The Cold Calling Equation Michael Halper,2012-05-25 Cold calling is a blood sport Sales professionals hate making cold calls and customers despise receiving them Yet those who can rise above the competition and master cold calling will find themselves closing deals hitting targets and positively improving their lives on both professional and personal levels Powerful practical and logical The Cold Calling Equation Problem Solved teaches cold calling as a skill that anyone who exerts the effort can perfect Readers can see immediate results from tactics that are spelled out in the book s first pages It takes the intimidation out of calling a complete stranger and teaches a person with any level of education and experience how to make human connections and find opportunities to grow their business Upending conventional wisdom the author reveals that hard work and effort don t always result in successful cold calls What works is when a caller learns how to succinctly state their company s value to another business Forget selling the features Cold callers need to show how their product will make a client s company run faster smoother and harder The reader can formulate their own attack using the concepts and tools that are cleanly explained throughout the book The Cold Calling Equation Problem Solved is a book based on real world scenarios and developed by Michael Halper who has thirteen years experience in cold calling An energetic sales coach he runs a telesales operation for other businesses and manages a team of callers The book takes the reader chapter by chapter through the other stumbling blocks of cold calling and shows the salesperson how to clear these hurdles He also demonstrates how to build target lists and scripts deal with objections find opportunities build both rapport and interest and more The psychological state of the cold caller is taken into account as well The book gives solid strategies for overcoming anxiety and breaks down the pernicious myth that all cold callers are born rather than made Salespeople don t have to be extroverts or the life of the party In fact it s the ability to listen rather than the gift of gab that makes someone successful at business to

business selling Turning the tables on the seller The Cold Calling Equation Problem Solved also demonstrates that not every lead is worth pursuing In a powerful section on qualifying Halper shows the salesperson how to quickly screen prospects through incisive questions It s a tactic that makes the phone call more controversial and gets the prospect talking Cold callers will also learn how to manage gatekeepers turning their enemies into allies who go from blocking to opening up and pointing in the right direction This helpful guide shows callers how to navigate objections those challenging phrases that prospects use to get off the phone Whether it is I do not have time right now or We are not interested Halper will show you why prospects use objections and how cold callers can get around them Even a reader with zero sales skills and no practical experience can read this book and learn how to utilize their phone and make it into a powerful sales tool It will move the novice cold caller from frustration and failure to control and success Cold Calling for Women Wendy Weiss,2000 Eliminate Telephone terror and turn cold call to cash Cold calling is a powerful inexpensive and easy way to develop new contacts and expand resources In today s market generating new business requires planning and skill For over 10 years Wendy Weiss has been a marketing consultant specializing in cold calling and appointment setting There's a Customer Born Every Minute Joe Vitale,2010-12-23 Praise for THERE S A CUSTOMER BORN EVERY MINUTE Joe Vitale has created an entertaining educational and motivational manual with the help of P T Barnum that belongs in every hotel room alongside the Bible Then guests might read his inspirational book first and give thanks to God for this worthy discovery Alan Abel media hoaxer author consultantand lecturer on Using Your Wits to Win If you re going to excel in business learning about a showman like Barnum and applying some of the lessons he taught can give you valuable insights Joe Vitale has captured ten of these lessons he calls them rings of power and shows how you can apply them in a way that will open your eyes and stretch your imagination There s a lot of money making and fun wisdom here Joseph Sugarman Chairman BluBlocker Corporation Finally someone does it Joe Vitale reveals the REAL P T Barnum Vitale highlights the outrageously astute marketing of Barnum Barnum s driving belief certainly was that there IS a customer born every minute You will glean a number of useful new marketing ideas that you can instantly use in your business And you will learn about one of the savviest marketers of a time gone by Fun exciting insightful and packed with ideas Genius Kevin Hogan author of The Science of Influence and The Psychology of Persuasion I love this book If you d like to know the real story about one of the most fascinating characters in American history told by a master storyteller and the person who probably knows more about him than anyone else read this book Barnum is not the guy portrayed by the legend attached to his name He is much much more and Vitale tells his story with the can t put it down passion and excitement he s become so well known for Bill Harris President Centerpointe Research Institute The Art of Influencing and Selling Ardi Kolah,2013-01-03 Whether you re new to sales or have at least one year s experience in selling this book will leapfrog your selling skills and understanding of sales techniques to a more sophisticated satisfying and more genuinely customer and client oriented level If you re more

