Disloyal: A Memoir Michael Cohen,2020-09-08 A 1 New York Times Bestseller I read it cover to cover I did not intend to but I started at the beginning and didn t put it down until it was over Rachel Maddow MSNBC This book almost didn t see the light of day as government officials tried to bar its publication The Inside Story of the Real President Trump by His Former Attorney and Personal Advisor The Man Who Helped Get Him Into the Oval Office Once Donald Trump s fiercest surrogate closest confidant and staunchest defender Michael Cohen knows where the skeletons are buried This is the most devastating business and political horror story of the century As Trump s lawyer and fixer Cohen not only witnessed firsthand but was also an active participant in the inner workings of Trump s business empire political campaign and presidential administration This is a story that you have not read in newspapers or on social media or watched on television These are accounts that only someone who worked for Trump around the clock for over a decade not a few months or even a couple of years could know Cohen describes Trump s racist rants against President Barack Obama Nelson Mandela and Black and Hispanic people in general as well as the cruelty humiliation and abuse he leveled at family and staff Whether he s exposing the fact that Trump engaged in tax fraud by inflating his wealth or electronic fraud by rigging an online survey or outing Trump s Neanderthal views towards women or his hush money payments to clandestine lovers Cohen pulls no punches He shows Trump s relentless willingness to lie exaggerate mislead or manipulate Trump emerges as a man without a soul a man who courts evangelicals and then trashes them panders to the common man but then rips off small business owners a con man who will do or say absolutely anything to win

regardless of the cost to his family his associates or his country At the heart of Disloyal we see how Cohen came under the spell of his charismatic Boss and as a result lost all sense of his moral compass The real real Donald Trump who permeates these pages the racist sexist homophobic lying cheating President will be discussed written about and analyzed for years to come
