The Biblical Greek Companion for Bible Software Users Mark L. Strauss, 2016-09-27 Provides students with simple and clear explanations of the grammatical terms they're likely to encounter in their Bible software of choice

While Bible language and exegetical programs provide users with lots of useful information most of them unfortunately don't explain the basic meaning of the grammatical terminology or why that information is significant for understanding biblical texts. For most of us it's been a long time since we've had any formal training in English grammar. So if you're using a Greek language program and you come across grammatical terms like vocative genitive subjunctive or middle voice this is your quick index. To make this book as user friendly as possible each entry provides a description of what the form looks like a summary of what it does its main functions with examples from the Greek New Testament. An Exegetical Insight to show how understanding the grammar helps you interpret the text. The Biblical Greek Companion for Bible Software Users is ideally suited for Pastors and ministry leaders who may have learned Greek at one time but have experienced the loss of much of that learning. College and seminary students who are learning Greek and need a guide to help understand the significance of the grammatical terminology. Bible software users who never formally learned Greek in the classroom and need help understanding the meaning of the terms they encounter. Any users of programs like Logos Bible Software Accordance Bible Software Olive Tree or other Bible software programs who want a quick and easy reference. With grammatical terms laid out and discussed in an intuitive and user friendly format readers can now spend time focusing on exegesis and applying their findings to their preaching teachings study and writing instead of puzzling over the significance of grammatical terminology and how to apply it.

Biblical Exegesis, Third Edition John H. Hayes, Carl R. Holladay, 2007-03-19 John Hayes and Carl Holladay have thoroughly revised and expanded this best selling textbook adding new chapters on emerging methods of interpretation and the use of computer technology for exegesis. All bibliographies have been updated and Scripture has been converted to the NRSV. This new edition retains the features of the early editions a minimum of technical terms solid introductory guidelines in exegetical methods and a valuable presentation of exegetical theory and practice. It is ideal for general introductory exegesis courses introductions to the Old and New Testaments and introduction to preaching as well as for pastors and lay leaders.

Linguistic Analysis of the Greek New Testament Stanley E. Porter, 2015-03-17 In this volume a leading expert brings readers up to date on the latest advances in New Testament Greek linguistics. Stanley Porter brings together a number of different studies of the Greek of the New Testament under three headings texts and tools for analysis approaching analysis and doing analysis. He deals with a variety of New Testament texts including the Synoptic Gospels John and Paul. This volume distills a senior scholar's expansive writings on various subjects making it an essential book for scholars of New Testament Greek and a valuable supplemental textbook for New Testament Greek exegesis courses.

Using and Enjoying Biblical Greek Rodney A. Whitacre, 2015-11-24 Many who study biblical Greek despair of being able to use it routinely but veteran instructor Rodney Whitacre says there is hope. By learning to read Greek slowly students can become fluent one passage at a time and grasp the New Testament in its original language. Whitacre explains how to practice meditation on Scripture lectio divina in Greek presenting a workable way to make Greek useful in life and ministry.

Ideal for classroom use and for group or individual study this book helps students advance their knowledge of Greek and equips them to read the original texts with fluency and depth **Greek for the Rest of Us Laminated Sheet** William D. Mounce, 2019-04-23 Many people want to learn Greek in order to better understand the Bible but very few are able to spend the numerous years required to master Biblical Greek even those who have a seminary education The get an A laminated sheet for Greek for the Rest of Us by William Mounce is a critical part of acquainting students with the essentials of the language and deepening their understanding of God s Word Developed by renowned Greek teacher William Mounce this Greek for the Rest of Us Laminated Sheet will help students recite the Greek alphabet read and pronounce Greek words learn the Greek noun and verbal system conduct Greek word studies decipher why translations are different see the author s flow of thought and central message and read better commentaries
