Forgetting Ourselves On Purpose Vocation And The Ethics Of Ambition:

Forgetting Ourselves on Purpose Brian Mahan, 2002 In the wise and often witty *Forgetting Ourselves on Purpose* Brian Mahan considers the question of how it is possible to create a meaningful spiritual life while living in a culture that measures us by what we have rather than who we are Drawing on nearly two decades of teaching experience Brian Mahan shares stories of personal struggle and triumph that demonstrate how those who seek meaning and purpose have recalimed their authentic selves by resolving the inevitable tension between personal ambition and spiritual vibrancy *Forgetting Ourselves on Purpose* Brian J. Mahan, 2010-02-08 In the wise and often witty *Forgetting Ourselves on Purpose* Brian Mahan considers the question of how it is possible to create a meaningful spiritual life while living in a culture that measures us by what we have rather than who we are Drawing on nearly two decades of teaching experience Brian Mahan shares stories of personal struggle and triumph that demonstrate how those who seek meaning and purpose have recalimed their authentic selves by resolving the inevitable tension between personal ambition and spiritual vibrancy The Schooled Heart Michael D. Beaty, Douglas V. Henry, 2007 *The Schooled Heart* addresses a basic question about the nature of the university should moral education figure among the university's purposes This volume offers an affirmative response to that question A central purpose of the university is the moral formation of students what Beaty and Henry call the schooling of the heart *Tending the Fire That Burns at the Center of the World* David F. White, 2022-07-29 *Tending the Fire That Burns at the Center of the World* engages the central question of Christian formation that is what kind of knowing is most likely to awaken and sustain Christian faith This book seeks to reclaim aesthetics beauty and creativity as the church's most native theological way of knowing and being which participates with God's own glory and creativity This book traces the prominence of aesthetics up until the dawn of the Enlightenment including recent theologians who reclaim aesthetics for theology and formation The book elaborates the aims and techniques of aesthetic approaches to teaching and learning in the church Finally this book cautions against overly determined rationalisms and moralisms that do not retain a sense of wonder delight and openness in the church's teaching liturgy and proclamation In this view the church does not simply regurgitate familiar texts political tropes or flattened doctrines but breaks into the world as Christ's body a parable a song a flash mob interrupting business as usual giving new expression to acts of care repentance forgiveness joy and communion awake to the beauty of God's gifts and inviting our worship Engaged Teaching in Theology and Religion Renee K. Harrison, Jennie S. Knight, 2015-10-21 This book guides scholars and teachers of theology and religion through a process of self reflection that leads to intentional transformative teaching dialogue and reform in theological education and religious studies **I was and I Am Dust** David M. Mellott, 2009 There are a variety of people practices and celebrations in the Catholic Church At times some of these can be dismissed too easily as extreme superstitious or uninformed Such is the case with the Penitentes of New Mexico In *I Was and I Am Dust* David M Mellott shares his experiences of the Penitentes as an outsider Through the voice of Larry Torres one

of the senior members of the Penitentes Mellott poignantly provides readers with a more intimate picture of this community of practitioners Readers may be surprised to discover a depth of meaning in these seemingly extreme Holy Week rituals and to realize the beauty of being dust

Lent Through Eastertide David L. Bartlett, Barbara Brown Taylor, 2010-10-01 Feasting on the Word offers pastors focused resources for Sermon preparation written by companions on the way With four different essays on each of the four biblical texts assigned by the Revised Common Lectionary this series offers preachers sixteen different ways into the proclamation of God's Word on any given occasion For each reading preachers will find brief essays on the exegetical theological homiletical and pastoral challenges of the text The page layout is unusual By setting the biblical passage at the top of the page and placing the essays beneath it we mean to suggest the interdependence of these four approaches without granting priority to any one of them Some readers may decide to focus on

