Coakes Spss Analysis Without Anguish:

SPSS Sheridan J. Coakes, 2005-02-28 This latest version of SPSS Analysis Without Anguish is based on Version 12.0 of SPSS for Windows. SPSS software is being continually modified and improved but the steps of entering and analysing data remain similar. New features to SPSS 12.0 include better reporting capabilities through a new presentation graphics system and improved data and output management that provides greater flexibility and more options when managing data. This practical text addresses the needs of all users of SPSS software. It serves as an introduction to new users but allows those wishing to undertake more complicated analytical procedures to work through each stage. It steps users through all the necessary techniques and procedures and the extensive use of screen displays make it possible for students to use this book unsupervised. Worked examples illustrate the procedures and practice examples allow users to consolidate their skills. Assumption testing for each procedure is discussed early in each chapter and the appropriate data screening methods are outlined prior to the analysis and interpretation of the output. The range of work and practice examples make this text suitable across disciplines such as Psychology, Business, Health, Social Sciences, Education, Environmental Science and Geography.

SPSS Version 20.0 for Windows Sheridan J. Coakes, Colin Robson, 2014-11 *SPSS Version 20.0 for Windows* Sheridan J. Coakes, 2012-10-26 A practical text intended as an introduction to IBM SPSS Statistics 20 and a guide for Windows users who wish to conduct analytical procedures. Features extensive use of screen displays and a range of step by step working and practice examples. Spiral bound to ensure ease of use at the computer.

SPSS Sheridan J. Coakes, 2008-02-04 This latest edition of SPSS Analysis Without Anguish is based on Version 15.0 of SPSS for Windows. SPSS is a sophisticated piece of software used by social scientists and related professionals for statistical analysis. Always popular in previous editions, the text continues to address the needs of all users of SPSS software. It serves as a practical introduction to new users and also allows those wishing to undertake more advanced analysis to work their way systematically through each stage. Extensive use of screen displays and a range of step by step working and practice examples remain as features of the workbook. SPSS Analysis without Anguish Version 15.0 is suitable across a number of disciplines including business, health, social sciences, environmental science and geography. It can also be value packed with other Wiley textbooks in subjects such as statistics, market research and research methods to save students money.

FEATURES New range of working and practice examples. Updated screen displays to reflect output from SPSS version 15.0 for Windows. Suitable for use with version 15.0 of SPSS for Windows. Optional bundling of SPSS student software with a 24 month licence. Suitable across disciplines and for varying levels of expertise. Spiral bound for ease of use at the computer. Includes an index at the back of the book. Data files available on accompanying text website. Adopting lecturers have access to a CD containing all of the text screen dump images for lecture presentation. Changes to existing exercises within Chapter 22. Introduction and research questions with links to research questions and datasets that can be used with the Student version of the software. New

chapter 23 Practising analytical techniques includes additional short homework exercises and longer research questions with new smaller data sets that are tailored for use with Student version of the software These new exercises can be used by students for personal practice and study or set by lecturers as take home assignments ABOUT THE AUTHOR Dr Sheridan Coakes is the Director of Coakes Consulting a specialist research consultancy established to undertake social research in an applied context Sheridan has a PhD in the area of Community Psychology and has worked extensively with urban and rural communities across Australia She has published and presented papers on social impact assessment and public involvement in a variety of different forums **SPSS Version 14.0 for Windows** Sheridan J.
