Prayer Robert Arthur Hansen, DMin, 2023-08-03 As we enter a Community of Faith for the first time we are naturally drawn to a shared spirituality It may be a congregation synagogue mosque or temple It is shared spiritually of the people at prayer which attracts us and draws us to unite with others in prayer There are three shared stands of any Community of Faith their shared faith tradition the culture of the community and the personalities of the members This book examines the elements of tradition culture and personal temperament to determine how the three become spiritually integrated at the moment of prayer The conclusion is that through an explicit assessment of these three elements members of the faith community can enrich their personal spiritual life resulting in spiritual growth and can ultimately revitalize the spiritual prayer life of the community of faith The book is a spiritual intervention of a Presbyterian congregation in Central New York in the 1980s I am grateful for the prayer group that committed there Wednesday nights during 1986 This is their story of how they were able to revitalize the spiritual life of a 150 year old three hundred member Presbyterian congregation To Live in Christ-Prayer Rose Mary Dougherty, SSND Dougherty, 2007 A comprehensive lay spirituality formation program for those who are seeking a deeper more meaningful spiritual relationship with Christ Participants are invited to open their minds share thoughts and opinions review gospel passages and apply the Way the Truth and the Life in their cultural relationships **Living Large** Patricia Hofer, 2012-10 Christianity is large enough and deep enough to embrace all of our complex questions doubts and speculations What gets us nowhere is apathy passively accepting a doctrinal adherence that we listen to only on Sunday Hofer's writing draws you into a vital relationship with the Lord that has thrived for almost twenty five years Besides offering some daily doses of practical insight and inspiration Living Large investigates the source of religious believing and the origin of moral behavior It looks natural science directly in the eye And it reflects the author's growing appreciation for the Old Testament The fourth book in this series Living Large follows the same format as Driving into the Dawn Yielding to Wonder and Turning Aside to See It contains easy to read two page chapters each opening with a psalm that leads to daily study Hofer's first book Power of Yielding described her dramatic conversion experience and the lifetime pilgrimage that it initiated She continues to read widely journeying on searching for similar spiritual awakenings and essential Christian truths If you are ready to enrich your Christian faith with a greater understanding of what you believe this is the book for you

Eternity in the Midst of Time Fr. Wilfrid Stinissen, 2019-01-21 Can time be our friend At first glance the question seems ridiculous because the apparent scarcity of time is a constant source of stress in our busy lives There are not enough hours in the day we say as we collapse late at night Deep down we know that we cannot go on like this Father Stinissen's book dares us to see time with new eyes The insight that eternity is written in the depths of our hearts helps us to live in time in a way that leads us deeper into God's joy We are like children in a land of fairy tales where everything is exciting and exploration never ends We therefore should rejoice that everything around us is great and mysterious and that we can live in eternal wonder His intention is not to explain what time is and thus take away its mystery Instead his aim is to show us how

to see time from different perspectives and to discover how rich and multifaceted it is Above all he demonstrates how we can make use of the tremendous possibilities that time offers to us The Presence of Absence Doris Grumbach, 2014-12-02 The story of an ecstatic spiritual moment and the search to experience it again When she was twenty seven years old writer Doris Grumbach had an epiphany It was as if God were right there beside her and she had a feeling of peace so intense that it seemed to expand into ineffable joy After this fleeting moment Grumbach became determined to recapture what she had felt The Presence of Absence is the story of her fifty year search Grumbach is an open minded and skilled seeker and she writes candidly of the people she has met along the way She details how she lost her path after decades of going to her Protestant church and writes of her turn to personal spirituality In her quest to find God she encounters a multitude of philosophies and gives all of them their due She reads the works of Thomas Merton and Simone Weil seeks the advice of her seminary attending daughter and studies the Psalms Despite the setbacks of disease injury and ego Grumbach perseveres in her pursuit of beauty and proof in the absence
