Biblical Eschatology: Dr. Justin G. Prock, 2021-06-20 In recent history men from a variety of backgrounds have come to the same conclusion that the Bible is about Israel only For example In 1861 John Mason Neale translated an ancient twelfth century Latin hymn and its title was O Come O Come Emmanuel Ever since 1861 Christians have sung that hymn at Christmas time especially at Advent Do you know what the words really mean that you are singing In 1878 Edward Hine wrote an article titled Seven Eighths of the Bible Misunderstood wherein he explains that seven eighths of the Bible is about national salvation i.e. the national salvation of True Israel whereas only one eighth of the Bible is about personal salvation Did you know that In the 1960's Pastor Sheldon Emery wrote an article titled An Open Letter to Any Minister Who Teaches the Jews Are Israel wherein he is of the opinion that the Israel that exists today since 1948 is not the True Israel of the Bible In 1998 Arnold E Kennedy wrote a book titled The Exclusiveness of Israel wherein he legally proves using the King James Version of the Bible that the Bible in general is only about True Israel So here we are in the Twenty First Century and the Gospel that is preached today is totally convoluted from that which was preached in the First Century A.D. by Yahshua and His disciples i.e. the Gospel of the Kingdom So where did the so called churches and

pastors go wrong By the way is there really a hierarchy in the Bible In order to find out what the truth really is we have to look at the original languages in which the Bible was written and then translated For example the Old Testament was written in Hebrew and Aramaic then translated into Greek The New Testament was written in Hebrew and Greek Both Testaments were put together and translated into Latin then German and finally into English from which the entire world received their own translation of the Bible So what was the original meaning of the words used in the original languages i e the etymology of the words Once that is determined then we can go onto the next phase and discuss types in the Bible From there what is the Law of First Mention How should Bible prophecy be Interpreted Who are the keys to Bible prophecy Where are we in the Bible prophecy timeline During these discussions we will find out who Yahweh chose of all the families of the earth to make His own The churches teach universalism The question then becomes Who was Yahweh s Law given to What are the Laws of Yahweh And then the even bigger question becomes Who was Yahshuah sent to All of these questions and more will be answered as you read this book *What Happens After Life?* Ron Rhodes,2014-04-01 Do you wonder what happens when you die If so you ll love these short inspirational explanations of the Bible s most encouraging teachings about heaven Trusted Bible teacher Ron Rhodes combines his rock solid scriptural insight with illustrations from leaders throughout church history Each chapter is short enough to read in one sitting and zeroes in on a single encouraging truth You will quickly find your fears and doubts replaced with confidence in these truths Death is a transition into a wonderful life not a fearful end You will enjoy eternity in a wonderful new body You will be reunited with Christian loved ones Sin sorrow sickness and pain will be no more Best of all you will enjoy face to face fellowship with God Bypassing philosophical arguments and contentious debates this reassuring look at the clear teaching of the Bible will empower you to embrace the future with hope and joy Why Believe It? John Huffman,2018-07-26 John has written a book of Christian apologetics answering questions about the Christian faith through facts of history science and scripture Many people have personal beliefs based on a compilation of religious ideas embedded from day to day experiences and hearsay We need a deliberative theology based on proper hermeneutics of scripture which in no way contradicts facts of the history of the church secular history and science The practical guide used for understanding the Scriptures will be the historical grammatical and literary approach which takes into consideration that our Bible was written by humans at different times cultures and circumstances but always under the superintendence of the Holy Spirit therefore making it God s infallible Word This book endeavors to bring the author s insight and spiritual gifts to its pages to share God s message of grace and hope for all mankind through the reconciling and saving work of Jesus Christ **The Revelation Commentary** Dennis James Woods,2025-04-27 Jesus prophesied that the great tribulation would be an unprecedented time of distress that would never occur again Nothing in history compares to what the Bible declares is coming on this world The book of Revelation gives specific details of this time that no other book in the world contains With all its vital information why is it that so many Christians do not read Revelation

Have popular rapture theories convinced many that Revelation does not apply to the church? Would God providentially place Revelation in the New Testament if the church really didn't need it? In this powerful verse-by-verse commentary, Dennis James Woods presents a unique Prewrath interpretation of Revelation, critiquing the widely accepted Pretribulation rapture theory. The commentary argues that Revelation was written for the church and that much of its content directly applies to believers. Woods provides historical context, theological analysis, and practical insights, offering an alternative eschatological framework that challenges traditional dispensational thought while emphasizing the necessity of preparing for end-time events. Revelation is the only book in the world with specific details that tell us where this world is heading. It's the only book in the Bible that begins with a special blessing for those who read it. If the church is to be raptured before the Antichrist comes, praise God! But what happens if that's wrong? Then the book of Revelation, marginalized by so many, will become a vital guide for prophetic events to come.

Biblical Eschatology, Second Edition Jonathan Menn, 2018-03-07. *Biblical Eschatology* provides what is not found in any other single volume on eschatology; it analyzes all the major eschatological passages, including the Olivet Discourse and the book of Revelation, issues including the second coming of Christ, the millennium, the rapture, and Antichrist, and positions including all the major views of the millennium in a clear but not superficial way. The book concludes with a chapter showing how eschatology is relevant for our lives. *Biblical Eschatology* makes understanding eschatology easier by including chapters on how to interpret prophecy and apocalyptic literature by showing the history of eschatological thought and by placing eschatology in the context of the Bible's overall story line and structure. Clarity and understanding are enhanced by the use of comparative tables and appendices. Subject and Scripture indexes are included. The book interacts with the best of Evangelical and Reformed scholarship and the extensive bibliography, which includes the web addresses of many online resources, provides an excellent source for the reader's further study. This is a perfect resource for intelligent Christians, including pastors, students, and teachers who desire to understand eschatology and to see how it fits together with the rest of the Bible.

Bible Prophecy Under Siege Ron Rhodes, 2024-02-13. *Understanding and Answering False Claims about Prophecy*. Many people today cast doubt on the promises God gives his church in Bible prophecy as predicted by Scripture itself. Scoffers will come in the last days with scoffing, following their own sinful desires. They will say, "Where is the promise of his coming?" 2 Peter 3:3-4. *Bible Prophecy Under Siege* provides a thorough survey of the misunderstandings and misguided thinking people sometimes have about the last days. Prophecy expert Ron Rhodes offers you careful guidance through these differing viewpoints, and you will learn the ways Bible prophecy is under siege and how to respond to false claims biblically, gain helpful historical insights about the rapture and other prophetic issues, be emboldened to hold firmly to prophetic biblical truth during trying times, be encouraged to live with conviction rooted in God's Word. With a perspective grounded in the Bible, you will be equipped to discern flawed views on prophecy, rest secure in immovable truth, and grow in anticipation of the day when Christ will make all things new.

Moldenhauer,2025-09-04 Writers have analyzed the letters to the seven churches in Revelation chapters 2 and 3 from various perspectives resonant or not allegorical or literal A widely taught historical view holds that the seven churches represent the overall history of the church age from Pentecost to the present But a practical perspective recognizes that any of the seven churches in Revelation can represent any particular local gathering at any time in the church age This study Christ the Judge of the Seven Churches of Revelation provides down to earth explanations of Christ s messages to the seven churches of Asia Minor It takes a literal conservative approach but not necessarily a traditional one This examination intertwines relevant passages of Scripture with the messages to the churches Highlighted with numerous practical applications it should serve as a valuable resource for anyone desiring to gain a better and fresh understanding of the first three chapters of Revelation
