Five Fold Ministry Kenneth Hagin:

Understanding The Fivefold Ministry Matthew D Green, 2015-01-26 The ministry gifts are alive and well today When Jesus ascended to heaven He left gifts behind apostles prophets evangelists pastors and teachers But their operation has often been surrounded by neglect confusion and outright controversy Jack Hayford Cindy Jacobs Reinhard Bonnke C Peter Wagner Fuchsia Pickett Tommy Barnett and many others combine decades of experience reflection and biblical study to uncover the true purpose for the fivefold ministry Find answers to these questions regarding the release and shepherding of the fivefold ministry Who are the modern day apostles and why does the church still need them What are the marks of an authentic prophet and how should we judge prophecy How do you know if you're called to be an evangelist and what's the most effective method for leading an unbeliever to Christ Why are teachers so influential and how do we discern false doctrine What is the role of the pastor in the twenty first century and how is it changing How do the five ministry gifts cooperate in the local church and who's in charge when all five are active God is building His body around the world in the most unexpected ways through the most unexpected people Take a self test to find out where your gifts lie and what area of ministry God may have custom designed you for

Understanding 5fold Ministry Stefan Sos, 2006-09 **Upon This Rock, Revival of the Five-Fold Ministry** Dr. Michael P. Sterling, 2013-07 Upon This Rock I will Build My Church Jesus says in Matthew 16:18 And I say also unto thee that thou art Peter and upon this rock I will build my church and the gates of hell shall not prevail against it It was this divine revelation of Jesus being the Christ Messiah Anointed One Son of the Living God which gave Peter access to the keys of the kingdom It is by this same revelation that a young monk named Martin Luther would declare and understand that the just shall live by faith thus beginning a reformation of the church This book is designed to continue the process of reformation as in the 16th Century where a partial reformation began to take place Martin Luther who we now realize was a prophet in his own right was given a doctorate of theology at the University of Wittenberg Germany by the Elector Frederick Duke of Saxony This degree Staupitius was conferred upon him in October 1918 Dr Michael P Sterling 1512 This divine revelation caused him to speak boldly against certain indulgences such as one could buy a soul from purgatory for ten shillings and not a farthing less This indulgence was prefabricated in pretense by Pope Leo X who succeeded after Julius II This Pope Leo X imposed such ridiculous practices on the pretense of raising money for war against the Turks Martin Luther began to oppose the Pope much like a latter day Amos who came to Bethel and heralded against King Jeroboam King of Israel and Amaziah the Priest of Bethel This prophet Martin Luther began the genesis of reformation Martin Luther also was the first to translate the New Testament into the German language which was September 1522 He studied the works of Desiderius Erasmus who prepared important new Latin and Greek editions of the New Testament Martin Luther also finished the Pentateuch in 1523 thus completing the entire bible and publishing it in 1530 As we examine history we find that Martin Luther was a step ahead of William Tyndale His great defiance was enacted as he

nailed the 95th Thesis of Contention to the Wittenberg church door as he declared his intolerance against the Roman Catholic corruption on Halloween night 1517 Martin Luther died of natural causes although he was branded a heretic by the Catholic Church William Tyndale was not so lucky and was burned at the stake in the public square 1596 Upon This Rock Revival of the Five Fold Ministry 19 As we examine church history we see a clear picture of martyrdom And in its wake men like John Wycliffe who was called the morning star of the Reformation era who 200 years prior criticized abuses and false teaching in the Catholic Church Yes John Wycliffe a professor at Oxford University was expelled from his teaching position by the Pope who also after his death exhumed his bones and had them burned This is the price of Reformation Let us examine for a brief moment John Huss using Foxes Book of Martyrs as our source John Huss was chosen as the pastor of the Church of Bethlehem in Prague He also held a position as the Dean of Students and Rector at the University He along with John Wycliffe were known as the pre reformers His teaching and revelation upset the pope and he was also burned at the stake like so many spirit filled saints of the time period It is noted in historical data that John Huss was heard singing in the midst of the flames as he went on to glory

Office of the Prophet Janice E. Wagner, 2020-02-28 This study came about from a teaching on the manifestation gifts of the Holy Spirit the author prepared for the altar workers at The People s Church of Santa Fe in New Mexico That teaching has been incorporated into this study During the discussion on the manifestation gift of prophecy it was stated that operating through the gift of prophecy does not make someone a prophet The question arose what is the difference between the gift of prophecy and the office of the prophet That was when this study was born This book includes scriptural teaching on the office of the prophet which is one of the five fold ministry gifts or offices The book teaches how one knows he has been called to be a prophet It discusses the manifestation gifts of the Holy Spirit as tools used by prophets to accomplish what the Lord has assigned them to say and do There are also examples of how the Holy Spirit has operated in the life of the author over her 40 plus years of serving the Lord as a prophet of God [Discover Your Gifts and Calling](#) The Rock Bible College,
