Enterprise Resource Planning: Concepts, Methodologies, Tools, and Applications Management Association, Information Resources, 2013-06-30 The design development and use of suitable enterprise resource planning systems continue play a significant role in ever evolving business needs and environments *Enterprise Resource Planning Concepts Methodologies Tools and Applications* presents research on the progress of ERP systems and their impact on changing business needs and evolving technology This collection of research highlights a simple framework for identifying the critical factors of ERP implementation and statistical analysis to adopt its various concepts Useful for industry leaders practitioners and researchers in the field

Remote Homeland, Recovered Borderland Shao Dan, 2011-08-31 *Remote Homeland Recovered Borderland* addresses a long ignored issue in the existing studies of community construction How does the past failure of an ethnic people to maintain sovereignty over their homeland influence their contemporary reconfigurations of ethnic and national identities To answer this question Shao Dan focuses on the Manzus the second largest non Han group in contemporary China whose cultural and historical ancestors the Manchus ruled China from 1644 to 1912 Based on deep and rigorous empirical research Shao analyzes the major forces responsible for the transformation of Manchu identity from the ruling group of the Qing empire to the minority of minorities in China today the de territorialization and provincialization of Manchuria in the late Qing the remaking of national borders and ethnic boundaries during the Sino Japanese contestation over Manchuria and the power of the state to re categorize borderland populations and ascribe ethnic identity in post Qing republican states Within the first half of the twentieth century four regimes the Qing empire under the Manchu royal clan the Republic of China under the Nationalist Party Manchuokuo under the Japanese Kanto Army and the People s Republic of China under the Communist Party each grouped the Manchus into different ethnic and national categories while re positioning Manchuria itself on their political maps in accordance with their differing definitions of statehood During periods of state succession Manchuria was transformed from the Manchu homeland in the Qing dynasty to an East Asian borderland in the early twentieth century before becoming China s territory recovered from the Japanese empire As the transformation of territoriality took place the hard boundaries of the Manchu community were reconfigured its ways of self identification reformed and the space for its identity representations redefined Taking the borderland approach *Remote Homeland* goes beyond the single country focus and looks instead at regional and cross border perspectives It is a study of China but one that transcends traditional historiographies As such it will be of interest to scholars of modern China Japanese empire and Northeast Asian history as well as to those engaged in the study of borderlands ethnic identity nationalism and imperialism

Knowledge Management and Higher Education: A Critical Analysis Metcalfe, Amy, 2005-09-30 Using various social science perspectives this book provide critical analyses of knowledge management in higher education with an emphasis on unintended consequences and future implications Provided by publisher **Achieving Student Success** Donna Gail Hardy

Cox, Charles Carney Strange, 2010 In today's colleges and universities whether students succeed depends in large part on access to effective services that can support and guide them in pursuit of their educational goals Policy and practice in the field of student services has been largely based on professional literature from US sources Donna Hardy Cox and Carney Strange offer the first comprehensive description of professional student services in Canadian colleges and universities from the perspective of the practitioner scholars who create and lead them Hardy Cox and Strange begin with an overview of student services dealing with the matriculation of post secondary students through enrolment management financial assistance and orientation to the institution and accommodation and then discuss housing and residence life student leadership programs systems of judicial and academic integrity and student support and adjustment through counseling health and wellness initiatives career and employment advice and a variety of services that can respond to a variety of needs How these services are integrated professionally on campus including their organization and leadership as well as their design within differing institutional contexts and delivery methods is the focus of the closing chapters followed by a distillation of principles that underlie effective student services
