THERE'S LOVE IN EVERY HEART Nilanjana Sanyal, 2020-03-02 The novel has a mandate that there could be nothing more beautiful than the universal attributes of love: compassion, tolerance, forgiveness, a sisterhood and a brotherhood, understanding and humanitarianism seen through a variety of lenses and perspectives in general and gender in particular. The book carries a genuine message for humanity and the new world that is emerging. A beautiful piece of writing that touches many issues such as violence, the pitfalls of retributive justice and the scourge of social inequality, all set against a backdrop of India in a non-pedagogic story-like manner. Unputdownable. Shabnam Hashmi, Social Activist, Founder ANHAD Act Now for Harmony and Democracy. I have known Nilanjana Sanyal as a columnist for Tehelka magazines. Ms. Sanyal's new novel 'There's Love In Every Heart' reminds me of noted author Francis Bacon who once penned: 'Some books are to be tasted, others to be swallowed, and some few to be chewed and digested; that is, some books are to be read only in parts, others to be read but not curiously, and some few are to be read wholly and with diligence and attention. Every word of her novel is to be tasted, swallowed, chewed and digested literally. Charanjit Ahuja, Editor, Tehelka.

Transnational Latin American Television Nahuel Ribke, 2020-12-28 This book examines the process of transnationalization of Latin American television industries. Drawing upon six representative case studies spanning the subcontinent's vast and diverse geopolitical and cultural landscape, the book offers a unique exploration of the ongoing formation of interrelated cultural, technological, and political landscapes from the mid-1980s to the present. The chapters analyse the international circulation of the genres and formats of entertainment television across the subcontinent to explore the main driving forces propelling the production and consumption of television contents in the region and what we can learn

about the cultural and social identities of Latin American audiences following the journey of genres formats and media personalities beyond their own national borders Taking a contemporary interdisciplinary approach to the study of transnational television industries this book will be of significant interest to scholars and students of television and film studies communication studies Latin American studies global media studies and media and cultural industries
