Ecology and Literatures in English Françoise Besson, 2018-12-14 In all latitudes writers hold out a mirror leading the reader to awareness by telling real or imaginary stories about people of good will who try to save what can be saved and about animals showing humans the way to follow Such tales argue that in spite of all destructions and tragedies if we are just aware of and connected to the real world around us to the blade of grass at our feet and the star above our heads there is hope in a reconciliation with the Earth This may start with the emergence or rather the return of a nonverbal language restoring the connection between human beings and the nonhuman world through a form of communication beyond verbalization Through a journey in Anglophone literature with examples taken from Aboriginal African American English Canadian and Indian works this book shows the role played by literature in the protection of the planet It argues that literature reveals the fundamental idea that everything is connected and that it is only when most people are aware of this connection that the world will change Exactly as a tree is connected with all the animal life in and around it texts show that nothing should be separated From Shakespeare's theatre to ecopoetics from travel writing to detective novels from children's books to novels all literary genres show that literature responds to the violence destroying lands men and nonhuman creatures whose voices can be heard through texts

Empire Of The Ants Bernard Werber, 2012-12-31 Ants came to this planet long before man Since then they have developed one of the most intricate civilizations imaginable a civilization of great richness and technological brilliance During the few seconds it takes you to read this sentence some 700 million ants will be born on earth Edmond Wells had studied ants for years he knew of the power which existed in their hidden world On his death he leaves his apartment to his nephew Jonathan with one proviso that he must not descend beyond the cellar door But when the family's dog escapes down the cellar steps Jonathan has little alternative but to follow Innocently he enters the world of the ant whose struggle for existence forces him to reassess man's place in the cycle of nature It is an experience that will alter his life for ever *Empire of the Ants* is an extraordinary achievement It takes you inside the ants universe and reveals it to be a highly organised world as complex and relentless as human society and even more brutal

Humorous Wit Djamel Ouis, 2020-01-17 *Humorous Wit* is a new compilation of quotations in their most humoristic form There are over 15 000 of these taken from various parts of the world with over 1 200 of them translated into English for the first time This book features 5 000 authors from every corner of the globe covering a period starting before classical antiquity when man first started to record his thoughts to modern times enriching the cultural heritage This does not in any way mean that the caveman was less humorous but the richness of the

environment we live in today and the variety of subject matter contribute considerably to a refined sense of humour Moreover considering that chimps and other primates also possess the ability to laugh humour may have been around longer than the human race

hearts and unspoiled eyes On that road we heard the song of morning stars we drank in fragrances aerial and sweet as a May
 mist we were rich in gossamer fancies and iris hopes our hearts sought and found the boon of dreams the years waited
 beyond and they were very fair life was a rose lipped comrade with purple flowers dripping from her fingers We may long
 have left the golden road behind but its memories are the dearest of our eternal possessions and those who cherish them as
 such may haply find a pleasure in the pages of this book whose people are pilgrims on the golden road of youth 5 CHAPTER I
 A NEW DEPARTURE It had been a day of wild November wind closing down into a wet eerie twilight Outside the wind was
 shrilling at the windows and around the eaves and the rain was playing on the roof The old willow at the gate was writhing in
 the storm and the orchard was a place of weird music born of all the tears and fears that haunt the halls of night But little we
 cared for the gloom and the loneliness of the outside world we kept them at bay with the light of the fire and the laughter of
 our young lips 1 11 CHAPTER XXXIII THE STORY GIRL GOES You have always been SO KIND to me and never hurt my
 feelings AS SOME DO and I shall miss you SO MUCH But I earnestly HOPE AND PRAY that you will be HAPPY AND
 PROSPEROUS wherever YOUR LOT IS CAST and not be seasick on THE GREAT OCEAN I hope you will find time AMONG
 YOUR MANY DUTIES to write me a letter ONCE IN A WHILE I shall ALWAYS REMEMBER YOU and please remember me I
 hope we WILL MEET AGAIN sometime but if not may we meet in A FAR BETTER WORLD where there are no SAD PARTINGS

creation by Jack Hutton and Linda Hutton Anne of Green Gables Jack Linda Hutton Muskoka District Municipality Bala Bala s
Museum with Memories of Lucy Maud Montgomery Bala 1922 7 The Blue Castle 1926 CHAPTER I But on this morning of her
day of fate Valancy could not find the key of her Blue Castle Reality pressed on her too hardly barking at her heels like a
maddening little dog She was twenty nine lonely undesired ill favoured the only homely girl in a handsome clan with no past
and no future As far as she could look back life was drab and colourless with not one single crimson or purple spot anywhere
As far as she could look forward it seemed certain to be just the same until she was nothing but a solitary little withered leaf
clinging to a wintry bough The moment when a woman realises that she has nothing to live for neither love duty purpose nor
hope holds for her the bitterness of death 1 CHAPTER XII To laugh at her clan as she had always wanted to laugh was all the
satisfaction she could get out of life now But she thought it was rather pitiful that it should be so Might she not pity herself a
little when nobody else did 12 CHAPTER XXVII My dear said Cousin Georgiana Edward Beck wants to marry you Valancy
stared at Cousin Georgiana for a moment Then she wanted to go off into a peal of laughter But she only said Me Yes you He
fell in love with you at the funeral And he came to consult me about it I was such a friend of his first wife you know He is very
much in earnest Dossie And it s a wonderful chance for you He s very well off and you know you you 27 CHAPTER XLV Don t
cry Moonlight We ll be back next summer And now we re off for a real honeymoon Valancy smiled through her tears She was
so happy that her happiness terrified her But despite the delights before her the glory that was Greece and the grandeur that
was Rome lure of the ageless Nile glamour of the Riviera mosque and palace and minaret she knew perfectly well that no
spot or place or home in the world could ever possess the sorcery of her Blue Castle 14 Index Prologue TTN Korea English
