Basic Guide To International Business Law:

A Basic Guide to International Business Law Harm Wevers, 2019-11-25 A Basic Guide to International Business Law is an introduction to those parts of European and international law that are relevant to business. Having read this book, students will come away with a broad understanding of the international rules of law within the EEC, institutional rules of the European Union, international contract law, rules of competition, and the four freedoms within the EEC. The edition includes student-friendly features such as summaries of statements and references to relevant case law, making the book an ideal introduction for those on law and/or business programmes.

A Basic Guide to International Business Law Harm Wevers, 2021-05-26 A Basic Guide to International Business Law aims to give students an understanding as well as practical knowledge of legal problems arising in the area of international business and to equip them with the skills needed to prevent and tackle these problems. All chapters employ the same didactic structure: introductory case studies, examples, annotated case law, glossaries, diagrams, summaries, and exercises are all designed to familiarize students quickly with relevant aspects of international business law. A Basic Guide to International Business Law deals with the following topics: Introduction to International Private Law and European Law, Legal aspects of negotiations, International contracts, matters of jurisdiction and the law applicable to these contracts, International contracts of sale, Competition law, Free movement of goods, workers, the freedom of capital and establishment and the freedom to provide services, International payments, Carriage of goods by road and sea, Incoterms, Entry modes, agents, representatives, distributors, licensing, franchising.

A basic guide to International business law Harm Wevers, 2015 *International Business Law and the Legal Environment* Larry A. DiMatteo, 2025-04-28 The fifth edition of *International Business Law and the Legal Environment: A Transactional Approach* gives business and law students a clear understanding of the legal principles that govern international business. This book goes beyond compliance by emphasizing how to use the law to create value and competitive advantage. DiMatteo's transactional approach walks students through key business transactions from import and export contracts and finance to countertrade, dispute resolution, licensing, and more, giving them both context and providing real-world applications. This new edition also features added coverage of new technologies such as smart contracts, digital platforms, and blockchain technology, artificial intelligence, market for non-fungible tokens, and the metaverse. Discussion of businesses and sustainability, climate change, and creating a circular economy. International perspective and use of a variety of national and international law materials. Greater coverage of EU substantive law, including the new Artificial Intelligence Act. Upper-level undergraduate and postgraduate students of business law and international business will appreciate DiMatteo's lucid writing style, and professionals will find this book to be a comprehensive resource. Online resources include an instructor's manual, PowerPoint slides, and test bank.
