Before I Go Riley Weston:

Presence of Mind Hardcover Melissa Schenk, **Exploring Communication Ethics** Randy Bobbitt, 2020-03-03

Exploring Communication Ethics is a comprehensive textbook on the ethical issues facing communication professionals in today's rapidly changing media environment. Empowering students to respond to real world ethical dilemmas by drawing upon philosophical principles, historical background, and the ethical guidelines of major professional organizations, this book is designed to stimulate class discussion through real world examples, case studies, and discussion problems. Students will learn how to mediate between the best interests of their employers and their responsibilities toward other parties and to consider how economic, technological, and legal changes in their industries affect these ethical considerations. It can be used as a core textbook for undergraduate or graduate courses in communication or media ethics and provides an ideal supplement for specialist classes in public relations, professional communication, advertising, political communication, or journalism and broadcast media.

Can I See Your I.D.?: True Stories of False Identities Chris Barton, 2011-04-14 True crime, desperation, fraud, and adventure. From the impoverished young woman who enchanted nineteenth century British society as a faux Asian princess to the sixteen year old boy who stole a subway train in 1993 to the lonely but clever Frank Abagnale of Catch Me if You Can fame, these ten vignettes offer riveting insight into mind-blowing masquerades. Graphic panels draw you into the exploits of these pretenders, and meticulously researched details keep you on the edge of your seat. Each scene is presented in the second person, a unique point of view that literally places you inside the faker's mind. With motivations that include survival, delusion, and plain old fashioned greed, the psychology of deception has never been so fascinating or so close at hand.

Dark Storm Christine Feehan, 2012-10-02 Return to the steamy and dreamy Publishers Weekly world of Christine Feehan's 1 New York Times bestselling Carpathian novels as thundering passions signal a dark force on the horizon. Buried alive for hundreds of years in a volcano in South America, Dax worries that he has become the abomination that every Carpathian male fears: a victim of the insidious evil that has crept relentlessly into his mind and body over the centuries. But Dax isn't the only one emerging from the darkness. His name is Mitro, and he once stood by the side of the prince of the Carpathian people. Now he is the epitome of malevolence and perpetrator of one of the most shocking killing sprees known to man. No one escaped the bloodshed, including his lifemate, Arabejila. Now, between Dax and Mitro, a violent game has begun, one that has marked Riley Parker, the last descendent of Arabejila, as the reward.
