Stories Of Tamil Devadasis & Dance Dramas In Rig Veda London Swaminathan, 2022-07-22 The book titled STORIES OF TAMIL DEVADASIS DANCE DRAMAS IN RIG VEDA has two parts The first part deals with the Tamil Devadasis of India and Sri Lanka I came across a rare Tamil book in the British Library in London The authoress herself was born in a Devadasi family and had published a book in Tamil about 100 years ago When I featured the book on Facebook one research scholar approached me to translate it into English I did a translation giving the gist of her writing My thanks are due to that woman Ms Anjukam She had collected the life stories of about 30 courtesans The second part of the book contains my research articles on the origin of dance and dramas We have ample evidence for dance performances in the oldest book The Rig Veda There are about 20 Dialogue Poems in the Rig Veda They are actually dance dramas enacted after the Yagas and Yajnas What we have got in those poems are the plots or themes of those dance dramas and the actors would have built full length dance dramas over those plots at that time There are interesting articles on Bharata s Natya shastra Since it is a technical work that too in Sanskrit not many people know the contents There are very interesting details about the origin stage colour of the theatre seats and actors jewellery etc in the book

Sukhabodhananda, 2015-01-27 Adi Shankaracharya composed a number of Vedantic works for imparting the knowledge of the Self One of these hymns is the famous Bhaja Govindam Bhaja literally means seek Govindam means the Lord the Truth The learned masters out of deep compassion try to wake up humanity They invite us to open our eyes to a higher dimension of living The whole text of Bhaja Govindam in essence means Wake up seek the Lord and stop seeking the primitive and superficial things in life The compilation of thoughts presented in this book is applicable to one and all Swami

Sukhabodhananda in his unique style explains the verses with deep clarity and understanding Shiva Sutras Swami Sukhabodhananda, 2015-01-27 Ability is an important tool in life Ability without commitment and awareness is like a vehicle without the engine The Shiva Sutra enhances one's awareness in a way one sees an opportunity in a difficulty and not a difficulty in an opportunity There is an outside reality and an inside reality of one's mind There is also another dimension called spiritual reality To harmonize all of them is a great awakening Ordinary being loves one's own psycho dramas of justification proving one's point of view blaming being helpless and this leads one to a state of inner poverty To free oneself from these lower states of poverty and see them as errors in one's thinking is part of being effective and experiencing inner prosperity The profound teaching of Lord Shiva introduces us to A Bigger Container where one learns to be charitable to one's own self This practice of making A Bigger Container is essentially spiritual Dive deep into these mystic teachings Swami Sukhabodhananda Gespräche mit Ramana Maharshi Ramana Maharshi, 2024-08-26 Ramana Maharshi wurde am 30
