Escape Anxiety Suzanne Jessee, 2015-02 Forty million Americans suffer from anxiety disorders Hospitalized at age thirty with severe anxiety disorders and depression Suzanne Jessee was determined to overcome the mental paralysis and addictive behaviors that ruled her life Not only did she personally triumph over these debilitating disorders but she set out to study and work in the world's leading treatment centers where she helped thousands of patients to recover from severe anxiety Accompanied by a PBS special *Escape Anxiety 8 Steps to Freedom* through

Meditative Therapies explains the causes and symptoms of these complicated and often misunderstood medical disorders and offers a path to recovery through Jesse's revolutionary 8 Step Escape Anxiety treatment program. Designed to provide natural techniques to manage anxiety, each step to healing includes exercises and a specially designed script for a guided meditation based on her innovative methods of Neurogenesis Meditative Therapy™ (NMT). By combining proven therapeutic techniques of Cognitive Behavioral Therapy with ancient mindfulness practices, NMT empowers anxiety sufferers by liberating them from unhealthy thought myths to help them create sustainable life-changing habits. Backed by recent scientific proof that meditation has a transformative effect on the physical brain, Suzanne demystifies the practice of meditation and demonstrates its power as a viable alternative to synthetic medications for treating anxiety. After years of experience helping patients at the Betty Ford Center and other clinical settings and recognition for her success from the top experts in the field, Suzanne Jesse now offers an affordable and accessible in-home treatment program to heal those who suffer from the devastating effects of anxiety disorders.

The Group Therapist's Notebook Dawn Viers, 2012-03-07

Get innovative ideas and effective interventions for your group therapy. Group work requires facilitators to use different skills than they would use in individual or family therapy. *The Group Therapist's Notebook: Homework Handouts and Activities for Use in Psychotherapy* offers facilitators effective strategies to gather individuals who have their own unique needs together to form a group where each member feels comfortable exploring personal and often painful topics. This resource provides creative handouts, homework, and activities along with practical ideas and interventions appropriate for a variety of problems and population types. Each chapter gives detailed, easy-to-follow instructions, activity contraindications, and suggestions for tracking the intervention in successive meetings. Every intervention is backed by a theoretical or practical rationale for use, and many chapters feature a helpful illustrative clinical vignette. Group work has several benefits, including the ability to treat a greater number of clients with fewer resources. Group therapy work also relies on various theories that may seem to be difficult to apply to clinical practice. *The Group Therapist's Notebook* is a practical guide that builds a bridge between theory and practice with ease. The text provides help for psychotherapists who are either beginning group practice or already utilizing groups as part of their practice and need a fresh set of ideas. The workbook framework allows group specialists to generate approaches and modify exercises to fit the varying needs of their clients. This guide offers a wide variety of valid approaches that effectively address client concerns. The book provides therapists with tips and ideas for starting and facilitating a group, assists them through sets of interventions, activities, and assignments, then showcases a variety of interventions for needs-specific populations or problems. Special sections are included with interventions for teens, young adults, couples, and family groups. Interventions in *The Group Therapist's Notebook* include anger management skills, ease feelings of shame and guilt, substance use and abuse, grief and loss, positive body image, guidance through change, independence and belonging, interpersonal skills, coping skills, crisis intervention strategies, much, much more. *The Group*

Therapist's Notebook is an essential resource for both novice and more experienced practitioners working in the mental health field including counselor educators social workers guidance counselors prevention educators and other group facilitators Every nonprofit agency counseling center private practice school hospital treatment facility or training center that organizes and implements therapy groups of any type should have this guide in their library **Stop Giving It Away**
