If Atheists Created God Andrew Mytaf, 2024-12-21 What kind of God would atheists create if tasked with envisioning a deity rooted entirely in logic physical reality and intuitive morality If Atheists Created God explores this bold question by addressing humanity s core moral dilemmas and examining the key arguments in debates between atheists and Christians At its core the book seeks to derive a rational backup version of God a hypothetical model of a deity that even ardent sceptics and atheists might consider a plausible and acceptable alternative This carefully reasoned philosophical framework envisions a concept of God that would not only align with human understanding but also foster the progress of civilisation This book will appeal to critical thinkers philosophy enthusiasts and anyone seeking a rational approach to life s big questions The author s clear prose makes complex ideas accessible without sacrificing depth Prepare for an intellectual journey that challenges assumptions and expands minds offering a rare opportunity to engage with profound concepts in a truly rational manner Key

topics explored include A fresh perspective on free will that resolves disputes between compatibilists and hard determinists An innovative approach to natural evil which is considered unsolvable A nuanced analysis of consciousness personal identity and the nature of the self A rational framework for understanding ethical dilemmas and moral decision making Thought provoking discussions on gender roles hierarchy and equality from evolutionary and philosophical viewpoints The arguments presented are unprecedented and promise to ignite global debates The author skilfully navigates complex terrain offering readers a chance to reconsider their worldviews through rigorous logic and evidence based reasoning By applying analytical philosophy to age old questions he illuminates pathways for reconciling humanistic understanding with existential inquiries

Fictions of Adolescent Carnality Lydia Kokkola,2013-05-03 Fictions of Adolescent Carnality considers one of the most controversial topics related to adolescents their experience of desire In fiction for adolescents carnal desire is variously presented as a source of angst an overwhelming experience over which one has no control bestial disgusting and just occasionally a source of pleasure The on set of desire within the Anglophone tradition has been closely associated with the loss of innocence and the end of childhood Drawing on a corpus of 200 narratives of adolescent desire Kokkola examines the connections between sociological accounts of teenagers sexual behaviour adult fears for and about their off spring and fictional representations of adolescents exploring their sexuality Taking up topics such as adolescent pregnancy and parenthood queer sexualities animal human connections and sexual abuse Kokkola provides wide ranging insights into how Anglophone literature responds to adolescents carnal desires and contributes to on going debates on the construction of adolescence and the ideology of innocence
