Volunteer Guidelines

New Life Lutheran Church is committed to providing a safe and nurturing environment for children and youth participating in ministry activities. In order to do all that we can to protect the children and youth in our care, we place a high priority on the careful recruitment, screening, placement, and ongoing supervision/training of all of our staff and child/youth serving volunteers.

Please read the guidelines and sign the following page confirming you've read and understand all guidelines. Contact Abby Beckman or Laura Kimball with any questions and to turn in completed forms.

Supervision of Children

The Children's Ministry staff and volunteers are responsible for the supervision of children during ministry activities, including observing the environment and equipment for unsafe situations, removing children from potentially dangerous conditions, and reporting problems immediately.

Parents are responsible for their children up until the time the activity is scheduled to begin and after the activity's scheduled ending time. When children arrive to any church program, they are expected to remain in that program until it ends and supervision is transferred back to parents. Children may not leave the program early without a parent's permission.

Room Guidelines

- Inside and outside windows should be clear of obstructions.
- Doors without windows will remain open unless there is a window next to the door.
- Activities and conversations with children should occur in non-private areas.
- Activities should be observable and able to be easily interrupted.

The Two-Adult Rule

- There must always be two volunteer approved adults present when supervising one or more children.
- The adults should be in sight of each other at all times.
- We encourage older children (age 14 or older) to serve as leaders for children in younger grades and may count as an adult under the two-adult rule.

Church Nursery Volunteer Guidelines:

Loving My (LGBT) Neighbor Glenn T. Stanton, 2014-10-01 Ever feel like we're just fumbling through the LGBT conversation always asking but never really finding answers to questions like What does it look like to be friends with my lesbian neighbors How should I love my gay child and his partner What if I'm invited to a same sex wedding What did Jesus say and not say about homosexuality What is the role of the church in the same sex debate We don't have to fumble While the questions are hard answers can be had Just ask Glenn Stanton Stanton of Focus on the Family travels widely meeting with and debating LGBT advocates across the country In doing so he has had the privilege of becoming friends with a number of them He says We disagree on certain convictions but we still admire and esteem one another Since when was it decided that people who see the world in polar opposite ways can't be friends He shares his personal journey building bridges with the LGBT community and offers candid insights on hard questions In Loving My LGBT Neighbor Glenn Stanton shows us how to speak the truth in love on this difficult but important issue

Child Safety Guidelines for Local Churches Roger N. McNamara, 2010-10 Child Safety Guidelines for Local Churches deals with the sensitive subject of child sexual abuse and what churches can do to protect children under their care while at the same time minimizing their own liability Prevention and training are critical elements in developing a structure that ensures the safety of children while they are in God's house Sadly many churches are unprepared to combat the possibility of the unthinkable happening to one of their precious little ones By not taking reasonable precautions they not only endanger the welfare of their youngsters but are subject to charges of gross negligence and significant financial judgments against their congregations The author outlines numerous steps that any congregation can take to protect both the children and churches they serve ROGER MCNAMARA is a veteran pastor missionary and church planter with more than forty six years of experience in local church ministry in Latin America and the United States He has started and worked in half a dozen churches over the past four decades and now serves as the Church Planting Training Specialist for Baptist Mid Missions In this capacity he works with churches and church planters throughout the United States and Canada teaching training and mentoring church leaders He also serves in a number of leadership positions within the Baptist Mid Missions TEAM NORTH AMERICA as well as the registrar for the School of Church Planting He has published two other books and several leadership training manuals

Human Dimensions of Ecological Restoration Dave Egan,Evan E. Hjerpe,Jesse Abrams,2012-09-26 When it comes to implementing successful ecological restoration projects the social political economic and cultural dimensions are often as important as and sometimes more important than technical or biophysical knowledge Human Dimensions of Ecological Restoration takes an interdisciplinary look at the myriad human aspects of ecological restoration In twenty six chapters written by experts from around the world it provides practical and theoretical information analysis models and guidelines for optimizing human involvement in restoration projects Six categories of social activities are examined collaboration between land manager and stakeholders ecological economics volunteerism and community based restoration environmental education ecocultural and artistic practices policy and politics For each category the book offers an introductory theoretical

chapter followed by multiple case studies each of which focuses on a particular aspect of the category and provides a perspective from within a unique social political cultural setting Human Dimensions of Ecological Restoration delves into the often neglected aspects of ecological restoration that ultimately make the difference between projects that are successfully executed and maintained with the support of informed engaged citizens and those that are unable to advance past the conceptual stage due to misunderstandings or apathy The lessons contained will be valuable to restoration veterans and greenhorns alike scholars and students in a range of fields and individuals who care about restoring their local lands and waters *International Teacher Development Program* United States.