experienced then this book provides a comprehensive refresher which uses fresh insights the latest ideas and practical useable tools like checklists to help you sell more and sell better Fully reference and researched The Art of Influencing and Selling covers The psychology of selling a product or service the sales pipeline and how to ensure it s realistic making an effective sales presentation up selling cross selling cold calling and warm calling effective approaches to prospective customers and clients how to interrogate a database of contacts to get more sales how to write effective sales materials the power of business networking how to get senior level appointments in your diary and closing a sale and follow up If you want to improve your sales performance by learning how to listen to your customer and client and collaborate with them profitably The Art of Influencing and Selling is the book for you **The Most Powerful Weapon in Your Marketing Arsenal** Jeffrey Josephson,2005-10-01 Cold calling is the fastest and most cost effective way to find qualified prospects and generate new sales This handbook teaches you everything you need to know to be successful in B2B lead generation **Publicize Your Book (Updated)** Jacqueline Deval,2008-07-01 For first time authors or the seasoned pro this is the absolutely essential how to for getting publicity totally updated and expanded This indispensable guide from a book publicity insider offers everything authors must know to assist their publishers in publicizing marketing and promoting their books including Effective networking Defining a target readership Creating pitches for talk shows Getting media coverage Utilizing the Internet and other outlets Preparing for interviews and tours Hiring an independent publicist With totally revised and updated information advice and resources the insiders all agree Read this book Ellen Levine editorial director Hearst Magazines *The Book You Want Everyone You Love to Read* Philippa Perry,2023-10-17 INSTANT SUNDAY TIMES BESTSELLER From author of the million copy international bestselling *The Book You Wish Your Parents Had Read* psychotherapist Philippa Perry helps you with managing all the other important relationships and connections in your life with compassion and a healthy dose of sanity Life is all about relationships and the quality of those connections whether that s with family partners friends colleagues or most importantly yourself If you can get those relationships in balance then the other tricky stuff that life throws your way becomes easier to manage In this warm practical and witty book international bestselling psychotherapist Philippa Perry shows you how to approach life s biggest problems How do you find and keep love What can you do to manage conflict better How can you get unstuck and cope with change and loss What does it mean to you to be content Are other people just annoying or are you the problem With a healthy dose of sanity Philippa Perry s compassionate advice helps readers become happier and wiser too *The Book of Jobs* Arlene Bastion,2009 **Highly Effective Networking** Orville Pierson,2009-02-15 Virtually all job hunting experts agree that networking is the best way to find a great job But most people don t have connections to the decision makers who do the hiring And networking books which are mostly written by and for salespeople suggest aggressive tactics often confusing these with real networking They focus on building a powerful network over the course of a lifetime But when you need a new job you don t have time to build a huge powerful network You ve got to

use the network you already have Orville Pierson a top expert in job hunting tells you how to succeed by effectively using your current circle of contacts He cuts through the myths and misunderstandings to show you how millions of job hunters have networked their way to great new jobs Highly Effective Networking empowers you to Use a small network to reach dozens of insiders and decision makers Get the right message to the right people even if you have never met them Create a project plan to organize your networking efforts Speak effectively and comfortably with your networking contacts Talk to decision makers before the job opening is announced Networking in job hunting is different than other networking You don't have to hobnob with the rich and famous There's no need for aggressive sales tactics You just need to understand how real networking fits into your job search and then be systematic about doing it

How to Market Design Consultancy Services Shan Preddy, 2017-03-02 The fast paced nature of the design business means that you probably spend most of your time energy and resources looking after your clients needs not your own In our current increasingly competitive marketplace where supply far outstrips demand no design business will survive for long let alone grow and develop without a really effective marketing programme It is no longer enough for you to provide a good product and simply hope for the best Potential clients need to know exactly what you can do for them and what makes you different from your competitors Existing clients need to know exactly why they should develop and continue their business with you Quite simply you need to convince design buyers that you are unequivocally the right consultancy for them time and time again This second fully revised and updated edition of Shan Preddy's popular book will help you to improve your marketing skills no matter how large or small your design company or which of the many disciplines you specialise in Packed full of accessible practical advice and information this book is indispensable for all design consultancies
