**Ireland in the Life and Work of C.S. Lewis** David Clare,2025-08-14 Even after he achieved world wide fame through books such as The Lion The Witch and The Wardrobe and The Screwtape Letters the Belfast born author C S Lewis often regarded as uncomplicatedly English by critics and the general public proudly and regularly described himself as Irish What s more he frequently incorporated Irish elements into his work This includes for example numerous allusions to Irish mythology the repeated employment of Hiberno English and Ulster Scots words and expressions and a preference for tropes frequently found in Irish and sometimes specifically Ulster Protestant writing **The Good, the True, the Beautiful** Mark

A Myth Retold Martin Sutherland,2014-09-29 Fifty years after his death C S Lewis fascinates his readers still Well established as a key figure in children s literature he is increasingly recognized as a significant Christian thinker The authors in this volume are from a wide range of Christian traditions testimony to the reach and significance of Lewis s legacy The essays return to Lewis s devotional and theological works assessing their place in his own thought and in the theology of the twentieth century Lewis emerges as an insightful and creative theologian whose ideas continue to surprise in their sophistication and fecundity Indeed it is suggested that he represents a way of doing theology mere theology which suggests ways in which Christian thought may reengage the complex cultural debates of the contemporary world Behold the Man

Behold the Man Peter S. Williams,2024-06-18 After a substantial new essay examining the nature of a properly skeptical historical inquiry into Jesus of Nazareth in the context of contemporary worldviews from pre modernism to meta modernism Behold the Man presents revised essays on an eclectic range of issues from how the Epistle of James treats Jesus as Divine within decades of the crucifixion and an evaluation of recent arguments about the dating of the Fourth Gospel to debunking claims about Jesus and ancient aliens and furthering debate about the resurrection With a foreword by eminent New Testament scholar Craig L Blomberg and extensive recommended resources Behold the Man Essays on the Historical Jesus represents a wide ranging

interdisciplinary engagement with historical Jesus studies

**Out of the Saltshaker and into the World** David

Peterson, Rebecca Manley-Pippert, 2013-03-15 Evangelism isn't something you do it's a world changing way of life Rebecca Manley Pippert shows how we as Christians who are called to be the salt of the earth can get out of the saltshaker and into life itself People crowd the pages with language and lifestyles to match She confronts them with a Jesus as contemporary as themselves a Christ they can see who cares Reading her book we laugh at her mistakes identify with her failures and find ourselves eager to emulate her spiritual progress

*The Two Jerusalems* Matthew Wiseman, 2024-10 The moving story of a young man's amazing journey to discover the roots of the Christian faith in the Ancient Near East which led him from Protestantism through the Messianic movement and into the Catholic Church This journey took him to the rainforest of Papua New Guinea the No yk Synagogue in Warsaw and the Judean Desert and into the heart of ancient and medieval Jewish tradition the Hebrew Bible Along the way he met a cast of odd and wonderful characters false prophets and saintly Catholics who taught him about God Scripture and prayer His steps were dogged throughout by God's strange providential provisions despite his human blindness At the heart of the ancient faith much to his surprise he discovered what a billion people across the world already know and live the Catholic faith Through it all Matthew Wiseman's relentless desire for truth and consistency kept him searching until he discovered the beauty ever ancient ever new His powerful story is like a course in fundamental theology in compelling narrative form

*Apologetics for the Twenty-first Century* Louis Markos, 2010 Using the work of C S Lewis as a starting point Markos examines the key popular apologists and arguments that shape the intellectual defense of the Christian faith today

**Conversations with C. S. Lewis** Robert Velarde, 2008-03-27 C S Lewis died in 1963 but I met him last week Robert Velarde tells of an imaginative journey in which the literature professor mysteriously appears in Thomas Clerk's hospital room Call me Jack the writer says as he invites Clerk to step into a wardrobe From there the two embark on a remarkable journey through Lewis's life They experience pivotal events from Lewis's childhood and meet many of his real and imaginary friends they visit the Kilns with his brother Warnie and spend time in Oxford with fellow writers and Inklings J R R Tolkien and Charles Williams They also sit with Lewis's dying wife Joy Davidman and they even enter the world of Narnia Along the way Lewis challenges Clerk's thinking about the existence of God the truth of Christianity the problem of pain and suffering the nature of love and much more Are human beings a cosmic accident Can we have morality without God Was Jesus just a guru Can we really believe in heaven and hell Tom and Jack discuss these and many other questions and they invite you to eavesdrop on their conversations Prepare yourself for some of the most invigorating discussions you may ever experience this side of heaven

**Evangelical Dictionary of Theology (Baker Reference Library)** Walter A. Elwell, 2001-05-01 Fifteen years after its original publication comes a thoroughly revised edition of the Evangelical Dictionary of Theology Every article from the original edition has been revisited With some articles being removed others revised and many new articles added the result is a completely new dictionary covering systematic historical and philosophical theology

