PRE-ORDINATION INTERVIEW GUIDE

Name _____ Date _____
Last First Middle

I. PRE-ORDINATION

It is the responsibility of the District Ministry Commission and representatives of the church board to consult with the licensed minister in a personal interview as she or he nears the completion of requirements for ordination. The Pre-Ordination Interview Guide is one form that may be used to ascertain the candidate's growth and development since licensing.

II. THE INTERVIEW

- A. The District Ministry Commission, acting on behalf of the District Board, is responsible for guiding the pre-ordination process. This document and related papers may be reproduced only for deliberation by the commission and/or its interview committee. Pertinent information can be shared with the District Board when the candidate is presented to the District Board for vote.
- B. The candidate fills out the interview guide and returns it to the District Ministry Commission before the interview.
- C. The District Ministry Commission or its interview committee will use the interview guide as a starting point for exploring in depth the candidate's spiritual, educational, and personal growth; style of leadership; and competence in integrating central themes of the Christian faith with the current concerns of the church and the world; commitment to the Church of the Brethren; and overall readiness for ministry.
- D. The District Ministry Commission is free to ask for additional materials that will assist them in the ordination process. These materials could include transcripts, a physical examination, Readiness for Ministry testing, etc. Sufficient lead time should be allowed for these materials to be available before the interview.
- E. If the candidate is married, the spouse should be invited to join the interview.

III. FOLLOWING THE INTERVIEW

- A. In evaluating a candidate's readiness for ordination, the District Ministry Commission or its interview committee, in addition to their past knowledge of the candidate and the

Baptist Pastors Ordination Questions And Answers:

Baptists and the Ordination of Women in Malawi Klaus Fiedler, Hany Longwe, 2022-10-30 Baptists are keen to go directly to the New Testament in all major issues of faith. If the Bible is the first argument, then history and therefore tradition is another line of argument that both promoters and opponents of women's ordination can and do use. This book is largely concerned with not just the history of women's ordination or even of Baptists and women's ordination but offers perspectives from history that may be useful for the discussion of this issue. The thrust of the arguments are aimed at highlighting that differing biblical interpretations are possible and it must be admitted that Baptists have their own history over which much diversity has developed. *Aimee Semple McPherson and the Making of Modern Pentecostalism, 1890-1926* Chas H. Barfoot, 2014-09-19 Pentecostalism was born at the turn of the twentieth century in a tumble down shack in a rundown semi industrial area of Los Angeles composed of a tombstone shop, saloons, livery stables and railroad freight yards. One hundred years later Pentecostalism has not only proven to be the most dynamic representative of Christian faith in the past century but a transnational religious phenomenon as well. In a global context Pentecostalism has attained a membership of 500 million growing at the rate of 20 million new members a year. Aimee Semple McPherson, born on a Canadian farm, was Pentecostalism's first celebrity, its female Billy Sunday. Arriving in Southern California with her mother, two children and 100 00 in 1920, Sister Aimee, as she was fondly known, quickly achieved the height of her fame. In 1926, by age 35, Sister Aimee would pastor America's largest class A church, perhaps becoming the country's first mega church pastor. In Los Angeles she quickly became a folk hero and civic institution. Hollywood discovered her when she brilliantly united the sacred with the profane. Anthony Quinn would play in the Temple band and Aimee would baptize Marilyn Monroe, Jean Harlow and become friends with Charlie Chaplin, Douglas Fairbanks and Mary Pickford. Based on the biographer's first time access to internal church documents and cooperation of Aimee's family and friends, this major biography offers a sympathetic appraisal of her rise to fame, revivals in major cities and influence on American religion and culture in the Jazz Age. The biographer takes the reader behind the scenes of Aimee's fame to the early days of her harsh apprenticeship in revival tents, failed marriages and poverty. Barfoot recreates the career of this called and driven woman through oral history, church documents and by a creative use of new source material. Written with warmth and often as dramatic as Aimee herself, the author successfully captures not only what made Aimee famous but also what transformed Pentecostalism from its meager Azusa Street mission beginnings into a transnational global religion. *Baptists on the American Frontier* John Taylor, Chester Raymond Young, 1995 A revised edition of the standard text outlining the processes, structure and literature content of abstracts and summaries in the biological, physical, engineering, behavioral and social science fields. Cremmins advocates a three stage analytical reading method, solid writing and editing skills and adherence to abstraction rules and conventions. The appendices include abstract standards, style and writing resources and a selective bibliography. Annotation copyright by Book

Newton, A Mere Kentucky of a Place Keith Harper,2023-09-29 As the story goes an itinerant preacher once visited the Bluegrass region and proclaimed heaven to be a mere Kentucky of a place The Commonwealth s first Baptists certainly thought so as they began settling the region a decade before statehood By 1785 a

group of pioneering preachers formed the Elkhorn Association widely regarded as the oldest Baptist association west of the Alleghenies Often portrayed in the historiography as the vanguard of a new frontier democracy the Elkhorn Association on closer inspection reveals itself to be far more complex In A Mere Kentucky of a Place Keith Harper argues that the association s Baptist ministers were neither full fledged frontier egalitarians nor radical religionists but simply a people in transition These ministers formed their identities in the crucible of the early national period challenged by competing impulses including their religious convictions Jeffersonian Republicanism and a rigid honor code with mixed results With a keen eye for human interest Harper brings familiar historical figures such as John Gano and Elijah Craig to life as he analyzes leadership in the Elkhorn Association during the early republic Mining the wealth of documents left by the association Harper details the self aware struggle of these leaders to achieve economic wealth status and full social and cultural acceptance demonstrating that the Elkhorn Association holds a unique place in the story of Baptists in the New Eden of Kentucky Ideal for course adoption in religious studies and students of Kentucky history this readable work is sure to become a standard source on the history of religion on the Kentucky frontier Digest of the Acts and Deliverances of the General Assembly of the Presbyterian Church in the United States of America ... Changing Church Jann Aldredge-Clanton,2011-11-01 Through the fascinating stories of pioneering ministers this book reveals a unique picture of progressive changes occurring in the Christian tradition Meeting challenges and overcoming obstacles these twelve diverse ministers are changing the church as they take prophetic stands on gender race interfaith cooperation ecology sexual orientation economic opportunity and other social justice issues Believing in the power of sacred symbolism to shape social reality and to provide a foundation for justice and freedom for all people these ministers lead worship with inclusive language and imagery for humanity and divinity They include multicultural female and male images of the Divine Their stories affirm the connection between this expansive theology and an ethic of justice and equality in human relationships In working from within to change the church these ministers have risked censure by denominational authorities loss of opportunities for promotion to larger congregations or to prestigious denominational positions and even loss of their jobs They have found creative ways to balance advocating for change and working to support the church using their positions as ordained clergy to bring liberating change to the church and the wider culture
