Army, 2003-04 *Cassell Dictionary Italian Literature* Peter Bondanella, Julia Conway Bondanella, 1999-03-18 The Cassell Dictionary of Italian Literature includes some 400 entries on major and minor Italian writers from the twelfth century to the present day on Italian metrics and poetic forms or genres and on literary or critical schools periods problems and movements In addition there are specific entries on Italian Literature Film and art as well as feminism post modernism and other topics of contemporary interest **The Origins of Nostalgia** Svetlana Boym, 2022-03-10 This collection of previously unpublished autobiographical and semi autobiographical snippets of experience written by Svetlana Boym in the final period of her life capture her penchant for seamlessly melding poetically and dream like the intensively personal with the everyday and the world historical They illuminate the formative conditions for the thinking which she was to develop into her majestic work on

nostalgia Importantly these pieces fill in gaps in understanding the genesis and scope of her take on the world For readers both familiar with her work and for those new to it The Origins of Nostalgia will enable our own cultural past as well as that of the former Soviet Union to be viewed in a different light

Crisis and the Culture of Fear and Anxiety in

Contemporary Europe Carmen Zamorano Llena, Jonas Stier, Billy Gray, 2023-08-01 The accrual of crises over the last two decades with their particular manifestations in the European context has evoked the feeling of living in exceptional times as captured in the recurrent claim that we live in the age of anxiety The main aim of this collection is to analyse from a multidisciplinary perspective the causes and consequences of the current dominance of the discourse of fear anxiety and crisis through the experience of distinct and often interdependent moral panics in twenty first century Europe With its multidisciplinary approach this volume sheds light on the need to view the interrelationship between different crises and their associated affects as crucial in attaining a more nuanced understanding of the aetiology and effects of the current age of anxiety This multidisciplinary scrutiny of the interrelationship of twenty first century fears anxiety and crises signals an original engagement with these complex phenomena in order to make their emergence and profound effects on contemporary society more comprehensible The timeliness of the thematic focus and the rigorous in depth analyses make this collection relevant to students and academics within the fields of sociology literary and cultural studies political science and anthropology as well as to those in European studies and global studies
