Why Did Yahweh and His Son Yahshuah Say What They Said? Dr. Justin G. Prock,2020-05-07 YAHWEH The LORD God and His Son YAHSHUAH Jesus Christ made statements with regard to Eschatology that have been Spiritualized for over a Millennium which has led to the belief in Universalism the belief that YAHSHUAH died for EVERYONE Well after one studies the original languages of the Hebrew Aramaic and Greek the message of the Kingdom of God was preached to and accepted by a certain House in the Bible The other House rejected this message and YAHSHUAH punished that House by taking the Kingdom away from them and giving It to another nation bringing forth fruit There are only the House of Israel the House of Judah and the House of David mentioned in the Bible All three existed then as they do today However most of today s Babylonian Priesthood Churchianity refuses to accept the secular historical position with regard to the House of Israel and who they are today The people groups which YAHWEH and YAHSHUAH addressed still exist today However these people are all mixed up and known by different names but they DO exist This book goes back to the origin of these people groups in the Bible and brings them forward to the present using their old names in order to understand Eschatology This brings us to the major question of Is the Bible only about Israel And if so how does it affect our Eschatology today This book answers these hard questions

scholars discover or better understand cultural and historical context of the early Christian Church The Book of Enoch provides commentators valuable insight into what many ancient Jews and early Christians believed when God who at sundry times and in divers manners spake in time past unto the fathers by the prophets Heb 1 1 As Dr Michael S Heiser in the Introduction to his important book Reversing Hermon so powerfully notes For those to whom 1 Enoch sounds unfamiliar this is the ancient apocalyptic literary work known popularly but imprecisely as the Book of Enoch Most scholars believe that 1 Enoch was originally written in Aramaic perhaps as early as the 3rd century B C The oldest fragments of the book were found among the Dead Sea Scrolls and dated to roughly the second century B C This places the book squarely in the middle of what scholars call the Second Temple Period ca 500 B C 70 A D an era more commonly referred to as the Intertestamental Period This book will use the more academic designation Second Temple Period The Watcher story of 1 Enoch as many readers will recall is an expansion of the episode described in Genesis 6 1 4 where the sons of God Hebrew beney ha elohim came in to the daughters of man Gen 6 4 ESV Consequently Watchers is the Enochian term of choice among others for the divine sons of God While the story of this supernatural rebellion occupies scant space in Genesis it received considerable attention during the Second Temple Period The Enochian version of the events of Gen 6 1 4 preserves and transmits the original Mesopotamian context for the first four verses of the flood account Every element of Gen 6 1 4 has a Mesopotamian counterpoint a theological target that provides the rationale for why these four verses wound up in the inspired text in the first place Connections to that backstory can be found in the Old Testament but they are scattered and unsystematically presented This is not the case with Second Temple Jewish literature like 1 Enoch Books like 1 Enoch preserve all of the Mesopotamian touchpoints with Gen 6 1 4 when presenting their expanded retelling of the events of that biblical passage The Book of Enoch is therefore intended to be an important supplemental resource for assisting serious researchers and students in the study of the Bible A room without books is like a body without a soul A 19th century classics literature edition [The Books of Enoch: the Angels, the Watchers and the Nephilim Illustrated Edition](#) Richard Laurence, 2021-12-08 The Book of Enoch is an ancient Hebrew apocalyptic religious text ascribed by tradition to Enoch the great grandfather of Noah [The Books of Enoch Complete Collection with Ancient and Modern Commentary](#) Elias Ben-Sion, 2025-08-12 Explore the Books of Enoch influential ancient texts that shaped early Christianity and Jewish mysticism but remain missing from most modern Bibles These apocryphal books reveal the stories behind Genesis 6 the fallen angels Watchers Nephilim giants and end times prophecy quoted in Jude Essential for understanding biblical prophecy angelology and ancient Jewish literature they provide crucial context for New Testament references and early Christian beliefs This scholarly collection presents all three Books of Enoch with expert translations and comprehensive commentary for Bible study and biblical research 1 Enoch Fallen angels Nephilim Messianic prophecy and apocalyptic visions 2 Enoch Enoch s journey through the seven heavens and divine mysteries 3 Enoch Angelic hierarchies the throne of God and heavenly liturgy Historical commentary bridging ancient