the Gospel passage for instance by reading all four essays provided for that text Others may decide to look for connections between the Hebrew Bible Psalm Gospel and Epistle texts by reading the theological essays on each one Wherever they begin preachers will find what they need in a single volume produced by writers from a wide variety of disciplines and religious traditions These authors teach in colleges and seminaries They lead congregations They write scholarly books as well as columns for the local newspaper They oversee denominations In all these capacities and more they serve God s Word joining the preacher in the ongoing challenge of bringing that Word to life We have been honored to work with a multitude of gifted thinkers writers and editors We present these essays as their offering and ours to the blessed ministry of preaching From the introduction by David L Bartlett Barbara Brown Taylor *Awakening Youth Discipleship* Brian J. Mahan, Michael Warren, David F. White, 2008-01-01 Youth ministry has increasingly lost touch with its origins in the way of Jesus and the social practices intrinsic to Christian discipleship and has instead substituted layers of Jesus talk middle class values fun and games and doses of warm fellow feeling *Awakening Youth Discipleship* articulates the history of this domestication of youth and ministry Mahan Warren and White tell a story of the ways in which our society has colluded to shape a domesticated adolescence The authors believe a Christian response to this challenge must be multilevel addressing the problem at three levels society church and individual The authors propose reclaiming practices of discernment that both engage congregations in social awareness and involve individuals in discerning fuller vocational opportunities than those allowed by popular cultural norms **Courage and Calling** Gordon T. Smith, 2024-05-28 What is my calling How do I best live it out Will my vocation change In this third edition of his popular book Gordon Smith addresses these questions and more providing rich insight for all who long to courageously follow God s call This is your invitation to discover your calling by listening to God and becoming a coworker with him *The Voice of Jesus* Gordon T. Jamieson, 2013-06-25 *A Good Way to Go* considering self determination mercy self termination tackles the difficult subjects of living dying suicide and euthanasia but concentrates on the care that can be given The book is aimed at the general public not so much to be authoritative as provide original thoughts and comprehensive enough to provide helpful material to stimulate discussions and provide an overview that might facilitate wholesome changes in our society It is said to be well written and raising new and interesting points The plea for a more merciful society begins with pastoral help to the dying a better understanding of suicide acceptance of self termination a look at ethics health services and the law in regard to euthanasia It is written from a Christian Western perspective because that is what has brought us to this place of confusion and anxiety about death and dying It is important that we take our bicultural and multicultural future very seriously in an ever increasing secular world

Padgett,2008-12-18 Work as center of life has such an important role in our lives it bears a standard by which we measure our success It is a major component of self actualization and well being Professional life offers the hope of rewarding work not just financially but work that is fulfilling However professions are also riddled with complexities and ethical conflicts that obstruct the goal of meaningful work Our jobs are fraught with moral ambiguities and dilemmas these become sources of frustration and alienation What is needed is a transformation a renewal of our

professional lives and the institutional contexts in which we operate to humanize the alienating aspects of work and professions Thomas Merton 1915 1968 though a cloistered monk wrote extensively on spiritual and social issues He has been called a spiritual master for contemporary times He possessed an uncanny sense of self awareness and moral imagination His life and writings have inspired countless persons on life s spiritual journey Yet while people have looked to Merton for guidance on spiritual issues the implications of his thought for several other areas of life are open to exploration This book focuses on the significance of his reflections in *Conjectures of a Guilty Bystander* which offer one the confidence to embark on a journey that seeks to transcend the complexities of professional life and courage to transform the negative features of workplaces and organizations through reasoned moral action moral imagination and leadership **Intentional Leadership**

O'Brien, 2017-06-01 Climate change is viewed as a primarily scientific economic or political issue While acknowledging the legitimacy of these perspectives Kevin J O'Brien argues that we should respond to climate change first and foremost as a case of systematic and structural violence Global warming is largely caused by the carbon emissions of the affluent emissions that harm the poor first and worst Climate change is violence because it divides human beings from one another and from the earth O'Brien offers a constructive and creative response to this violence through practical examples of activism and nonviolent peacemaking providing brief biographies of five Christians in the United States John Woolman Jane Addams Dorothy Day Martin Luther King Jr and Cesar Chavez These activists idealism social commitment and political savvy offer lessons of resistance applicable to the struggle against climate change and for social justice
