How To Change Your Church Without Killing It:

Geistlich leiten Peter Böhlemann, Michael Herbst, 2013-10-22 Geistliche Leitung geht zu den theologischen Hoffnungswörtern unserer Tage. Mit diesem Begriff verbindet sich die Hoffnung, dass Kirche wieder zum Eigentlichen findet. Eben Geistliche Leitung ist und erfährt. Aber was ist Geistliche Leitung? Wie und durch wen geschieht sie? Was unterscheidet sie von normaler Leitung? Die hier vorgestellte Theorie Geistlicher Leitung ist ein Modell, um Leitungsprozesse geistlich zu begreifen und zu gestalten und ein Instrument, um Führung und Leitung in Kirche und Gemeinde zu verbessern. Dabei bringen die Autoren die Offenheit für den Geist Gottes und das Handwerkszeug guter menschenfreundlicher Leitungsarbeit in ein konstruktives Verhältnis zueinander. Sie gewinnen aus der Erkenntnis von biblisch-theologisch bezeugter Leitung durch den Geist konkrete Anregungen für Geistliche Leitung in Kirche und Gemeinde. Zudem identifizieren sie unterschiedliche Typen von Leitung, etwa gemeinschaftsfördernd, richtungweisend oder erkenntnisleitend. Dabei decken Böhlemann und Herbst Chancen und Grenzen des eigenen Leitungstyps auf. Im zweiten Teil des Buches wird der Ertrag dieses Leitungsmodells im Blick auf konkrete Leitungsthemen und -situationen angewendet, wie z.B. Sitzungsleitung, Zeitmanagement oder Umgang mit Konflikten. Der schließlich folgende Fragebogen mit Auswertung und Erläuterungen dient der Einsicht in das eigene Leitungsprofil und ist zugleich ein praktisches Hilfsmittel für die Arbeit in Leitungsgruppen. Geistliche Leitung der hier vorgestellten Art kann Kirchen und Gemeinden verndern und sie auch im 21. Jahrhundert wachsen lassen. Sie ist kein Geheimrezept für volle Kirchen und satte Finanzen, aber sie kann helfen, nachhaltig und ressourcenorientiert den Boden für das zu bereiten, was Gott wachsen lassen will.

Leadership Ronald R. Sims, Scott A. Quatro, 2005 The contributors here seek to define exactly what leadership is or should be and how to effectively develop it Guided by an unusual framework that looks at leadership across different sectors and functions they examine what they view as the major leadership challenges throughout the world *The Haves and Have-Nots* John F. Green, 2017-04-26 The significance of Dr John Green's book entitled *The Haves and The Have nots* Guidelines for Leading Congregational Change and Economically Empowering Poor Communities rests in his concern about the economically poor communities in which black churches find themselves and thus carry out their ministries It is an intriguing practical and theological exploration with the major goal of the narrative to present models of ministry grounded in sound biblical theology and supported by theologians and practitioners familiar with local church outreach strategies and who have chronicled their experiences about churches doing ministry among the economically disadvantaged The importance of Dr Green's book rests in the question of whether or not African American churches will be able to rise above their middle class status in order to reach out to the poorer communities surrounding their churches The book presents leadership strategies that will enable pastors as well as the leadership in local churches to begin to engage in congregational change Presenting leadership strategies for overcoming the status anxiety that hinders outreach of local black churches to the community is the goal of this well written book Edward P Wimberly Jarena Lee Professor Pastoral Care and Counseling Interdenominational Theological Center Simple Discipleship Dana Allin, 2019-01-08 A Clear and Personalized Path for Discipleship Discipleship can feel like a meandering journey we don't know what we want and none of the programs offered seem to get us anywhere We need something to orient ourselves and something to direct our steps toward a clear destination Simple Discipleship with its companion assessment tool offers a plan for discipleship that is tailored to your real life and your personality and clearly pointed in the way of Jesus Most discipleship resources are designed as mass productions efficient for touching many but often failing to see individuals grow in Christ This is the best of both worlds an assessment tool for your entire church combined with an achievable personalized discipling strategy **You Only Have to Die** Rev. Dr. James A. Harnish, James A. Harnish, 2010-09-01 A moving testimony to how a church can experience rebirth by discerning its core mission The key to becoming a Spirit energized people loving life giving community transforming congregation says James A Harnish is really very simple All you have to do is be willing to die This ebook describes how God calls each congregation to a specific mission how God grants discernment to understand what that mission is and how God enables the congregation to die to its entrenched attitudes and behaviors in order to be resurrected to a new life of ministry and witness **Church, Come Forth** Todd Hudnall, 2015-10-02 The majority of American churches are stalled or in decline Church Come Forth is a strategic model for renewing and revitalizing plateaued and dying churches into prevailing and growing congregations Todd Hudnall combines Biblical insights church revitalization research and his experience as a turnaround pastor to provide a guidebook for transformation It is God's desire to renew His church and most church leaders will find this plan a Godsend in