as well as theological ethics      Knowing the Truth About Creation Norman L. Geisler, 2003-01-02 Are human beings a mere product of the cosmos with no future in eternity Or are we infinitely more valuable than any other creatures on earth Can we put a price tag on human life How should we treat marginal members of society those whiling away empty days in nursing homes the terminally ill the unborn child Norman Geisler believes that many of us have become confused about these vital issues In Knowing the Truth about Creation he delves into the biblical philosophical and scientific case for the Christian view of creation The result is a fascinating look at creation and the Creator      *Sehnsucht: The C. S. Lewis Journal* Bruce R. Johnson, 2020-03-06 *Sehnsucht* The C S Lewis Journal established by the Arizona C S Lewis Society in 2007 is the only peer reviewed journal devoted to the study of C S Lewis and his writings published anywhere in the world It exists to promote literary theological historical biographical philosophical bibliographical and cultural interest broadly defined in Lewis and his writings The journal includes articles review essays book reviews film reviews and play reviews bibliographical material poetry interviews editorials and announcements of Lewis related conferences events and publications Its readership is aimed at academic scholars from a wide variety of disciplines as well as learned non scholars and Lewis enthusiasts At this time *Sehnsucht* is published once a year      A New History of Redemption Gerald R. McDermott, 2024-03-19 *Southwestern Journal of Theology* 2024 Book Award Honorable Mention Church History Historical Theology Biography Although Jesus s work of redemption is often viewed as a singular event a careful examination of Scripture reveals that the Messiah began his redemptive work just after the fall and will continue it to the end of the world In the spirit of Jonathan Edwards s *History of the Work of Redemption* distinguished theologian Gerald McDermott traces the progress of redemption throughout the Bible and Church history This book connects the dots surrounding Israel redemption by the Jewish Messiah secular and sacred history the world religions and Jewish Christian worship through liturgy and sacraments It shows how Jesus as Messiah was redeeming throughout Old Testament history and it carries that story up through the last two millennia McDermott contends that it is only through a historical examination of the Messiah s redemption amid the turmoil of the world and the worship of his people that one can best see God s beauty      **A Narnian Vision of the Atonement** Charles Taliaferro, 2022-08-24 How can we have redemption or atonement at one ment with God Ancient Christians proposed a ransom theory according to which God pays the ransom for us through heroic self sacrifice so we can be liberated from the power of the demonic sin and death This theory is widely rejected by philosophers and theologians yet C S Lewis boldly portrays atonement in precisely such terms in his seven volume *The Chronicles of Narnia* In this book philosopher Charles Taliaferro defends the integrity and beauty of redemption in these stories and offers a Narnia inspired Christian theory of atonement He writes for those intrigued by Lewis s imaginary world of Narnia and for those interested in thinking about temptation how wrongdoing may be overcome confession repentance forgiveness and reconciliation restitution death resurrection and personal transformation Taliaferro argues that Lewis s work is no mere entertaining fairytale for children but an important lens through which to

view deep themes of redemption and atonement and all the vital stages involved in overcoming evil with the superabundant good of God's loving self sacrifice      Between Heaven and Hell Peter Kreeft, 2021-09-07 On November 22 1963 three great men died within a few hours of each other C S Lewis John F Kennedy and Aldous Huxley Imagining a lively and informative dialogue between these three men on life's biggest questions this IVP Signature Collection edition of a classic apologetics work presents insightful responses to common objections to the Christian faith      *C.S. Lewis—The Work of Christ Revealed* P. H. Brazier, 2012-08-14 C S Lewis *The Work of Christ Revealed* focuses on three doctrines or aspects of Lewis's theology and philosophy his doctrine of Scripture his famous mad bad or God argument and his doctrine of christological prefigurement In each area we see Lewis innovating within the tradition He accorded a high revelatory status to Scripture but acknowledged its inconsistencies and shrank away from a theology of inerrancy He took a two thousand year old theological tradition of aut Deus aut malus homo either God or a bad man and developed it in his own way Most innovative of all was his doctrine of christological prefigurement intimations of the Christ event in pagan mythology and ritual This book forms the second in a series of three studies on the theology of C S Lewis titled C S Lewis Revelation and the Christ [www.cslewisandthechrist.net](http://www.cslewisandthechrist.net) The books are written for academics and students but also crucially for those people ordinary Christians without a theology degree who enjoy and gain sustenance from reading Lewis's work      **The Miracle of Man** Jim Howard, 2017-01-31 What Is a Man Biologically we are animals homo sapiens But men are different born with consciousness reason free will notions of morality and other characteristics of what we call human nature Why are we different Were we created by God or are we just accidents of nature Are you a child of the King or just a child of King Kong This is a book of apologetics for laypeople It looks at arguments for the existence of God and especially at those arguments that can be drawn from human nature It argues in plain language with illustrations and humor that we cannot explain human nature without God that men are miracles      *A Hebraic Inkling* P.H. Brazier, 2023-01-01 C S Lewis's enlightened foundational respect for the Jews as God's chosen people is a feature in much of his apologetic and theological writing Although as a boy and young man Lewis reflected much of the implicit anti-Semitism inherent in the public school educated Edwardian establishment this was replaced by deep respect when he became a Christian Later on Lewis's understanding was much enhanced by his wife Joy Davidman m 1956 born to American Jewish parents she was an adult convert to Yeshua Ha Mashiach Jesus Christ and Lewis referred to her as a Jewish Christian *A Hebraic Inkling* examines in depth this Jewish Hebrew influence in Lewis life and works Analysing some of his key writings in theology philosophy literature and apologetics his rigorous stand against anti-Semitism and affinity for Jewish literature and culture is outlined as well as his vision of how Christians are enfolded into the chosen people This respect and affinity extended to Lewis own family when one of Joy's children sought to return to his mother's birth faith Lewis moved all to accommodate his wishes and raise him as a Jew after Joy's untimely death      **YOUCAT Bible** ,2017-05-07 The newest title in the internationally best selling YOUCAT
