Extensive Reading in the Second Language Classroom Richard R. Day, Julian Bamford, 1998-01-13 This comprehensive examination of extensive reading shows how reading large quantities of books and other materials can provide students with essential practice in learning to read and help them develop a positive attitude towards reading which is sometimes missed in second language classes The authors first examine the cognitive and affective nature of reading and

then offer a wealth of practical advice for implementing extensive reading with second language learners. Suggestions are provided for integrating extensive reading into the curriculum, establishing a library, selecting reading materials, and keeping records for purposes of evaluation. The text also describes a wide variety of classroom activities to supplement individualized silent reading. The information will be useful both for pre-service teachers and for teachers and administrators who want to improve the teaching of reading in their second language programs. *American Think Level 3 Student's Book* Herbert Puchta, Jeff Stranks, Peter Lewis-Jones, 2016-03-17

Challenge and inspire your teenage learners to think beyond language. *American Think* is a vibrant course designed to engage teenage learners and make them think. As well as building students' language skills, it offers a holistic approach to learning, developing their thinking skills, encouraging them to reflect on values, and building their self-confidence. Topics are chosen to appeal to and challenge teenagers, firing their imagination and ensuring effective learning. Exam-style exercises and tips help students prepare for Cambridge English Key Preliminary and First. Informed by the Cambridge English Corpus, the course reflects real language usage, and 'Get it right' sections help students avoid common mistakes. *How I Met Myself* David A. Hill, 2007-06-01. *Cambridge English Readers* is an exciting new series of original fiction, specially written for learners of English, graded into six levels from elementary to advanced. The stories in this series provide easy and enjoyable reading on a wide range of contemporary topics and themes. One icy winter's evening in Budapest, a man runs straight into John Taylor as he walks home through the narrow streets. John falls over into the snow and looks up at the man's face. I felt very afraid because what I saw was me. My face looking down at me. My mouth saying sorry. Who is the man and how will John's life change?