effectively revitalizing their congregations Steve Pike Director of the Church Multiplication Network says Three words came to mind when I read Church Come Forth by Todd Hudnall Biblical Practical Real Biblical A book about God s Church would be useless if not filled with wisdom from God s Book Hudnall carefully makes the Biblical case for revitalization unpacking scripture after scripture to lay a firm foundation for why and how a drifting church can once again join God on His mission Practical Todd Hudnall is a seasoned and successful practitioner whose walk aligns with his talk His counsel is based on the best research and his actual experience of applying that research As a result Church Come Forth is loaded with great advice that is tried and true Real Todd s honesty about his personal growing pains is refreshing His diverse experience in churches small and large make his counsel relatable to every pastor He writes as a pastor friend writing to a pastor friend Church Come Forth is a must read for every leader of a plateaued or declining church Experience Is What You Get Right After You Need It John M. Check DMin,2025-07-14 We all make mistakes and most of us make the same mistake several times Learning from our mistakes is a lifelong process Growing is often painful but growing and learning are positive benefits of failure We often learn very little from our successes Instead we learn what will work by trial and error Great leaders learn what works by trying and failing We should embrace failures and ask ourselves difficult questions rather than running away The first and most important question is where did the idea originate Was this a good idea If so why did it fail What was my role in the failure and what could I have done better How did I respond to the failure and what will I do differently next time We must be courageous enough to ask these and other probing questions in the church community or whatever group setting is relevant to the circumstances Finally we must never allow ourselves to be defined by failure recognizing that the ultimate failure is not trying *Becoming a Contagious Church* Mark Mittelberg,2010-12-21 Discover a Proven Approach to Raising Your Church s Evangelistic Temperature Evangelism It s one of the highest values in the church So why do so few churches put real effort into it Maybe it s because we don t understand the evangelistic potential of the church well enough to get excited about it Becoming a Contagious Church will change that Revised and updated this streamlined edition dispels outdated preconceptions and reveals evangelism as it really can be What s more it walks you through a 6 Stage Process and includes a brand new 6 Stage Process assessment tool for taking your church beyond mere talk to infectious energy action and lasting commitment This book is not optional It s required reading for all who are serious about reaching their communities for Christ Ignoring this book would be pastoral malpractice Lee Strobel author of The Case for the Real Jesus You can t read this book without having your heart stirred to share the gospel It s contagious Rick Warren author of The Purpose Driven Church and The Purpose Driven Life Entire leadership teams and outreach committees should read and discuss this powerful book and then put its principles into action John Maxwell author of Developing Leaders Around You I can t emphasize how important books like this one are for the future of the church It demythologizes the fear and awkwardness of evangelism into something biblical tangible and practical for every person Dan Kimball author of They Like

Jesus but Not the Church Becoming a Contagious Church is hands down the most comprehensive work on church evangelism I've ever read. Its principles can turn inward looking church attenders into outward looking church evangelists. Craig Groeschel, senior pastor LifeChurch tv, *Building a Contagious Church* Mark Mittelberg, Bill Hybels, 2000. Mittelberg presents a proven process for raising the value of evangelism in your heart and in your church. He spells out strategies for training all of a church's members to naturally communicate their faith and offers ideas for initiating outreach ministries and events. Includes inspiring stories of lives and churches that have been changed as a result of these practical biblical approaches.

Enduring Church Growth Philip Huan, 2011

How to Kill Without Really Trying, *Building a Church of Small Groups* Bill Donahue, Russ Robinson, 2001. This book provides pastors and church leaders with the vision, values, and initial steps necessary to begin building a church where small groups are integrated throughout the entire ministry.

Discipleship in Education Joseph Allotta, 2018-02-08. Students are often tested to evaluate their academic knowledge, but few Christian schools use objective measures to determine if a student has become a true disciple of Christ. Unfortunately, there are few organizations that provide metrics for measuring biblical knowledge, let alone any sort of comparative evaluation of students' engagement in the Christian disciplines, forming a biblical worldview, or actually being impacted spiritually by the programs of the school. No matter whose statistics one chooses to believe, the inescapable truth is that the church is losing its young men and women at an alarming rate once they graduate from high school. The solution to this problem is simple but increasingly difficult to solve with each passing year. Discipleship is what is needed for young people to truly identify who they are in Christ so that they can begin to develop godly habits and ultimately grow in their knowledge, faith, and desire to serve the Lord and his Kingdom. Christian schools have some particular advantages in the area of discipleship, however, their full potential is at the moment untapped. Discipleship in Education is about preparing everyone from administrators, teachers, pastors, and parents to be ready to unleash that potential.

$1 + 1 = 1$ Derek Chinn, 2012-11-12. The population of the United States is changing. By 2042, U.S. census figures indicate that the majority racial population will no longer be white. In addition, churches are dying as congregants age and fail to add younger members to sustain their ministry. These shifting demographics represent a significant challenge and opportunity for the church. Derek Chinn proposes an overlooked solution: join congregations together to create a multiracial church. For this unique concept, Chinn offers a biblically grounded and practical perspective on what it takes to make this ministry approach viable. The heart of this ministry approach is redemption of tired or shrinking ministries of assets that God has given His people to advance the local church and of brokenness due to racial and ethnic differences. This book is for church leaders, church planters, cross-cultural ministry leaders, and those involved with urban missions.
