to know someone well it is helpful to learn their attributes characteristics Similarly if you want to know God well you need to understand what His attributes are Consider how God enriched our life by creating humans in his image Genesis 1:27 That indicates that he made it possible for us to reflect his superior attributes qualities in a small way He endowed us with spiritual capacity or the ability to understand his views and values As we endeavor to live by these we enjoy greater happiness and meaning in life More than that he gave us the potential to build a relationship with him The 20 short chapters in the second edition of **THE ATTRIBUTES OF GOD** by Arthur W Pink help readers discover the truth about God's most significant characteristics or qualities attributes Edward D Andrews an author of 170 books has updated archaic language added two additional attributes of God a modern literal translation for quoted Bible verses adding some 60 pages of material      The Attributes of God A. W. Pink, 2009-04-01 Despite the ubiquity of the word God in our daily lives how much time do we spend actually contemplating the nature of the divine In this volume author A W Pink plumbs the Scriptures and Christian theology to compile a surprisingly detailed account of the nature of God Even lifelong believers might be surprised by some of the findings presented in this engrossing analysis      **The Attributes of God Volume 1** A. W. Tozer, 2007-02-14 The most important question For A W Tozer no question is more important than What is God like The desire to know God consumed his entire life and ministry That's why those who read him come to know God more intimately Originally preached as sermons at Southside Alliance Church in Chicago this first volume of **The Attributes of God** examines ten attributes of God It also includes a study guide for an in depth look at each attribute Infinite Immense Good Just Merciful Gracious Omnipresent Immanent Holy Perfect Steeped in Scripture and filled with the Spirit Tozer preached with striking clarity and power The sense of his sermons comes through on every page bringing the Word of God to bear upon you If a sermon can be compared to light then A W Tozer released a laser beam from the pulpit a beam that penetrated the heart Warren Wiersbe former pastor of The Moody Church      **The Attributes of God Volume 2** A. W. Tozer, 2007-02-14 The most important question we can ask For A W Tozer there is no question more important than What is God like The desire to know God consumed his entire life and ministry That's why those who read him come to know God more intimately Originally preached as sermons to the Avenue Road congregation in Toronto this follow up to **The Attributes of God Volume 1** examines ten more attributes of God It also includes a study guide for an in depth look at each attribute Self Existent Transcendent Eternal Omnipotent Immutable Omniscient Wise Sovereign Faithful Loving Steeped in Scripture and filled with the Spirit Tozer preached with striking clarity and power The sense of his sermons comes through on every page bringing the Word of God to bear upon you      **The Attributes of God in the Monotheistic Faiths of Judeo-Christian and Islamic Traditions.** Husein Khimjee, 2011-11-09 This book is one of the first

ones of its kind in the market clearly explaining and expounding the Attributes of God in the Judeo Christian and Islamic traditions This book is a valuable guide not only to any university student but is equally interesting for a general reader who wonders and appreciates the bonding of compassion and love God has for His creatures as seen in His Attributes

**Praying the Attributes of God** Rosemary Jensen, The former director of Bible Study Fellowship offers thirty one prayer devotions designed to direct thoughtful meditation and prayer through an understanding of the character of God Second Edition: the Attributes of God in the Monotheistic Faiths of Judeo-Christian and Islamic Traditions Husein Khimjee Ph.D.,2018-08-08 This book is the Second Edition of the book first published in 2011 It is one of the first books of its kind in the market clearly explaining and expanding the Attributes of God in the Judeo Christian and Islamic traditions With the expansion of the book in its Second Edition it also contains discussion of Prophets and Messengers and in particular discusses the status of Abraham in all the Three monotheistic traditions The Jewish Christian and Islamic traditions This book is about God and our relationship with God What is more interesting about the Second Edition is that it expands the possibility of more research on the concept of prophethood in the family of Abrahamic faiths Further it discusses the status of Abraham according to the theology of St Paul comparing it briefly with Islam This book discusses also the status of Jesus in the Jewish and in the Islamic traditions *Jehovistic names and titles of God. The attributes of God. Sins. Christian dogmatics* Henry Donald Maurice Spence-Jones,Joseph Samuel Exell,Charles Neil,1889 *The Attributes of God* Gerald Bray,2021 In this addition to the Short Studies in Systematic Theology series theologian Gerald Bray examines the communicable and incommunicable attributes of God **The Knowledge of the Holy: The Attributes of God** A.W. Tozer,2024-02-22 The decline of the Knowledge of the Holy has brought on our troubles A rediscovery of the majesty of God will go a long way toward curing them It is impossible to keep our moral practices sound and our inward attitudes right while our idea of God is erroneous or inadequate If we would bring back spiritual power to our lives we must begin to think of God more nearly as He is The Attributes of God in Islamic Thought Mansooreh Khalilizand,2024-03-18 The debate over Allah s attribute the nature and the inner articulation of Allah is one of the focal debates in the intellectual history of Islam This edited collection aims to highlight and examine some aspects of this debate in their original context based on the relevant primary literature By showing that even an apparently self evident concept such as Allah which lies at the heart of every reading of Islam is highly ambiguous and polysemous the chapters also emphasise the plurality that has always existed in Islamic thought Through highlighting the philosophical and theological reflections on the concept of Allah the results of this study challenge the juristic reading of Islam in which Allah s function consists mainly in providing a detailed plan for the human life and also rewarding or punishing the ones who deviates from it The book also attempts to demonstrate the relevance and the actuality of the tradition and to stress its contemporaneity This volume makes a significant part of the intellectual tradition of Islam accessible for students and scholars of Islamic theology Islamic philosophy Islamic studies and

the like as well as providing a secondary source for teaching on the debate in question      **The Attributes of God in Pauline Theology** Bill Thrasher,2001-08-29      **The Existence and Attributes of God (Vol.1&2)** Stephen
