Beyond The Lines An Autobiography Kuldeep Nayar:

Beyond The Lines: An Autobiography Kuldeep Nayar, 2012-08-10 A veteran journalist and former member of Parliament Kuldeep Nayar is India's most well known and widely syndicated journalist. He was born in Sialkot in 1923 and educated at Lahore University before migrating to Delhi with his family at the time of Partition. He began his career in the Urdu newspaper Anjam and after a spell in the USA worked as information officer of Lal Bahadur Shastri and Govind Ballabh Pant. He eventually became Resident Editor of the Statesman and managing editor of the Indian news agency UNI. He corresponded for the Times for twenty five years and later served as Indian high commissioner to the UK during the V P Singh government. His stand for press freedom during the Emergency when he was detained, his commitment to better relations between India and Pakistan and his role as a human rights activist have won him respect and affection in both countries. Author of more than a dozen books, his weekly columns are read across South Asia. **The People Next Door** T.

C. A. Raghavan, 2019 Considers the relationship between India and Pakistan since the bloody Partition of 1947. **The Great Conciliator** Sanjeev Chopra, 2025-03-18 Lal Bahadur Shastri a man of slight stature took a larger than life stand as India's prime minister. A man of few words, his correspondence was to the point, his speeches succinct. His silence, which some understood as willingness to acquiesce, was both a strength and a weakness. But in fact, during his short term of just about eighteen months, he established institutions that brought India on the path of self sufficiency and helped defend against external aggression. Prime Minister Shastri galvanized the nation with his slogan Jai Jawan Jai Kisan, recognizing the farmers for contributing to both food and national security. He is credited with laying the foundation of the Green Revolution, providing an institutional format to the Commission for Agricultural Costs and Prices and the Food Corporation of India and establishing the National Dairy Development Board. Shastri is also strongly etched in public memory as the first Indian prime minister to direct the army to cross the border. To his leadership, therefore, goes the credit for the first surgical strike. He established key national and domestic security organizations like the Border Security Force and the Central Bureau of Investigation. In **The Great Conciliator**, Sanjeev Chopra draws on meticulous research to turn the spotlight on an often overlooked figure in Indian politics and makes a case for reassessing the legacy of India's unassuming second prime minister.

Indira Files: A Critical Look At The Controversial Side of Indira Gandhi Vishnu Sharma, 2023-12-21 Analyze the controversial side of Indira Gandhi's political legacy with **Indira Files**, offering a critical examination of her leadership and policies. I have always felt that Indira Gandhi is the exceptional and foremost example of the dynastic politics of independent India. She is a perfect example of dynastic rule; on one hand, she is called the Iron Lady, on the other hand, people pay tribute to her dictatorship for imposing emergency in the country. Where, on one hand, Indira Gandhi carved her name in golden letters in Indian history by dividing Pakistan into two, on the contrary, she has also endured the slogans like Sanjay ki mummy badi nikammi for blindly loving her son, like Gandhari loved Duryodhana. Nonetheless, we cannot forget that it was Indira

Gandhi who gave wings to India's strength and courage by conducting the Nuclear Test however she was also the Prime Minister for whom the High Court issued orders to be removed from her office In fact Indira Gandhi is merely a symbol of dynasty politics The point here is to remind the young people that they cannot strive for ideal politics by idolising those who have flourished through family inheritance of post or position In today's scenario there are numerous political parties that operate under a single family's control Although I hold great admiration for Indira Gandhi however her darker side is perhaps more prominent Hence I believe that young aspirants who are interested in politics can learn valuable lessons from this book on what not to do
