**Make It Ours** Robin Givhan, 2025-06-26 A captivating and beautifully written biography of the talented Virgil Abloh. Thought provoking, emotional and illuminating, this book is a definite must read. Tom Ford's posthumous look into the life and work of the late great Virgil Abloh is thoughtful, intelligent, honest and masterfully crafted. She brilliantly captures Virgil's fearless march forward through his insatiable curiosity, kindness, humility, generosity and relentless work ethic. Marc Jacobs' Virgil's journey from humble beginnings to the top of the fashion industry is one that needs to be studied. *Make It Ours* is a thrilling journey into the mind of a genius. Edward Enninful: A must read for fashionistas, museumgoers and sneaker heads alike. Elaine Welteroth, bestselling author of *More Than Enough*. From Pulitzer Prize winning culture critic Robin Givhan comes a groundbreaking chronicle of the legacy of Virgil Abloh, whose iconic rise to the top of the fashion industry transformed our ideas about the connection between who we are and what we wear. In 2018, shockwaves were sent around the fashion industry when Virgil Abloh was appointed the head of menswear for Louis Vuitton. Despite no formal training in pattern making or tailoring, Abloh had become the first Black designer to serve as artistic director in the brand's 164 year history. *Make It Ours* tells the story of how that moment came to be and how Abloh came to symbolise and embody the industry's way forward. Using Abloh's surprising path to the top of the luxury establishment, Givhan unfolds the larger story of how the cloistered, exclusive fashion world faced a revolution from below in the form of streetwear and designers unafraid to storm the gate and how a simple t-shirt came to hold as much cultural power as a haute couture gown. With unparalleled access to Abloh's family, friends, collaborators and contemporaries and featuring a cast of fascinating characters ranging from groundbreaking Black designers like Ozwald Boateng to Abloh's mercurial but critical employer and mentor Kanye West, Givhan weaves a spellbinding tale of a young man's rise amidst a cultural moment that would upend a century's worth of ideas about luxury and taste. This is at once a remarkable biography of a singular creative force and a powerful meditation on fashion and race, taste and exclusivity, genius and luxury.

*Design Dispersed* Burcu Dogramaci, Kerstin Pinther, 2019-06-13 *Design Dispersed* pursues the complex and heterogeneous connections between migration and design in the 20th and 21st centuries. The edited volume gathers contributions by international researchers and curators on the question of how design practices and historical objects articulate, respond to and critically reflect on migration, flight and displacement. Besides a collage which highlights the aesthetic effects resulting from the networking, overlapping and mixing of forms, another strand of the book looks at the political and social dimensions of design. How are design objects material modes of a critical inquiry on movements of people and things? What role do object trajectories play in the migratory movements of the 1930s and 1940s? Other texts follow the question of how migrants and refugees form their experience and political fight for acceptance into design and architectural productions. A final essay contributes to wordings and projections: what vocabulary do we need in order to adequately think and write about a design dispersed?
