Before You Meet Prince Charming A To Radiant Purity:

Before You Meet Prince Charming Sarah Mally, Dan Brandon, Brandon Weaver, 2006-04 This guide to radiant purity combines the thoughts and events in the life of a young princess with solid clear teaching of Biblical convictions that young ladies today need to grasp Through a captivating fairy tale modern day examples practical instruction and abundant humor Sarah Mally challenges young ladies to turn to the Lord for fulfillment to guard their hearts and minds to identify and avoid the worlds thinking and to shine brightly in this generation This book offers Biblical answers to everyday questions and deep life struggles Sarah Mally is a bright light in our day Nancy Leigh DeMoss Author Host of Revive Our Hearts Radio A sweet and delightfully humorous story Creatively accomplished and very helpful Gregg Harris Author of The Christian Home School As soon as I started reading Sarahs book I knew it was a message that girls today desperately need to understand Sheri Prescott Author Speaker Miss Iowa 1997

The Oxford Handbook of the Study of Religion Michael Stausberg, Steven Engler, 2016 The Oxford Handbook of the Study of Religions provides a comprehensive overview of the academic study of religions Written by an international team of leading scholars its fifty one chapters are divided thematically into seven sections The first section addresses five major conceptual aspects of research on religion Part two surveys eleven main frameworks of analysis interpretation and explanation of religion Reflecting recent turns in the humanities and social sciences part three considers eight forms of the expression of religion Part four provides a discussion of the ways societies and religions or religious organizations are shaped by different forms of allocation of resources i e economy Other chapters in this section consider law the media nature medicine politics science sports and tourism Part five reviews important developments distinctions and arguments for each of the selected topics The study of religion addresses religion as a historical phenomenon and part six looks at seven historical processes Religion is studied in various ways by many disciplines and this Handbook shows that the study of religion is an academic discipline in its own right The disciplinary profile of this volume is reflected in part seven which considers the history of the discipline and its relevance Each chapter in the Handbook references at least two different religions to provide fresh and innovative perspectives on key issues in the field This authoritative collection will advance the state of the discipline and is an invaluable reference for students and scholars

Abstinence Cinema Casey Ryan Kelly, 2016-03-08 From the perspective of cultural conservatives Hollywood movies are cesspools of vice exposing impressionable viewers to pernicious sexually permissive messages Offering a groundbreaking study of Hollywood films produced since 2000 *Abstinence Cinema* comes to a very different conclusion finding echoes of the evangelical movement s abstinence only rhetoric in everything from *Easy A* to *Taken* Casey Ryan Kelly tracks the surprising sex negative turn that Hollywood films have taken associating premarital sex with shame and degradation while romanticizing traditional nuclear families courtship rituals and gender roles As he demonstrates these movies are particularly disempowering for young women concocting plots in which the decision to refrain from sex until

marriage is the young woman's primary source of agency and arbiter of moral worth. Locating these regressive sexual politics not only in expected sites like the Twilight films but surprising ones like the raunchy comedies of Judd Apatow, Kelly makes a compelling case that Hollywood films have taken a significant step backward in recent years. Abstinence Cinema offers close readings of movies from a wide spectrum of genres and it puts these films into conversation with rhetoric that has emerged in other arenas of American culture. Challenging assumptions that we are living in a more liberated era, the book sounds a warning bell about the powerful cultural forces that seek to demonize sexuality and curtail female sexual agency.

Patriarchal Lineages in 21st-Century Christian Courtship Elizabeth L. Shively, 2020-08-10 Drawing from a study of courtship media and ethnographic work at purity retreats and home school conventions across the Midwest, this is the first inquiry into modern Christian courtship, an alternative to dating that asks young people to avoid both romance and sex until they are ready to be married. Bridging sociological and historical studies of American Christianity with youth and girlhood studies literatures, Elizabeth Shively finds that the courtship system is designed to shore up the patriarchal nuclear family structure at the center of conservative Christianity and ensure predictability in the face of emerging adulthood. Single young women work to embody ideals of luminous femininity and model themselves after archetypes such as the Proverbs 31 woman, the stay-at-home daughter, and the mission-minded girl, and courting couples strive to guard their hearts against premature emotional intimacy. Nonetheless, participants report that courtship like other relationships inevitably carries an element of risk, and it ultimately fails to offer a substantial challenge to the sexist realities of youth dating culture. **Evangelical Purity Culture and Its Discontents** Kathryn House, Sara Moslener, 2025-05-09 This volume is a collection of cutting-edge interdisciplinary and creative essays that establishes a new approach to the study of evangelical purity culture. It is a critical starting point for anyone seeking to understand this movement or begin their own research. The book brings together the work of the Purity Culture Research Collective, an independent and unaffiliated organization of scholars, mental health professionals, artists, and advocates dedicated to studying the origins and impact of evangelical purity culture. The study of purity culture is an interdisciplinary project using a variety of theories and methods, including those from psychology, religious studies, sociology, ethics, biblical/theological studies, queer studies, feminist studies, historical studies, and critical race studies. Chapters in this volume employ various methods of inquiry, with some framing their work in traditional academic prose and others making use of self-reflexive analysis to acknowledge their own experiences as informing their arguments and conclusions. This collection of essays reflects emerging scholarship both within and beyond the academy and stands as an example of how traditional academic analysis can be released from the confines of disembodied scholarship and is enriched by a diversity of approaches. This book was originally published as a special issue of *Theology Sexuality: Recovering from Purity Culture*. Dr. Camden Morgante, 2024-10-15 We know what is wrong with purity culture; now we need to know how to heal. Drawing on historical and psychological research, her own personal experience, and therapy case studies, Dr. Camden

Morgante tackles what comes next in reclaiming our sexuality from the harmful teachings so many evangelical Christians grew up believing With great compassion and insight Dr Camden exposes five myths of purity culture and their effects on individuals and relationships offers proven therapy techniques to replace harmful lies with healing truth provides strategies to overcome shame in the mind and body explores the connection between purity culture trauma and faith deconstruction helps the hurting reconstruct their faith with peace and acceptance A healthy sexuality is not out of reach for those who have been harmed by purity culture You can find freedom from shame restrictive gender roles and stunted relationships Dr Camden shows you the way forward Before you meet Prince Charming Sarah Mally,2006 PURE AND BRIGHT IN A WORLD OF DARKNESS THIS IS TO HELP YOUNG LADIES TO USE THE YEARS OF THEIR YOUTH FULLY FOR CHRIST

The Routledge Companion to Media and Fairy-Tale Cultures Pauline Greenhill,Jill Terry Rudy,Naomi Hamer,Lauren Bosc,2018-03-28 From Cinderella to comic con to colonialism and more this companion provides readers with a comprehensive and current guide to the fantastic uncanny and wonderful worlds of the fairy tale across media and cultures It offers a clear detailed and expansive overview of contemporary themes and issues throughout the intersections of the fields of fairy tale studies media studies and cultural studies addressing among others issues of reception audience cultures ideology remediation and adaptation Examples and case studies are drawn from a wide range of pertinent disciplines and settings providing thorough accessible treatment of central topics and specific media from around the globe **Church bells, ed. by J.E.
