## **Bible Basics For Catholics A New Picture Of Salvation History John Bergsma:**

Bible Basics for Catholics John Bergsma, 2015-10-02 John Bergsma's popular Bible Basics for Catholics which has sold more than 60 000 copies offers readers an accessible vision of salvation history as it unfolds in the Bible showing readers how the Bible points us to the saving life and work of Jesus. This new edition includes an additional chapter on covenant fulfillment in the Book of Revelation. Bergsma brings to his theology a combination of academic expertise, pastoral wisdom and unique playfulness. Bible Basics for Catholics is based on Bergsma's popular Introduction to Theology course at Steubenville. As a teacher, Bergsma has an uncanny ability to make complex ideas understandable and faith inspiring while staying true to both Catholic teaching and biblical scholarship. Readers will begin to see the Christian understanding of salvation by walking through the Old Testament going through the great stories of Adam and Eve, Noah, Abraham, Moses, the great kings and prophets of Israel and culminating in the person and work of Jesus Christ. Psalm Basics for Catholics John Bergsma, 2018-03-16 In his third back to basics look at the Bible, popular theology professor and bestselling Catholic author and speaker John Bergsma highlights the presence of Jesus in the psalms and helps us understand their meaning in light of the story of salvation. Bergsma employs the same conversational style and simple illustrations found in Bible Basics for Catholics and New Testament Basics for Catholics to help bridge the gap between the world of contemporary Catholics and the ancient world of the Bible. In Psalm Basics for Catholics, John Bergsma introduces us to King David, the story of Israel and the salvation of the Jewish people through the coming of Jesus. For more than two thousand years, Christians have sung, chanted and prayed the psalms, a practice of worship inherited from our Jewish ancestors in faith. Whether prayed during Mass, the Liturgy of the Hours or in personal reflection, these ancient hymns continue to be a guiding light for Catholics. Yet rarely do we step back and look at how the psalms fit into the story of salvation revealed in the Bible the way Bergsma does here. Bergsma also addresses common questions about the psalms including: Do the psalms really predict Jesus? What do we make of the so-called curse psalms? Why do we pray the psalms in the Liturgy of the Hours? How do I read and pray the psalms? Bergsma's insightful practical examination of the psalms helps Catholics see how their promise is fulfilled in Christ. Love Basics for Catholics John Bergsma, 2023-03-10 Winner of a honorable mention award in the popular scripture studies category from the Catholic Media Association. When you begin to see the Bible as a book of love, it will change the way you view love, sex, marriage, family and your personal relationship with God. Walk with popular scripture scholar John Bergsma from the creation of Adam and Eve in the Garden of Eden to the wedding between the Lamb and the New Jerusalem in the Book of Revelation to learn how marriage in the Bible represents the love between God and his people. Bergsma focuses on what nine biblical marriages tell us about God's relationship with us. These stories include Adam and Eve who show us that marriage is the culmination of all creation and that marriage can be an image of the Trinity. Ruth and Boaz who display the tenderness and virtue of a marriage. Solomon and his bride in the Song of Songs who illustrate a positive healthy view of the

body and physical beauty and Jesus as Bridegroom of his people the Church Using his popular whimsical stick figure illustrations and engaging style Bergsma helps us understand scripture and salvation history in a unique memorable way He also provides insight into Church teachings on marriage and relationships such as monogamy the single life the Sacrament of Matrimony and Jesus's words about divorce to show how these teachings come from the love God shares with his people through the covenants in scripture

[The Decline and Fall of Sacred Scripture: How the Bible Became a Secular Book](#) Scott Hahn,Benjamin Wiker,2021-05-07 What is wrong with Scripture scholarship today Why is it that the last place one should go to study the Bible is a biblical studies program at virtually any university Why are so many faithful priests and pastors and the people in their pews unaware of the centuries long effort to turn the sacred Word of God into just another secular text In *The Decline and Fall of Sacred Scripture How the Bible Became a Secular Book* authors Scott Hahn and Benjamin Wiker trace the various malformations of Scripture scholarship that have led to a devastating loss of trust in the inspired Word of God From the Reformation to the Enlightenment and beyond Hahn and Wiker sketch the revolutions and radical figures that led to the emergence of the historical critical method and the pervasive ill effects that are still being felt today

[Many Roads Lead Eastward](#) Robert D. Miller,2016-10-27 Is there a gap between the academic study of the Bible and the work of theologians What lies behind this gap And most important how have biblical scholars tried to bridge the gap with hermeneutical methods This book addresses the exegesis vs theology impasse and categorizes the most important attempts to bridge it over the past century especially those of the last decades These attempts are assessed and evaluated so that readers can see the philosophies undergirding each and the potential each has for a true theological interpretation of the Bible

**Five Models of Scripture** Mark Reasoner,2021-08-24 To relish the feast that is Scripture we need to use

multiple models A Christian never gains all that Scripture offers by reading it with just one approach Yet too often this is attempted whether through an academic obsession with the historical critical method or through a consumerist approach that seeks only the motivation of the moment Mark Reasoner broadens the options for scriptural engagement by describing five models of Scripture documents stories prayers laws and oracles To illustrate each he uses examples from throughout the history of interpretation While he concedes that certain books of the Bible will naturally lend themselves to particular models Reasoner shows how an appreciation for all five will enrich one's scriptural insights while also bridging divides between the various branches of the Christian family In addition to the five models Reasoner surveys Catholic Orthodox and Protestant constructions of the biblical canon and addresses specific issues relevant to their respective interpretations of Scripture including scriptural metanarratives the use of the Bible in Christian worship and the principle of sola Scriptura Through it all Reasoner remains unequivocally focused on his goal to help readers grow in their love for Scripture in ways that will help them plant this love in those to whom they minister
