**Worship Together Bible** Zondervan, 2013-08-22 Worshiping God is one of the believer's highest callings. Music and song have been a timeless way to glorify God throughout history. Scripture itself is full of musical and poetic praises dedicated to the Lord. Using a unique combination of songs and reflections, the NIV Worship Together Bible blends modern day worship and culture with the beloved Word of God. This Bible helps you embrace God as your loving Father and shows you how to exalt him through song and reflection. The musical inspiration in this Bible will remind you of the importance of constantly striving to be Christlike. As Pastor Jack Hayford, the author of the song Majesty, once put it: "Worship changes the worshiper into the image of the One worshiped." Features: The complete text of the world's most popular modern English Bible, the NIV. Lyrics to the top 100 worship songs. Song notes and reflections from the songwriters. Simple chord charts for the Top 20 worship songs. Essay that explores the purpose and history of worship music. Foreword by Matt Maher. Index to organize songs by scriptural reference.

**10,000 Reasons (Bless the Lord)** Matt Redman, Jonas Myrin, Carol Tornquist, 2012-07 Matt Redman's 10 000 Reasons is a modern worship favorite sung in churches everywhere. This piano arrangement by Carol Tornquist is easier to play than the original sheet music edition. The melody is played by the right hand so it's a great sounding piano solo if a vocalist isn't present. Complete lyrics and chord names are included.

**Meaning-Making in the Contemporary Congregational Song Genre** Daniel Thornton, 2020-10-06 This book analyses the most sung contemporary congregational songs (CCS) as a global music genre. Utilising a three-part music semiology, this research engages with producers, musical texts, and audiences, congregations to better understand contemporary worship for the modern church and individual Christians. Christian Copyright Licensing International data plays a key role in identifying the most sung CCS, while YouTube mediations of these songs and their associated data provide the primary texts for analysis. Producers and the production milieu are explored through interviews with some of the highest profile worship leaders, songwriters including Ben Fielding, Darlene Zschech, Matt Redman, and Tim Hughes, as well as other music industry veterans. Finally, National Church Life Survey data and a specialized survey provide insight into individual Christians' engagement with CCS. Daniel Thornton shows how these perspectives taken together provide unique insight into the current global CCS genre and into its possible futures.
