Bengali Sahaj Path Part:

Education and Inequality in India Manabi Majumdar, Jos Mooij, 2012-10-02 This book focuses on primary education in India and interrogates what schooling means and does to children from weaker sections of Indian society and which values underpin the school system It examines whether the concept of education for all is just a mechanically conceived policy target to chasing enrolment and attendance or whether it a larger social goal and a deeper political statement about the need for attacking entrenched social inequalities and above all an affirmation of the idea that schooling has a liberating potential Drawing on original data collected in the two states of Andhra Pradesh and West Bengal the authors first present the multiple ways in which social class impinges on the educational system educational processes and educational outcomes In the second part of the book issues around autonomy and accountability are explored via an analysis of the position of teachers within the educational hierarchy and by looking at the various possibilities of making teachers accountable The last part centres on the learning process with a particular focus on the classroom The conclusion includes recommendations that are related to the necessity for a larger debate and normative framework which includes private schools as possible partners in the pursuing of a public good for which a public entity should take some responsibility and in conjuncture to that the necessity to move from government action and responsibilities to a broader concept of public action Provided by publisher

Disciplined Subjects Sutapa Dutta, 2020-12-23 This book examines interactions between Britain and India through the analytical framework of the production and circulation of knowledge throughout the long eighteenth century Disciplined Subjects is one of the first works to analyse the imperial school curriculum and the ways in which it shaped and influenced Indian subjectivity The author focuses on the endeavours of the colonial government missionaries and native stakeholders in determining the physical material and intellectual content of institutional learning in India Further the volume compares the changes in pedagogical practices and textbooks in schools in Britain and colonial Bengal and its subsequent repercussions on the psyche and identity of the learners Drawing on a host of primary sources in the UK and India this volume will be of great interest to scholars and researchers of modern history education sociology and South Asian studies

Journal of the Lal Bahadur Shastri Academy of Administration Lal Bahadur Shastri Academy of Administration, 1974 *Folklore, Religion and the Songs of a Bengali Madman* Carola Lorea, 2016-08-01 This book explores historical and cultural aspects of modern and contemporary Bengal through the performance centred study of a particular repertoire the songs of the saint composer Bhaba Pagla 1902 1984 who is particularly revered among Baul and Fakir singers The author shows how songs if examined as sacred scriptures represent multi dimensional texts for the study of South Asian religions Revealing how previous studies about Bauls mirror the history of folkloristics in Bengal this book presents sacred

songs as a precious symbolic capital for a marginalized community of dislocated and unorthodox Hindus who consider the practice of singing in itself an integral part of the path towards self realization Language Policy and Education in India M. Sridhar, Sunita Mishra, 2016-08-05 This book presents a history of English and development of language education in modern India It explores the role of language in colonial attempts to establish hegemony the play of power and the anxieties in the nineteenth and early twentieth century India The essays in the volume discuss language policy debates and pedagogy as well as larger overarching questions such as identity nationhood and sub nationhood The work also looks at the socio cultural and economic factors that shaped the writing and publishing of textbooks dictionaries and determined the direction of language teaching specifically of English language teaching Drawing on a variety of archival sources policy documents books periodicals this book will be of great interest to scholars and researchers of linguistics language teaching cultural studies and modern Indian history *Bengal Divided* Joya Chatterji, 2002-06-06 An original and compelling account of the Hindu partitionist movement in Bengal **Journal of the Lal Bahadur Shastri National Academy of Administration** Lal Bahadur Shastri National Academy of Administration, 1974 **Education for Fullness** H. B. Mukherjee, 2020-10-21 This volume is the first comprehensive exploration of Rabindranath Tagore s works on education and pedagogy It presents a valuable account of the creation of Santiniketan and Visva Bharati Tagore s vision of social regeneration and his rejection of the colonial scheme while reflecting on significant events of his life and his ideas The book evaluates Tagore s unique contribution to education and discusses his views on fundamental issues such as aim method discipline and medium It reinforces for readers today the relevance of his experiments and activities in the field of education Drawing from various sources the book also offers bibliographic information on Tagore s writing on education This new edition with a new Introduction and Foreword will be of immense value to educationists teachers policymakers and those interested in modern Indian history and the philosophy of education **Economic and Political Weekly** , 1989 *Calcutta Gazette* Bengal (India), 1935-04 Tagore and Nationalism K. L. Tuteja, Kaustav Chakraborty, 2017-03-15 This volume brings together eminent Tagore scholars and younger writers to revisit the concepts of nation nationalism identity and selfhood civilization culture and homeland in Tagore s writings As these ideas take up the centre stage of politics in the subcontinent as also elsewhere in the world in the 21st century it becomes extremely relevant to revisit his works in this context Tagore s ambivalence towards nationalism as an ideology was apparent in the responses in his discussions with Indians and non Indians alike Tagore developed the concept of syncretic civilization as a basis of nationalist civilizational unity where society was central unlike the European model of state centric civilization However as the subterranean tensions of communalism became clear in the early 20th century Tagore reflexively critiqued his own political position in society He thus emerged as the critic of the nation nation state and in this he shared his deep unease with other thinkers like Romain Rolland and Albert Einstein This volume for the first time covers the socio political historical literary and cultural concerns relating to Tagore s

efforts towards the de colonization of the Self The volume begins with various perspectives on Tagore s ambivalence about nationalism It encompasses critical examinations of Tagore s literary works and other art forms as well as adaptations of his works on film It also reads Tagore s nationalism in a comparative mode with contemporary thinkers in India and abroad who were engaged in similar debates **Continuity and Change in Rural West Bengal** Georges Kristoffel Lieten, 1992
