The American Bar ,2007 **Wine Law and Policy** Julien Chaisse, Fernando Dias Simões, Danny Friedmann, 2020-11-23

Winner of the Vitivinicultural Law OIV Award 2021 from the International Jury of the International Organisation of Vine and Wine Click here to read This 26 chapter volume brings together leading academics and practitioners to examine how wine law and policy have gradually moved from national terroirs to a global market It is the first holistic study of the comprehensive field of wine law which posits that the wine laws and regulations have caused an enormous imbalance between different jurisdictions which has either resulted in the overregulation which stifles innovation and under regulation which leaves many a wine consumer clueless about what they are drinking This book brings together legal scholarship about trade law intellectual property rights and health law and policy which are all relevant for the future of the wine industry

The Singapore Convention on Mediation Nadja Alexander, Shouyu Chong, 2019-10-14 The Singapore Convention on Mediation presents a comprehensive and insightful commentary on the Singapore Convention and the emerging field of the private international law of mediation The Convention is just beginning its life as an international legal instrument Recent years have witnessed the growing recourse to mediation as an alternative method of solving disputes in the sphere of international commercial and investment relations How is it likely to fare In this first comprehensive article by article commentary the authors provide a robust report on the features of the Convention and their implications with analysis of potential controversies and authoritative clarifications of particular provisions What s in this book The book s meticulous examination considers the following issues and topics international mediated settlement agreements as a new type of legal instrument in international law types of settlement agreements that fall within the scope of the Convention how the Convention s enforcement mechanism works the meaning of international and the absence of a seat of mediation the Convention s approach to recognition and enforcement of internationally mediated settlement agreements the grounds for refusal to grant relief under the Convention mediator misconduct as a ground for refusal to grant relief the impact of the Convention on private international law the relationship of the Singapore Convention with other international instruments such as the UN Model Law on International Commercial Mediation and the New York Convention on Arbitration possibilities for Contracting States to declare reservations How this will help you This book will be one of the first publications providing legal practitioners and other stakeholders with legal commentary on the Singapore Convention on Mediation It informs readers of the legal implications and potential controversies associated with the Convention and offers much needed clarifications on particular provisions This book takes a giant step towards relieving the inherent uncertainty associated with how this newly constituted instrument may operate and how States may become Convention ready It is sure to become an essential reference for international lawyers mediators and government officials as the Convention proves itself in the coming years Catalogue Southern Methodist University, 1962
