How To Build Radionics Machine Easily:

Intuition Technology John Living, 2008-02 Living pens an in depth look at how to understand oneself and how one operates in this energetic environment how the heart mind brain team manipulates the nervous muscular system to signal responses

Radionics and Life Force Technologies Martin K. Ettington, Radionics is the term for machines which manipulate life forces This is often for healing or increasing psychic perceptions The Author is an engineer and has many decades of experience with the paranormal and well as time learning and experimenting with radionics devices from the 1970s While radionics devices are often considered pseudoscience those opinions don't take into account the sensitivities of individuals who have incredible paranormal and healing abilities In my first year of engineering school at Rensselaer Polytechnic Institute in Troy New York I met a man who became my mentor in the Paranormal and other things too This was in 1973 I learned to meditate and how to open my crown chakra to take in vital forces which allowed me to do many things including healing others In addition I also met another middle aged guy at a Psychic Fair in Saratoga Springs New York He was a researcher in the arcane field of Kirlian Photography In this book the history of radionics is discussed some of the major influencers on that history how these devices are used for healing and even some plans for building radionics devices My hope is that this book will give you a good grounding in radionics to learn to use it productively for your own efforts

Science Digest, 1982 Sweet's General Building & Renovation, 1999 **Strange Phenomenons in Homeopathy** Isuret Polos, 2018-10-11 A small work from Isuret Polos on the frequently experienced strange and extraordinary phenomena in Homeopathy Modern materialistic science has its limits for providing a plausible explanation regarding this kind of phenomena like nonlocal effects and synchronistic events The author describes different types of phenomena their common patterns and alternative explanation deriving from idealism the branch of science where consciousness is the base of physical reality

Quackery Lydia Kang, Nate Pedersen, 2017-10-17 What won't we try in our quest for perfect health beauty and the fountain of youth Well just imagine a time when doctors prescribed morphine for crying infants When liquefied gold was touted as immortality in a glass And when strychnine yes that strychnine the one used in rat poison was dosed like Viagra Looking back with fascination horror and not a little dash of dark knowing humor Quackery recounts the lively at times unbelievable history of medical misfires and malpractices Ranging from the merely weird to the outright dangerous here are dozens of outlandish morbidly hilarious treatments conceived by doctors and scientists by spiritualists and snake oil salesmen yes they literally tried to sell snake oil that were predicated on a range of cluelessness trial and error and straight up scams With vintage illustrations photographs and advertisements throughout Quackery seamlessly combines macabre humor with science and storytelling to reveal an important and disturbing side of the ever evolving field of medicine
