### **Paranthropology: Anthropological Approaches to the Paranormal**

Edited by Jack Hunter, 2012-06-30 We are living in a complicated period in relation to our understanding of extraordinary phenomena Naive materialist approaches are more assertive than ever in anthropology and in the world more generally At the same time the taboos against admitting to the reality of the paranormal are weakening There is a growing body of writing which takes the paranormal and extraordinary seriously while bringing to it the same academic standards that any other subject matter would require This is a valuable and important development and it helps open the way to new modes of understanding in the sciences and social sciences that will not reject scientific rationality but expand that rationality so as to include more of the world of human experience The articles in this Paranthropology reader provide important clues and suggestions along with rigorous argument to help us in exploring what is likely to be a major area of anthropological engagement in coming years Dr Geoffrey Samuel Cardiff University

*The Power of Premonitions* Larry Dossey, MD, 2009-10-05 The doctor and bestselling author who first demonstrated the healing effects of prayer now offers an unprecedented look at the science of premonitions The Power of Premonitions takes readers through documented cases of premonitions including a remarkable instance when an entire Nebraska community skipped church the very day it exploded an examination of recent scientific study of presentiment a discussion of what it all means to daily life and practical field tested techniques for inviting premonitions In this compelling new book Dossey uses cutting edge science to prove the value of what has long been considered spiritual mumbo jumbo This is a book for the sceptical mind but it s also for the believer s heart because its author possesses the rare gift of having both
